13 (c)(2)(A), or (c)(3), the total amount of payments the health care
14 provider received:

15 (A) under the Medicaid program, Medicare
16 program, Indigent Health Care and Treatment Act (Chapter 61, Health
17 and Safety Code), and Children's Health Insurance Program (CHIP);

18 (B) for professional services provided in
19 relation to a workers' compensation claim under Title 5, Labor
20 Code; and

21 (C) for professional services provided to a
22 beneficiary rendered under the TRICARE military health system; and

23 (2) the actual cost to the health care provider for any
24 uncompensated care provided, but only if the provider maintains
25 records of the uncompensated care for auditing purposes and, if the
26 provider later receives payment for all or part of that care, the
27 provider adjusts the amount excluded for the tax year in which the

1 payment is received.

2 (o) A health care provider that is a health care institution
3 shall exclude from its total revenue [~~to the extent included under~~
4 ~~Subsection (c)(1)(A), (c)(2)(A), or (c)(3),~~] 50 percent of the
5 amounts described by Subsection (n).

6 (t) The comptroller shall adopt rules as necessary to
7 accomplish the legislative intent prescribed by this section.

8 SECTION 13. Section 171.1011(1)(1), Tax Code, as effective
9 January 1, 2008, is amended to read as follows:

10 (1) "Sales commission" means:

11 (A) any form of compensation paid to a person for
12 engaging in an act for which a license is required by Chapter 1101,
13 Occupations Code; or [~~and~~]

14 (B) compensation paid to a sales representative
15 by a principal in an amount that is based on the amount or level of
16 certain orders for or sales of the principal's product and that the
17 principal is required to report on Internal Revenue Service Form
18 1099-MISC.

19 SECTION 14. Section 171.1012(a)(3)(A), Tax Code, as
20 effective January 1, 2008, is amended to read as follows:

21 (A) "Tangible personal property" means:

22 (i) personal property that can be seen,
23 weighed, measured, felt, or touched or that is perceptible to the
24 senses in any other manner;

25 (ii) films, sound recordings, videotapes,
26 live and prerecorded television and radio programs, books, and
27 other similar property embodying words, ideas, concepts, images, or

1 sound, without regard to the means or methods of distribution or the
2 medium in which the property is embodied, [~~by the creator of the~~
3 ~~property~~] for which, as costs are incurred in producing the
4 property, it is intended or is reasonably likely that any
5 [~~tangible~~] medium in which the property is embodied will be
6 mass-distributed by the creator or any one or more third parties in
7 a form that is not substantially altered; and

8 (iii) a computer program, as defined by
9 Section 151.0031.

10 SECTION 15. Section 171.1012, Tax Code, as effective
11 January 1, 2008, is amended by amending Subsections (c), (g), (h),
12 and (k) and adding Subsection (o) to read as follows:

13 (c) The cost of goods sold includes all direct costs of
14 acquiring or producing the goods, including:

15 (1) labor costs;

16 (2) cost of materials that are an integral part of
17 specific property produced;

18 (3) cost of materials that are consumed in the
19 ordinary course of performing production activities;

20 (4) handling costs, including costs attributable to
21 processing, assembling, repackaging, and inbound transportation
22 costs;

23 (5) storage costs, including the costs of carrying,
24 storing, or warehousing property, subject to Subsection (e);

25 (6) depreciation, depletion, and amortization,
26 reported on the federal income tax return on which the report under
27 this chapter is based, to the extent associated with and necessary

1 for the production of goods, including recovery described by
2 Section 197, Internal Revenue Code;

3 (7) the cost of renting or leasing equipment,
4 facilities, or real property directly used for the production of
5 the goods, including pollution control equipment and intangible
6 drilling and dry hole costs;

7 (8) the cost of repairing and maintaining equipment,
8 facilities, or real property directly used for the production of
9 the goods, including pollution control devices;

10 (9) costs attributable to research, experimental,
11 engineering, and design activities directly related to the
12 production of the goods, including all research or experimental
13 expenditures described by Section 174, Internal Revenue Code;

14 (10) geological and geophysical costs incurred to
15 identify and locate property that has the potential to produce
16 minerals;

17 (11) taxes paid in relation to acquiring or producing
18 any material, or taxes paid in relation to services that are a
19 direct cost of production;

20 (12) the cost of producing or acquiring electricity
21 sold; and

22 (13) a contribution to a partnership in which the
23 taxable entity owns an interest that is used to fund activities, the
24 costs of which would otherwise be treated as cost of goods sold of
25 the partnership, but only to the extent that those costs are related
26 to goods distributed to the taxable entity as goods-in-kind in the
27 ordinary course of production activities rather than being sold.

