

1 AN ACT

2 relating to the transfer of certain state property from the Health
3 and Human Services Commission, the Department of State Health
4 Services, or the Department of Aging and Disability Services to
5 Spindletop MHMR Services.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

7 SECTION 1. (a) Not later than May 31, 2008, the Health and
8 Human Services Commission, the Department of State Health Services,
9 or the Department of Aging and Disability Services, as appropriate,
10 may transfer to Spindletop MHMR Services all or part of the real
11 property, including the improvements affixed to the property and
12 excluding the mineral interest in and under the property, described
13 by Subsection (h) of this section.

14 (b) If the Health and Human Services Commission, the
15 Department of State Health Services, or the Department of Aging and
16 Disability Services transfers the property described by Subsection
17 (h) of this section, the transfer does not obligate Spindletop MHMR
18 Services for any debt related to the property accrued before the
19 transfer.

20 (c) Consideration for the transfer authorized by Subsection
21 (a) of this section shall be in the form of an agreement between the
22 parties that requires Spindletop MHMR Services to use the property
23 in a manner that primarily promotes a public purpose of the state by
24 using the property to provide community-based mental health or

1 mental retardation services. If Spindletop MHMR Services fails to
2 use the property in that manner for more than 180 continuous days,
3 ownership of the property automatically reverts to the entity that
4 transferred the property to Spindletop MHMR Services.

5 (d) Any restrictive conditions imposed by a deed
6 transferring the property described by Subsection (h) of this
7 section to the state recorded in the real property records of
8 Jefferson County are binding on the property transaction authorized
9 by this section.

10 (e) The Health and Human Services Commission, the
11 Department of State Health Services, or the Department of Aging and
12 Disability Services, as appropriate, shall transfer the property by
13 deed without warranties regarding covenants of title. The
14 instrument of transfer must include a provision that:

15 (1) indicates that any restrictive conditions imposed
16 by a deed described by Subsection (d) of this section are binding on
17 the property transaction described by the instrument of transfer;

18 (2) requires Spindletop MHMR Services to use the
19 property in a manner that primarily promotes a public purpose of the
20 state by using the property to provide community-based mental
21 health or mental retardation services; and

22 (3) indicates that ownership of the property
23 automatically reverts to the entity that transferred the property
24 to Spindletop MHMR Services if Spindletop MHMR Services fails to
25 use the property in a manner that complies with the conditions
26 imposed under this subsection for more than 180 continuous days.

27 (f) The state reserves:

1 (1) its interest in all oil, gas, and other minerals in
2 and under the real property described by Subsection (h) of this
3 section;

4 (2) its right to remove from the real property
5 described by Subsection (h) of this section any oil, gas, and other
6 minerals in and under the real property; and

7 (3) its right to grant leases held by the state before
8 a conveyance of real property described by Subsection (h) of this
9 section relating to the removal of oil, gas, and other minerals in
10 and under the real property.

11 (g) Sections 533.084 and 533.087, Health and Safety Code,
12 and Sections 31.1571 and 31.158, Natural Resources Code, do not
13 apply to a transfer of real property authorized by this Act.

15 section refers consists of the former site of the Beaumont State
