Dear Sir, Your favor 14th ult
reid I regret not being
able to give a better
report of your Offer
of Gold - the former today
was offered at \$360⁰⁰
& the latter at \$1450⁰⁰ - Bid
No sales - the present
prospective of both mines
is not bright still as you
know - Silver Mining is very
uncertain & any day they
may think it "rich" -
will look out for it
Yours truly
J. M. C. Jr