1 (g) A taxable entity that is allowed a subtraction by this
2 section for a cost of goods sold and that is subject to Section
3 263A, 460, or 471, Internal Revenue Code, may [~~shall~~] capitalize
4 that cost in the same manner and to the same extent that the taxable
5 entity capitalized that cost on its federal income tax return or may
6 expense those costs [~~is required or allowed to capitalize the cost~~
7 ~~under federal law and regulations~~], except for costs excluded under
8 Subsection (e), or in accordance with Subsections (c), (d), and
9 (f). If the taxable entity elects to capitalize costs, it must
10 capitalize each cost allowed under this section that it capitalized
11 on its federal income tax return. If the taxable entity later
12 elects to begin expensing a cost that may be allowed under this
13 section as a cost of goods sold, the entity may not deduct any cost
14 in ending inventory from a previous report. If the taxable entity
15 elects to expense a cost of goods sold that may be allowed under
16 this section, a cost incurred before the first day of the period on
17 which the report is based may not be subtracted as a cost of goods
18 sold. If the taxable entity elects to expense a cost of goods sold
19 and later elects to capitalize that cost of goods sold, a cost
20 expensed on a previous report may not be capitalized.

21 (h) A taxable entity shall determine its cost of goods sold,
22 except as otherwise provided by this section, in accordance with
23 the methods used on the federal income tax return on which the
24 report under this chapter is based [~~permitted by federal statutes~~
25 ~~and regulations~~]. This subsection does not affect the type or
26 category of cost of goods sold that may be subtracted under this
27 section.

1 (k) Notwithstanding any other provision of this section, if
2 the taxable entity is a lending institution that offers loans to the
3 public and elects to subtract cost of goods sold, the entity, other
4 than an entity primarily engaged in an activity described by
5 category 5932 of the 1987 Standard Industrial Classification Manual
6 published by the federal Office of Management and Budget, may
7 subtract as a cost of goods sold an amount equal to interest
8 expense. For purposes of this subsection, an entity engaged in
9 lending to unrelated parties solely for agricultural production
10 offers loans to the public.

11 (o) If a taxable entity, including a taxable entity with
12 respect to which cost of goods sold is determined pursuant to
13 Section 171.1014(e)(1), whose principal business activity is film
14 or television production or broadcasting or the distribution of
15 tangible personal property described by Subsection (a)(3)(A)(ii),
16 or any combination of these activities, elects to subtract cost of
17 goods sold, the cost of goods sold for the taxable entity shall be
18 the costs described in this section in relation to the property and
19 include depreciation, amortization, and other expenses directly
20 related to the acquisition, production, or use of the property,
21 including expenses for the right to broadcast or use the property.

22 SECTION 16. Section 171.1013, Tax Code, as effective
23 January 1, 2008, is amended by amending Subsections (a), (b), and
24 (c) and adding Subsection (b-1) to read as follows:

25 (a) Except as otherwise provided by this section, "wages and
26 cash compensation" means the amount entered in the Medicare wages
27 and tips box of Internal Revenue Service Form W-2 or any subsequent

1 form with a different number or designation that substantially
2 provides the same information. The term also includes, to the
3 extent not included above:

4 (1) net distributive income from a taxable entity
5 treated as a partnership [~~partnerships and from trusts and limited~~
6 ~~liability companies treated as partnerships~~] for federal income tax
7 purposes, but only if the person receiving the distribution is a
8 natural person;

9 (2) net distributive income from limited liability
10 companies and corporations treated as S corporations for federal
11 income tax purposes, but only if the person receiving the
12 distribution is a natural person; [~~and~~]

13 (3) stock awards and stock options deducted for
14 federal income tax purposes; and

15 (4) net distributive income from a limited liability
16 company treated as a sole proprietorship for federal income tax
17 purposes, but only if the person receiving the distribution is a
18 natural person.

