It's Comin' to Town!

Still searching for that perfect gift to give your fellow Texan? Well, search no more ... because the countdown is on for the best gift ticket yet.

In November, the Texas Lottery will unveil its newest and grandest scratch game to date with the release of *Jingle Bucks*.

Jingle Bucks, with over \$70 million in prizes and a top prize of \$100,000, marks the first-ever \$10 game in the Lottery's history and will offer the best odds in TLC history as well - 1 in 2.46!

"We've had such success with our \$5 tickets in the past that all of us are optimistic about the \$10 *Jingle Bucks*, especially with it being the Holiday season," Instant Product Manager Stephanie Goertz said. "It's the perfect gift for anyone on your list."

Touted as the ultimate stocking stuffer, *Jingle Bucks* will offer players 10 different games on a ticket that can be folded into a gift-giving card. There are 15 separate chances to win on one ticket, including two added-value play features.

Jingle Bucks offers a minimum prize of \$10 and allows for more play action with a Fast Cash game, as well as a Bonus game that doubles the total winnings on that ticket.

The Lottery will also introduce a Holiday Gift Envelope to players that purchase *Jingle Bucks* or any \$10 Lottery ticket purchase. The envelope features a 'To:/From:' label, perfect for the holidays.

"*Jingle Bucks* makes it easier for Texans to give that winning experience," Goertz said. "And with the gift envelope, not only can it hang as decoration, but a special touch will be added to the gift-giving fun."

The gift envelopes are available only while supplies last, so hurry in and get your shopping done Texas Lottery-style.

For more information on *Jingle Bucks*, contact the Texas Lottery Hotline at 1-800-375-6886 or log onto the Lottery's web site at www.txlottery.org.

NOTICE: A Scratch Off game may continue to be sold even when all the top prizes have been claimed. For current information on prizes remaining in a Scratch Off game, call 1-800-37 LOTTO.

Winning Stories from around the State

Lots of players take home some very nice prizes. Here are a few of their stories.

Marcia Barker, Victoria

Seven years is a long time to wait, but Victoria's Marcia Barker persevered and it paid off. A 1993 winner of *Lotto Texas*, Barker hit the jackpot again during the June 6 *Cash 5* drawing with a ticket worth \$727. "I was just reading the newspaper," Barker said. "I was very happy." A regular player of *Scratch Happy* and *Bingo*, Barker always tells people, "If you don't play, you can't win."

Clarice Bell, Kilgore

Traveling home from a conference in Corpus Christi, Clarice Bell stumbled across some good news on her way back to East Texas. A *Bingo* enthusiast, Clarice cashed in on June 22 with a whopping \$25,000 prize and became an instant hit with the vanload full of travelers. "You never know when you might win," Bell said about *Bingo*. "I play weekly."

Renda Hobizal, Port Lavaca

Want a way to begin the weekend in style? Just ask Renda Hobizal. A resident of Port Lavaca, Renda was watching television Friday, July 14 and discovered her *Cash 5* ticket matched 4 of 5 numbers. The \$926 prize was just the thing to end those work-week blues. Hobizal enjoys playing all The Games of Texas and will split her winnings with her husband so, "We can both buy more *Lotto Texas* tickets."

Manuel Martinez, Jr., Lamesa

On June 19 in Lamesa, you may have felt like a small earthquake was beginning if you were near Manuel Martinez when he scratched off his *Texas Roundup* card. "I bought the ticket and waited to get home," Martinez said. "I just started shaking when I saw all the little cowboy hats." Shaking, indeed. Manuel scratched his way to a \$5,000 prize and plans on sharing the winnings with his family.

Becky Holland, Amarillo

For many, sitting in front of the television to watch the 10 p.m. news is a cap to the end of their day. But for Amarillo's Becky Holland, the August 9th newscast was the bearer of exciting news. "I was just sitting there, circling the numbers," Holland said. "My reaction was 'Oh my gosh!'" Becky's lucky *Lotto Texas* ticket was worth \$3,030. A winner of \$3 and \$5 prizes in the past, Becky's big night is encouragement to all to play The Games of Texas.

Pete Gonzales, Kenedy

Just like the old saying goes, "The third time's the charm." The same holds true for Pete Gonzales. "My wife called me at work saying 'It finally paid off.'" Pete said. "I asked what she was talking about and she said we had matched 4 of 5 numbers in the June 23 *Cash 5* drawing." It was the Gonzales' third time to win with *Cash 5*, but the \$607 was easily their biggest prize yet. Pete reminds players to keep playing because, "You never know when it could be your turn to win the big one."
