LETTER OF TRANSMITTAL

His Excellency the Governor.

Sir:

In compliance with the provisions of the Natural Resources Code, we submit the annual report of the Railroad Commission of Texas showing the activities of the Liquefied Petroleum Gas Division for the fiscal year ended August 31, 1987.

The report transmitted herewith reflects the following:

Total number of licenses issued during the year 2,176.

Total license fees collected during the year \$226,162.00.

Total number of LP - gas cargo truck tanks registered during the year 3,904.

Total truck registration fees collected during the year \$467,800.00.

Total examination fees collected during the year \$146,615.00.

Total revenue collected for copies of division publications \$8,853.00.

Total revenue collected for research fees and copies of division records \$3,702.00.

Total revenue collected for seminar fees \$5,202.00.

Total revenue collected for sale of examination patches \$2,031.00.

During the year, the field staff made 13,682 safety inspections, gave 845 management examinations and 2,983 employee examinations, and traveled a total of 356,160 miles at an average car expense of \$.060 per mile.

Respectfully submitted;

JAMES E. (JIM) NUGENT, Chairman
KENT HANCE, Commissioner
JOHN SHARP, Commissioner

HONORABLE BILL CLEMENTS, GOVERNOR
STATE OF TEXAS
AUSTIN, TEXAS

LETTER OF TRANSMITTAL

Washington, D.C.

Dear Sirs: The enclosed report contains information regarding the activities of the Communist Party in the United States during the period 1945-1954.

This report is based on information furnished to the Department of State by the Central Intelligence Agency and other sources.

The information in this report is classified "Secret" and its disclosure to unauthorized persons is prohibited.

Very truly yours,
John Edgar Hoover, Director

Enclosure: Report on the Activities of the Communist Party in the United States, 1945-1954.

Very truly yours,
John Edgar Hoover, Director

Enclosure: Report on the Activities of the Communist Party in the United States, 1945-1954.

Very truly yours,
John Edgar Hoover, Director

Enclosure: Report on the Activities of the Communist Party in the United States, 1945-1954.

Very truly yours,
John Edgar Hoover, Director

RAILROAD COMMISSION OF TEXAS
LIQUEFIED PETROLEUM GAS DIVISION

SCHEDULE OF CATEGORIES AND LICENSE FEES FOR FIRST YEAR
AND RENEWAL L.P. GAS LICENSEES AS REQUIRED BY LAW

- A. MANUFACTURERS/FABRICATORS: the manufacture, fabrication, assembly, repair, installation, subframing, and sale of LPG containers, including LPG motor fuel containers and systems and the repair and installation of transportation and transfer systems; the Category "A" application and original license fee is \$500.00; the annual renewal license fee is \$300.00.
- B. TRANSPORT OUTFITTERS: the subframing and sale of LPG transport containers, the installation and sale of LPG motor fuel containers, and the installation and repair of transport and motor fuel systems: the Category "B" application and original license fee is \$100.00; the annual renewal license fee is \$50.00.
- C. CARRIERS: the transportation of LPG by transport, including the loading and unloading of LPG, and the installation and repair of transport systems; the Category "C" application and original license fee is \$500.00; the annual renewal license fee is \$150.00.
- D. GENERAL INSTALLERS & REPAIRMEN: the sale, service, and installation of containers, excluding motor fuel containers, and the service, installation, and repair of piping, certain appliances as defined by rule, and LPG systems, excluding motor fuel systems; except that the commission may, by rule, exempt journeyman and/or master plumbers duly licensed by the Texas State Board of Plumbing Examiners from this licensing requirement; the Category "D" application and original license fee is \$50.00; the annual renewal license fee is \$35.00.
- E. RETAIL AND WHOLESALE DEALERS: the storage, sale, transportation, and distribution of LPG at retail and wholesale, and all other activities included in the section except the manufacture, fabrication, assembly, repair, and subframing of LPG containers; the Category "E": application and original license fee is \$500.00; the annual renewal license fee is \$150.00.
- F. BOTTLE EXCHANGES: the operation of a bottle-filling and container exchange dealership, including bottle filling and the sale of bottled LPG; the Category "F" application and original license fee is \$50.00; the annual renewal license fee is \$25.00.
- G. SERVICE STATION: the operation of an LPG service station filling ASME containers designed for motor and mobile fuel; the Category "G" application and original license fee is \$50.00; the annual renewal license fee is \$25.00.
- H. BOTTLE DEALERS: the transportation and sale of bottled LPG; the Category "H" application and original license fee is \$500.00; the annual renewal license fee is \$150.00.
- I. SERVICE STATION AND BOTTLE EXCHANGES: any service station and bottle activity set out in Categories "F & G" of this section; the Category "I" application and original license fee is \$75.00; the annual renewal license fee is \$35.00.
- J. SERVICE STATION AND BOTTLE DEALERSHIPS: the operation of a bottle-filling and container-exchange dealership, including bottle filling and the sale, transportation, installation, and connection of bottled LPG, and the operation of an LPG service station as set out in Category "G"; the Category "J" application and original license fee is \$500.00; the annual renewal license fee is \$150.00.
- K. DISTRIBUTION SYSTEM: the sale and distribution of LPG through mains or pipes and the installation and repair of LPG systems; the Category "K" application and original license fee is \$500.00; the annual renewal license fee is \$150.00.
- L. CARBURETION: the sale and installation of LPG motor fuel containers, and the sale and installation of LPG motor fuel systems; application and original license fee is \$50.00; annual renewal license fee is \$25.00.