19 (b) Subject to Section 171.1014, a taxable entity that
20 elects to subtract compensation for the purpose of computing its
21 taxable margin under Section 171.101 may subtract an amount equal
22 to:

23 (1) subject to the limitation in Subsection (c), all
24 wages and cash compensation paid by the taxable entity to its
25 officers, directors, owners, partners, and employees; and

26 (2) the cost of all benefits, to the extent deductible
27 for federal income tax purposes, the taxable entity provides to its

1 officers, directors, owners, partners, and employees, including
2 workers' compensation benefits, health care, employer
3 contributions made to employees' health savings accounts, and
4 retirement [~~to the extent deductible for federal income tax~~
5 ~~purposes~~].

6 (b-1) This subsection applies to a taxable entity that is a
7 small employer, as that term is defined by Section 1501.002,
8 Insurance Code, and that has not provided health care benefits to
9 any of its employees in the calendar year preceding the beginning
10 date of its reporting period. Subject to Section 171.1014, a
11 taxable entity to which this subsection applies that elects to
12 subtract compensation for the purpose of computing its taxable
13 margin under Section 171.101 may subtract health care benefits as
14 provided under Subsection (b) and may also subtract:

15 (1) for the first 12-month period on which margin is
16 based and in which the taxable entity provides health care benefits
17 to all of its employees, an additional amount equal to 50 percent of
18 the cost of health care benefits provided to its employees for that
19 period; and

20 (2) for the second 12-month period on which margin is
21 based and in which the taxable entity provides health care benefits
22 to all of its employees, an additional amount equal to 25 percent of
23 the cost of health care benefits provided to its employees for that
24 period.

25 (c) Notwithstanding the actual amount of wages and cash
26 compensation paid by a taxable entity to its officers, directors,
27 owners, partners, and employees, a taxable entity may not include

1 more than \$300,000, or the amount determined under Section 171.006,
2 per 12-month period on which margin is based, for any person in the
3 amount of wages and cash compensation it determines under this
4 section [~~Section 171.101~~]. If a person is paid by more than one
5 entity of a combined group, the combined group may not subtract in
6 relation to that person a total of more than \$300,000, or the amount
7 determined under Section 171.006, per 12-month period on which
8 margin is based.

9 SECTION 17. Section 171.1014, Tax Code, as effective
10 January 1, 2008, is amended by amending Subsections (b), (d), and
11 (f) and adding Subsections (d-1), (h), and (i) to read as follows:

12 (b) The combined group is a single taxable entity for
13 purposes of the application of the tax imposed under this chapter,
14 including Section 171.002(d).

15 (d) For purposes of Section 171.101, a combined group shall
16 make an election to subtract either cost of goods sold or
17 compensation that applies to all of its members. Regardless of the
18 election, the taxable margin of the combined group may not exceed 70
19 percent of the combined group's total revenue from its entire
20 business, as provided by Section 171.101(a)(1)(A).

21 (d-1) A member of a combined group may claim as cost of goods
22 sold those costs that qualify under Section 171.1012 if the goods
23 for which the costs are incurred are owned by another member of the
24 combined group.

25 (f) For purposes of Section 171.101, a combined group that
26 elects to subtract compensation shall determine that amount by:

27 (1) determining the compensation for each of its

1 members as provided by Section 171.1013 as if each member were an
2 individual taxable entity, subject to the limitation prescribed by
3 Section 171.1013(c);

4 (2) adding the amounts of compensation determined
5 under Subdivision (1) together; and

6 (3) subtracting from the amount determined under
7 Subdivision (2) any compensation amounts paid from one member of
8 the combined group to another member of the combined group, but only
9 to the extent the corresponding item of total revenue was
10 subtracted under Subsection (c)(3).

11 (h) Each taxable entity that is part of a combined group
12 report shall, for purposes of determining margin and apportionment,
13 include its activities for the same period used by the combined
14 group.

