11 of 1958 and subsequent federal legislation.

12 (b) No person may operate or give permission for the
13 operation of any vessel or may dock, moor, or store a vessel owned
14 by the person on the water of this state unless:

22 SECTION 4. Section 31.032, Parks and Wildlife Code, is
23 amended to read as follows:

24 Sec. 31.032. NUMBERING ON BOW. (a) The owner of a vessel
25 shall paint on or attach to each side of the vessel near the bow the

9 this state may use the [obtain-a] dealer's, distributor's, or [and]
10 manufacturer's number for vessels the dealer, distributor, or
11 manufacturer wishes to show, demonstrate, or test on the water of
12 this state instead of securing a certificate of number for each
13 vessel. The number shall be attached to any vessel that the dealer,
14 distributor, or manufacturer sends temporarily on the water. For
15 purposes of this subsection, "show, demonstrate, or test" does not
16 include the use of a vessel for recreational purposes or for
17 participation in a contest or event.

8 dealer's, distributor's, or [and] manufacturer's license [~~number~~]
9 may issue a reasonable temporary facsimile of the number issued
10 under Subsection (c), which may be used by any authorized person. A
11 person purchasing a vessel may use the dealer's number for a period
12 not to exceed 15 days prior to filing an application for a
13 certificate of number. The form of the facsimile and the manner of
14 display of the number shall be prescribed by the department.

15 (g) [~~d~~] A dealer, distributor, or manufacturer holding a
16 dealer's, distributor's, or [and] manufacturer's license [~~number~~]
17 may transfer a certificate of number or a certificate of title to a
18 vessel or outboard motor without securing a certificate of number
19 or certificate of title in the dealer's, distributor's, or

21 normal course of the dealer's, distributor's, or manufacturer's
22 business. [~~Any other person transferring a vessel or outboard~~
