Col Wm M Rice
Houston.

Dear Sir,

Some two weeks ago J. A. Rice gave us some notes on E. G. Meays, to be provided up in Bank-employment. But since that time we have information from our attys at Tyler which induces us to change "our base" in regard to your claims, and when your brother was here a few days we spoke to him about it, and he told us to write to you.

I expect to come down to Houston the first week of your Dist Court, and as a relative of the whole matter would be rather tedious, and not perhaps so well understood by letters, as by a personal interview we will defer the matter till we come down, and if desirable consult with your attys at Houston.

I think there is a pretty good chance for you to make something out of Meays, if we can get a good start after him.

Will see you soon,
Yours Truly &c