15 (i) Each member of the combined group shall be jointly and
16 severally liable for the tax of the combined group.

17 SECTION 18. Section 171.1015, Tax Code, as effective
18 January 1, 2008, is amended to read as follows:

19 Sec. 171.1015. REPORTING FOR CERTAIN PARTNERSHIPS IN TIERED
20 PARTNERSHIP ARRANGEMENT. (a) In this section, "tiered partnership
21 arrangement" means an ownership structure in which any [~~all~~] of the
22 interests in one taxable entity treated as a partnership or
23 [~~partnership, trust, or limited liability company that is treated~~
24 ~~for federal income taxes as a partnership or a limited liability~~
25 ~~company treated as~~] an S corporation for federal income tax
26 purposes (a "lower tier entity" [~~an "upper tier partnership"~~]) are
27 owned by one or more other taxable entities (an "upper [~~a "lower~~]

1 tier entity"). A tiered partnership arrangement may have two or
2 more tiers.

3 (b) In addition to the tax it is required to pay under this
4 chapter on its own taxable margin, a taxable entity that is an upper
5 ~~[a lower]~~ tier entity may include, for purposes of calculating its
6 own taxable margin, the total revenue ~~[pay the tax on the taxable~~
7 ~~margin]~~ of a lower tier entity ~~[higher tier partnership]~~ if the
8 lower tier entity ~~[higher tier partnership]~~ submits a report to the
9 comptroller showing the amount of total revenue ~~[taxable margin]~~
10 that each upper ~~[lower]~~ tier entity that owns it should include
11 within the upper ~~[lower]~~ tier entity's own taxable margin
12 calculation, according to the ownership ~~[profits]~~ interest of the
13 upper ~~[lower]~~ tier entity. ~~[An upper tier partnership is not~~
14 ~~required to pay tax under this chapter on any taxable margin~~
15 ~~reported under this section.]~~

16 (c) This section does not apply to that percentage of the
17 total revenue ~~[taxable margin]~~ attributable to an upper ~~[a lower]~~
18 tier entity by a lower tier entity ~~[an upper tier partnership]~~ if
19 the upper ~~[lower]~~ tier entity is not subject to the tax under this
20 chapter. In this case, the lower tier entity ~~[higher tier~~
21 ~~partnership]~~ is liable for the tax on its taxable margin.

22 (d) Section 171.002(d) does not apply to an upper tier
23 entity if, before the attribution of any total revenue by a lower
24 tier entity to an upper tier entity under this section, the lower
25 tier entity does not meet the criteria of Section 171.002(d)(1) or
26 (d)(2).

27 (e) The comptroller shall adopt rules to administer this

1 section.

2 SECTION 19. Subchapter A, Chapter 171, Tax Code, is amended
3 by adding Section 171.1016 to read as follows:

4 Sec. 171.1016. E-Z COMPUTATION AND RATE. (a)

5 Notwithstanding any other provision of this chapter, a taxable
6 entity whose total revenue from its entire business is not more than
7 \$10 million may elect to pay the tax imposed under this chapter in
8 the amount computed and at the rate provided by this section rather
9 than in the amount computed and at the tax rate provided by Section
10 171.002.

11 (b) The amount of the tax for which a taxable entity that
12 elects to pay the tax as provided by this section is liable is
13 computed by:

14 (1) determining the taxable entity's total revenue
15 from its entire business, as determined under Section 171.1011;

16 (2) apportioning the amount computed under
17 Subdivision (1) to this state, as provided by Section 171.106, to
18 determine the taxable entity's apportioned total revenue; and

19 (3) multiplying the amount computed under Subdivision
20 (2) by the rate of 0.575 percent.

21 (c) A taxable entity that elects to pay the tax as provided
22 by this section may not take a credit, deduction, or other
23 adjustment that is not specifically authorized by this section.

24 (d) Section 171.0021 applies to a taxable entity that elects
25 to pay the tax as provided by this section.

26 (e) A reference in this chapter or other law to the rate of
27 the franchise tax means, as appropriate, the rate under Section

1 171.002 or, for a taxable entity that elects to pay the tax as
2 provided by this section, the rate under this section.

