

A Bibliography of Texas Military History

(This bibliography is a much-expanded version of the one in the book *A Military History of Texas* by Loyd Uglow. The Bibliography is divided by chapter/time period, and between books and articles. A few useful websites dealing with various aspects of Texas military history are listed at the end of this bibliography. My apologies for all works that I have missed. I intend to update this bibliography periodically, adding new works on the subject or ones that I missed including in the original.)

A Brief Introduction

- Alexander, Thomas E., and Dan K. Utley. *Echoes of Glory: Historic Military Sites across Texas*. College Station: Texas A&M Press, 2016.
