

1 AN ACT

2 relating to the issuance and enforcement of motor carrier  
3 overweight or oversize vehicle permits and motor carrier  
4 registrations; providing administrative penalties.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. LEGISLATIVE FINDINGS AND PURPOSE. The  
7 legislature finds that as the economy of this state continues its  
8 steady growth, significant increases in the amount of freight  
9 moving on the roadways of this state have followed suit; that the  
10 demand for oversize and overweight permits issued by the motor  
11 carrier division of the Texas Department of Transportation has long  
12 since surpassed the department's capacity to keep pace; and that  
13 the department's inability to service the needs of the trucking  
14 industry has resulted in extreme delays in the issuance of permits  
15 by the motor carrier division, which negatively impact not only the  
16 motor carriers involved but also the shipping public they serve.  
17 The purposes of this Act are to increase the fees charged for  
18 permits issued by the motor carrier division of the Texas  
19 Department of Transportation, to address enforcement efforts  
20 against violators of the motor vehicle size and weight laws of this  
21 state, and to provide a significant increase in revenue realized by  
22 this state from increased permit fees, a portion of which will be  
23 used to address the growing problem of the untimely issuance of  
24 oversize and overweight permits by retaining an increased number of

1 appropriate private sector service providers to perform necessary  
2 bridge and route inspections and a portion of which will be used to  
3 add at least 25 full-time employees to the number employed by the  
4 motor carrier division.

5 SECTION 2. Section 621.353(c), Transportation Code, is  
6 amended to read as follows:

7 (c) The comptroller shall send each fee collected under  
8 Section 623.0111 [~~623.0112~~] for an excess weight permit to the  
9 counties designated on the application for the permit, with each  
10 county shown on the application receiving an amount determined  
11 according to the ratio of the total number of miles of county roads  
12 maintained by the county to the total number of miles of county  
13 roads maintained by all of the counties designated on the  
14 application.

15 SECTION 3. Section 622.953(b), Transportation Code, is  
16 amended to read as follows:

17 (b) The overall gross weight of a single motor vehicle used  
18 to transport seed cotton or equipment used to transport or process  
19 seed cotton may not be heavier than 64,000 [~~59,400~~] pounds.

20 SECTION 4. Section 623.0111, Transportation Code, is  
21 amended by amending Subsection (a) and adding Subsection (c) to

24 623.011, the person must:

25 (1) designate in the application each county in which