3 SECTION 20. Section 171.103, Tax Code, as effective January
4 1, 2008, is amended by adding Subsections (c) and (d) to read as
5 follows:

6 (c) A taxable entity that is a combined group shall include
7 in a report filed under Section 171.201 or 171.202, for each member
8 of the combined group that does not have nexus with this state for
9 the purpose of taxation:

10 (1) the gross receipts computed under Subsection (a);
11 and

12 (2) the gross receipts computed under Subsection (a)
13 that are subject to taxation in another state under a throwback law
14 or regulation.

15 (d) The information required by Subsection (c) may be used
16 for informational purposes only. The comptroller shall adopt rules
17 as necessary to enforce the reporting requirement prescribed by
18 Subsection (c).

19 SECTION 21. Section 171.1055(b), Tax Code, as effective
20 January 1, 2008, is amended to read as follows:

21 (b) In apportioning margin, receipts derived from
22 transactions between individual members of a combined group that
23 are excluded under Section 171.1014(c)(3) may not be included in
24 the receipts of the taxable entity from its business done in this
25 state as determined under Section 171.103, except that receipts
26 ultimately derived from the sale of tangible personal property
27 between individual members of a combined group where one member

1 party to the transaction does not have nexus in this state shall be
2 included in the receipts of the taxable entity from its business
3 done in this state as determined under Section 171.103 to the extent
4 that the member of the combined group that does not have nexus in
5 this state resells the tangible personal property without
6 substantial modification to a purchaser in this state. "Receipts
7 ultimately derived from the sale" means the amount paid for the
8 tangible personal property by the third party purchaser.

9 SECTION 22. Section 171.106, Tax Code, as effective January
10 1, 2008, is amended by adding Subsection (f) to read as follows:

11 (f) Notwithstanding Section 171.1055, if a loan or security
12 is treated as inventory of the seller for federal income tax
13 purposes, the gross proceeds of the sale of that loan or security
14 are considered gross receipts.

15 SECTION 23. Section 171.111, Tax Code, as effective January
16 1, 2008, is amended to read as follows:

17 Sec. 171.111. TEMPORARY CREDIT ON TAXABLE MARGIN. (a) On
18 the first report originally due under this chapter on or after
19 January 1, 2008, [~~Not later than March 1, 2007,~~] a taxable entity
20 must [~~may~~] notify the comptroller in writing of its intent to
21 [~~preserve its right to~~] take a credit in an amount allowed by this
22 section on the tax due on taxable margin. The taxable entity may
23 thereafter elect to claim the credit for the current year and future
24 year at or before the original due date of any report due after
25 January 1, 2008 [~~2007~~], until the taxable entity revokes the
26 election or this section expires, whichever is earlier. A taxable
27 entity may claim the credit for not more than 20 consecutive

1 privilege periods beginning with the first report originally due
2 under this chapter on or after January 1, 2008 [2007]. A taxable
3 entity may make only one election under this section and the
4 election may not be conveyed, assigned, or transferred to another
5 entity.

6 (b) The credit allowed under this section for any privilege
7 period is computed by:

8 (1) determining the amount of the business loss
9 carryforwards of the taxable entity under Section 171.110(e), as
10 that section applied to annual reports originally due before
11 January 1, 2008, that were not exhausted on a report originally due
12 under this chapter before January 1, 2008~~[, as of the end of the~~
13 ~~taxable entity's accounting year ending in 2006, of the difference~~
14 ~~between (i) the taxable entity's deductible temporary differences~~
15 ~~and net operating loss carryforwards, net of related valuation~~
16 ~~allowance amounts, shown on the taxable entity's books and records~~
17 ~~on the last day of its taxable year ending in 2006, and (ii) the~~
18 ~~taxable entity's taxable temporary differences as shown on those~~
19 ~~books and records on that date. The amount of other net deferred~~
20 ~~tax items may be less than zero. For the purpose of computing the~~
21 ~~amount of the taxable entity's other net deferred tax items, any~~
22 ~~credit carryforward allowed under this chapter shall be excluded~~
23 ~~from the amount of deductible temporary differences to the extent~~
24 ~~such credit carryforward amount, net of any related valuation~~
25 ~~allowance amount, is otherwise included in the taxable entity's~~
26 ~~deductible temporary differences, net of related valuation~~
27 ~~allowance amounts, shown on the taxable entity's books and records~~

