BILL DEFEE

Coach Bill Defee, a former East Texas State star, came to Panola from Carlisle High School, leaving behind him an excellent record. Serving his first year as head coach of the Ponies, he was named coach of the year of the Texas Junior College Athletic Conference. Coach Defee also directs the Pony basketball and baseball teams.

SOLON HOLT

Coach Solon Holt, in addition to his task of coaching the Pony linemen, serves as "father" to the boys in the dormitory. He came to us from Henderson High School. Previous to his work at Henderson, Coach Holt received all conference honors as tackle with the TCU eleven. Coach Holt also coaches the Pony track team.

THE POWERFUL PONIES FROM PANOLA

When the '49 season began, everyone was optimistic as to the outcome of the Ponies in their second season of football competition. Both the players and the coaches worked hard, and as a result, opened the season with a well-earned victory over the Paris Dragons. After winning two more non-conference tilts, the Ponies journeyed to Athens to win their conference opener. In the two non-conference games that followed, the Ponies were perhaps at their lowest ebb of the season, tying Northeast and losing their only game of the season to the Wharton Pioneers. However, the next few weeks, a regenerated Pony team trampled all their opponents, ending play with a win over Odessa for the State Championship. Then, topping all previous honors, the Ponies became the Champions of the first annual Gas Bowl at Carthage by defeating McNeese Junior College.

QUARTERBACK CLUB

DR. R. C. CRADDOCK
Secretary

The Quarterback Club was organized on December 29, 1949, with the following officers: John Stovall, president; Phillip Goodwin, vice president; Dr. R. C. Craddock, secretary. The six directors who were appointed are Tommie Erwin, Forrest Roberts, Byron Leewright, Fred Ramseur, Ethon Birdwell, and B. C. Harkrider. The club was organized for the purpose of promoting the general welfare of Panola Junior College. The primary aim of the club is to assist worthy persons who, by their participation in athletics at Panola, may be able to further their education.

During its first year, the club has done excellent work. In addition to supporting the Ponies to the fullest extent, the club arranged for the McNeese Junior College Cowboys of Lake Charles, La., to come to Carthage for the first annual Gas Bowl football game. After the Pony victory, the club presented watches to the entire squad. Approximately 100 businessmen and residents of Panola County make up the Quarterback Club.

All students and faculty members are truly appreciative of the excellent work done by the Quarterback Club in supporting the college.

PONY BASKETBALL TEAM

After closing a very successful football season, Coach Bill Defee's Pony cagers began drills. Because of the lack of practice and experience, they dropped several of their opening games, all by close scores. However, as the season continued, the Ponies became more skillful and tougher to handle. After being edged by several opponents, the Navarro Bulldogs fell 50-42 in the new Pony Gym. The Ponies then lost a close 40-39 game to LeTourneau Tech before winning over Texarkana 43-41. Then to top all others, these hustling Ponies handed the highly-heralded State Champion Lon Morris Bearkats a 55-45 defeat. Thus ended the season, but with the return of this year's veterans, future Pony opponents had better be prepared.
