¹Data is computed. Each ratio represents fall semester full-time student equivalents divided by the number of full-time faculty equivalents computed from the institutions' CBM008. For purposes of these computations, institutional fall semester totals of student credit hours divided by 15 were used as the measure of full-time equivalents.

²Undergraduate semester credit hours divided by 15, master's and special professional divided by 12, and doctoral divided by 9.

The License Plate Insignia Scholarship Program is funded through the sale of special car license plates which show the insignia of the participating institution. Only those institutions committing to sell at least 1,500 special plates may participate. Funds for public universities are directly deposited in school accounts at the State Treasury and awards are then made on campus. Public university awards are not reflected here since they are not administered by the Coordinating Board. License plate proceeds for independent institutions and public community colleges are deposited at the State Treasury in a Coordinating Board account. The Coordinating Board then forwards public community college funds to the schools to award on campus. Applications from independent institutions are administered by the Board.
