16 Section 26.0031 to read as follows:

17 Sec. 26.0031. RIGHTS CONCERNING STATE VIRTUAL SCHOOL
18 NETWORK. (a) At the time and in the manner that a school district
19 or open-enrollment charter school informs students and parents
20 about courses that are offered in the district's or school's
21 traditional classroom setting, the district or school shall notify
22 parents and students of the option to enroll in an electronic course
23 offered through the state virtual school network under Chapter 30A.

24 (b) A school district or open-enrollment charter school in

1 school network under Chapter 30A.

2 (c) For purposes of Subsection (b), a school district or
3 open-enrollment charter school is not considered to have
4 unreasonably denied a request to enroll a student in an electronic

10 setting;

11 (2) a student attempts to enroll in a course load that:

12 (A) is inconsistent with the student's high

18 electronic course at a time that is not consistent with the
19 enrollment period established by the school district or

25 student in the course under special circumstances.

26 (e) A parent may appeal to the commissioner a school
27 district's or open-enrollment charter school's decision to deny a

1 request to enroll a student in an electronic course offered through
2 the state virtual school network. The commissioner's decision
3 under this subsection is final and may not be appealed.

4 SECTION 3. (a) Subject to Subsection (b) of this section,
5 the commissioner of education shall ensure that the state virtual
6 school network under Chapter 30A, Education Code, as added by this
7 Act, begins operations in a manner that allows students to enroll in
8 electronic courses offered through the network beginning with the

10 (b) The state virtual school network under Chapter 30A,
11 Education Code, as added by this Act, shall provide electronic
