Messrs. Burtes & Gravel
Es. Sirs

Yours of this date is received & in reply I give you the numbers of Certificates as requested.

I have the Coupons cut off of the 12 Bonds, Mr Rice always to, numbering 338 to 350, inclusive, also three other Company numbers 252, 404, 429, making in all 16. Four of these were given to me instead of four due last January, which of course was in Mr. Rice's favor.

Very truly yours
J. H. Wells