1 ~~on the last day of the taxable entity's taxable year ending in~~
2 ~~2006];~~

3 (2) ~~[apportioning the amount determined under~~
4 ~~Subdivision (1) to this state in the same manner taxable margin is~~
5 ~~apportioned under Section 171.106 on the first report due on or~~
6 ~~after January 1, 2007,~~

7 ~~[(3)]~~ multiplying the amount determined under
8 Subdivision (1) ~~[(2)]~~ by:

9 (A) 2.25 ~~[10]~~ percent for reports originally due
10 on or after January 1, 2008, and before January 1, 2018; and

11 (B) 7.75 percent for reports originally due on or
12 after January 1, 2018, and before September 1, 2027; and

13 (3) ~~[(4)]~~ multiplying the amount determined under
14 Subdivision (2) ~~[(3)]~~ by 4.5 percent ~~[the tax rate prescribed by~~
15 ~~Section 171.002(a)(2)].~~

16 (c) ~~[A taxable entity that notifies the comptroller of its~~
17 ~~intent to preserve its right to take a credit allowed by this~~
18 ~~section shall submit with its notice of intent a statement of the~~
19 ~~amount determined under Subsection (b)(1).]~~ The comptroller may
20 request that the taxable entity submit, with each ~~[in the]~~ annual
21 report ~~[for each succeeding privilege period]~~ in which the taxable
22 entity is eligible to take a credit, information relating to the
23 amount determined under Subsection (b)(1). The taxable entity
24 shall submit in the form and content the comptroller requires any
25 information relating to ~~[the assets and liabilities that determine~~
26 ~~the amount of the credit,~~] the amount determined under Subsection
27 (b)(1) ~~[7]~~ or any other matter relevant to the computation of the

1 credit for which the taxable entity is eligible.

2 (d) A credit that a taxable entity is entitled to under this
3 section may [~~does~~] not be conveyed [~~convey~~], [~~and may not be~~]
4 assigned, or transferred [~~, in relation to a transaction in which~~
5 ~~the taxable entity is purchased by another entity~~]. A taxable
6 entity loses the right to claim the credit if the entity changes
7 combined groups after June 30, 2007.

8 (d-1) A taxable entity, other than a combined group, may not
9 claim the credit under this section unless the taxable entity was,
10 on May 1, 2006, subject to the tax imposed by this chapter as this
11 chapter existed on that date. A taxable entity that is a combined
12 group may claim the credit for each member entity that was, on May
13 1, 2006, subject to the tax imposed by this chapter as this chapter
14 existed on that date and shall compute the amount of the credit for
15 that member as provided by this section.

16 (d-2) The amount of credit claimed, including any unused
17 credit carried forward, may not exceed the amount of franchise tax
18 due for the report. Unused credits may not be carried forward to
19 reports originally due on or after September 1, 2027.

20 (e) This section expires September 1, 2027 [~~2026~~].

21 SECTION 24. Section 171.1121(b), Tax Code, as effective
22 January 1, 2008, is amended to read as follows:

23 (b) Except as otherwise provided by this section, a taxable
24 entity shall use the same accounting methods to apportion margin as
25 used in computing margin [~~reportable federal taxable income~~].

26 SECTION 25. Section 171.1532(b), Tax Code, as effective
27 January 1, 2008, is amended to read as follows:

1 (b) The tax covering the regular annual period, other than a
2 regular annual period included on the initial report, is based on
3 the business done by the taxable entity during the period beginning
4 with the day after the last date upon which taxable margin or net
5 taxable earned surplus on a previous report was based and ending
6 with its last accounting period ending date for federal income tax
7 purposes in the year before the year in which the report is
8 originally due.

9 SECTION 26. Section 171.201(a), Tax Code, as effective
10 January 1, 2008, is amended to read as follows:
