The Trucks Are Coming!

Government Publications
Texas State Documents

AUG 19 1998

Depository
Dallas Public Library

On June 3, get ready for a stamped. A herd of 50 brand new 1998 Dodge Ram 1500 Special Edition trucks will be headed for Texas. They're the top prizes in *Buck\$ 'N Truck\$*, a new scratch-off game from the Texas Lottery.

These trucks are not your ordinary basic pickups. The Lottery has ordered these Special Edition trucks just for this game, and they won't be available anywhere else. Just look at all these features!

- ★ 318 cu. inch V8 engine
- ★ 4-speed automatic transmission with overdrive
- ★ Forged aluminum wheels
- ★ Air conditioning
- ★ Power windows
- ★ Power locks
- ★ Tachometer
- ★ Leather-wrapped steering wheel
- ★ AM/FM Stereo with CD & cassette players
- ★ Dark metallic blue

The scratch-off ticket will have two Lucky Numbers, plus ten other numbers shown as Your Numbers. If any one of Your Numbers matches either of the Lucky Numbers, you win the prize shown for that number. If one of Your Numbers matches either of the Lucky Numbers and the prize shown under the matching number is a truck symbol, you're the lucky winner of a new Dodge Ram.

If you win one of these fantastic trucks, take your winning ticket to the nearest Lottery claim center, along with a valid driver's license and proof of automobile insurance. After the ticket is validated, you can schedule a time to return to the claim center to pick up your pickup. Your truck will be delivered to the claim center with a full tank of gas.

Rosa Gonzalez

March was a lucky month for Rosa Gonzalez of Paducah. First, she was rehired at her old job. Later, on a whim, she picked up a *Fiesta* scratch-off ticket at Allsup's #60 in Paducah. That ticket turned out to be a \$3,000 winner! Now, that's a reason for a fiesta!

Michel Duncan

It was no April Fool's joke when Michel called her sister to tell her she had won \$502 playing *Cash 5*. Michel's sister hung up on her because she didn't believe her. Michel tried calling her again, but her sister thought she was pulling a prank, and hung up on her again. No prank, sis! Michel really is a winner!

James Lanier

Folks in the Bryan Claim Center recognized James Lanier of Buffalo when he came to claim his \$4,000 prize from a winning *Matching Suit* scratch-off ticket. James had come to the claim center last May to collect \$955 for his winning *Cash 5* ticket. Prior to that, he won \$1,000 with *Cactus Cash*. He was looking for a way to pay his taxes this year. Looks like he found it.

Cecil Hammer

Cecil's smile keeps getting wider every time he goes down to the Sherman Claim Center to collect his winnings. This lucky resident of Gunter recently matched four out of five winning *Cash 5* numbers and won \$406. Cecil's winning streak is now five in a row: he has picked winners in five consecutive *Cash 5* drawings. Good luck, Cecil! Maybe we'll be seeing you again.

Frank Perez

Four days is a long time to wait to find out if a ticket is really a winner. Frank Perez of Lubbock waited four days before taking his *Five Card Cash* ticket to a claim center to verify that it was a winner. He said it was really rough on him, but he just couldn't believe he had won. He wasn't going to count on the ticket really being a winner until he could go get it checked out. Well, Frank really did win, and he says he's going to spend the \$5,000 he won playing *Five Card Cash* on some dental work he's been holding off on until he had some extra funds.

Brenda Hubbard

There was some confusion in the Hubbard household when Brenda Hubbard and her husband checked her numbers against the winning *Cash 5* numbers. Her husband thought she only matched three. Brenda got real excited when she looked closer and realized she had actually matched four. Her prize was even larger than usual because no one matched all five numbers for that drawing. When Brenda left the claim center with her check for \$1,145, she promised she would be back.

Olga Jaecks

Olga Jaecks from the Ft. Worth area asked the claim center staff if she could take home a copy of the claim form when she stopped in on a recent visit. The next time she came to claim her winnings, she had typed up her own claim form. Olga has won ten times since January of 1995. She finds playing lottery games to be a great hobby, and really enjoys playing *Lotto Texas*, *Pick 3*, and *Cash 5*.

Max Liebowitz

Mr. Liebowitz, an elderly gentleman from Lewisville, was a little confused when he came into the Dallas Claim Center. He didn't understand why he couldn't cash his winning four-of-five *Cash 5* ticket at the store where he bought it. Mr. Liebowitz didn't know that he had won more than the store could pay out. He was thrilled to see his check for \$648, and believes his luck may be changing for the better. Congratulations, Mr. Liebowitz!

Demetrio Rubio, Jr.

For some people, Friday the 13th is a day to avoid. Not so for Demetrio Rubio of Amarillo, who won \$500 playing *Lucky Shamrock* on March 13. Demetrio said his family has been wanting to visit his wife's sister in South Texas for quite some time, but did not have the extra money to make the trip. The Rubios will use their lucky winnings to

make a long-awaited trip to spend time with family.

Francisco J. Barrios

Mr. Barrios of El Paso went to his local retailer to buy some *Lotto Texas* tickets. While he was there, he checked a *Cash 5* ticket he had been carrying around with him. To his surprise, the retailer told him he was a big winner - a \$561.00 winner! Mr. Barrios told the El Paso Claim Center staff, "Today is a very special day for me. It's my son Luis Enrique's 11th birthday. He asked me for a Walkman, and now I'll be able to give him his birthday present."

Raul C. Blanco

Mr. Blanco says he plays *Lotto Texas* faithfully. While recently buying some *Lotto Texas* tickets, he asked the clerk to see results of a previous drawing. As he looked and matched number after number, he couldn't believe that he matched five out of six numbers. Earlier this month, Mr. Blanco had celebrated his birthday. With plenty of excitement, he exclaimed to the El Paso Claim Center staff, "This is Happy Birthday to me from the Texas Lottery! I will be back with six numbers next time!"

Carol Darnell

When Carol's husband woke her up one morning singing, "Oh, What A Beautiful Morning," she wasn't sure what to think. But he had a reason to sing after seeing how much Carol had won playing *Pick 3* - \$1,160! Carol, who lives in Frankston, said she wins on *Pick 3* all the time, but that this is the most she has ever won. She plans on going shopping and buying toys for her grandchild who will soon be a year old and lives a thousand miles away. She wants to make it a birthday to remember. She'll also spend some on her children.

Buck\$ 'N Truck\$, continued from page 1

There will be 50 trucks available as top prizes in *Buck\$ 'N Truck\$*. This is the first time the Texas Lottery has offered a non-cash prize as the top prize in any game. There also will be over \$50 million in other cash prizes ranging from \$2 to \$1,000.

Tickets will cost \$2, giving you ten chances to win on every ticket. The overall odds of winning are 1 in 4.81. Go ahead. What are you waiting for? You could soon be driving around town in one of these great looking trucks. When people ask where you

got it, just tell them to play *Buck\$ 'N Truck\$* for a chance to win one of their own.
