5 SECTION 5. FINDINGS RELATING TO BOUNDARIES. The boundaries  
6 and field notes of the district form a closure. A mistake in the  
7 field notes or in copying the field notes in the legislative process  
8 does not in any way affect the district's:

- 9 (1) organization, existence, or validity;
- 10 (2) right to issue any type of bond for the purposes  
11 for which the district is created or to pay the principal of and  
12 interest on a bond;
- 13 (3) right to impose or collect an assessment or tax; or
- 14 (4) legality or operation.

15 SECTION 6. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a) The  
16 district is created to serve a public use and benefit.

17 (b) All land and other property included in the district  
18 will benefit from the improvements and services to be provided by  
19 the district under powers conferred by Sections 52 and 52-a,  
20 Article III, and Section 59, Article XVI, Texas Constitution, and  
21 other powers granted under this Act.

22 (c) The creation of the district is in the public interest  
23 and is essential to:

- 24 (1) further the public purposes of the development and  
25 diversification of the economy of the state;
- 26 (2) eliminate unemployment and underemployment; and
- 27 (3) develop or expand transportation and commerce.

1 (d) The present and prospective traffic congestion in the  
2 district and the safety of pedestrians and the limited availability  
3 of funds require the promotion and development of public  
4 transportation and pedestrian facilities and systems, and the  
5 district will serve the public purpose of securing expanded and  
6 improved transportation and pedestrian facilities and systems.

7 (e) The district will:

8 (1) promote the health, safety, and general welfare of  
9 residents, employers, employees, visitors, and consumers in the  
10 district and of the public;

11 (2) provide needed funding to preserve, maintain, and  
12 enhance the economic health and vitality of the district as a  
13 community; and

14 (3) promote the health, safety, welfare, and enjoyment  
15 of the public by providing pedestrian ways and by landscaping and  
16 developing certain areas in the district, which are necessary for  
17 the restoration, preservation, and enhancement of scenic beauty.

18 (f) Pedestrian ways along or across a street, whether at  
19 grade or above or below the surface, and street lighting, street  
20 landscaping, and street art objects are parts of and necessary  
21 components of a street and are considered to be a street or road  
22 improvement.

23 (g) The district will not act as the agent or  
24 instrumentality of any private interest even though the district  
25 will benefit many private interests as well as the public.

26 SECTION 7. APPLICATION OF OTHER LAW. Chapter 311,  
27 Government Code (Code Construction Act), applies to this Act.

1 SECTION 8. CONSTRUCTION OF ACT. (a) This Act shall be  
2 liberally construed in conformity with the findings and purposes  
3 set forth in this Act.

4 (b) If any provision of the general law conflicts with this  
5 Act, this Act prevails.

6 SECTION 9. BOARD OF DIRECTORS; TERMS. (a) The district is  
7 governed by a board of five elected directors who serve staggered  
8 terms of four years.

9 (b) Elections for directors shall be held on the uniform  
10 election date in May in even-numbered years.

11 SECTION 10. QUALIFICATIONS. (a) A person must meet the  
12 qualifications of Section 375.063, Local Government Code, to serve  
13 as a director of the district.

14 (b) Section 49.052, Water Code, does not apply to directors  
15 of the district.

16 SECTION 11. POWERS OF DISTRICT. The district has all powers  
17 and authority provided by the general laws on road districts and  
18 road utility districts created under Section 52, Article III, Texas  
19 Constitution, and conservation and reclamation districts and  
20 municipal management districts created under Section 59, Article  
21 XVI, Texas Constitution, including:

- 24 (3) Chapters 54 and 49, Water Code.

25 SECTION 12. AGREEMENTS; GRANTS. (a) The district may make  
26 an agreement with or accept a gift, grant, or loan from any person.

27 (b) The implementation of a project is a governmental

1 function or service for the purposes of Chapter 791, Government  
2 Code.

3 SECTION 13. LAW ENFORCEMENT SERVICES. To protect the  
4 public interest, the district may contract with a municipality or  
5 county to provide law enforcement services in the district for a  
6 fee.

7 SECTION 14. AUTHORITY TO IMPOSE AD VALOREM TAXES,  
8 ASSESSMENTS, AND IMPACT FEES. The district may impose an ad valorem  
9 tax, assessment, or impact fee and use the proceeds of the tax,  
10 assessment, or impact fee for any district purpose, including the  
11 payment of debt or other contractual obligations, or the payment of  
12 maintenance and operating expenses. The district may not impose an  
13 impact fee or assessment on the property, equipment, rights of way,  
14 facilities, or improvements of an electric utility or a power  
15 generation company as defined by Section 31.002, Utilities Code, a  
16 gas utility as defined by Section 101.003 or 121.001, Utilities  
17 Code, a telecommunications provider as defined by Section 51.002,  
18 Utilities Code, or a cable operator as defined in 47 U.S.C. Section  
19 522, as amended.

20 SECTION 15. ELECTIONS REGARDING TAXES OR BONDS. (a) The  
21 district must hold an election in the manner provided by Chapters 54  
22 and 49, Water Code, to obtain voter approval before the district may  
23 impose a maintenance tax or issue bonds payable from ad valorem  
24 taxes.

25 (b) The board may include more than one purpose in a single  
26 proposition at an election.

27 SECTION 16. MAINTENANCE TAX. (a) The district may impose

1 an annual ad valorem tax on taxable property in the district for any  
2 district purpose, including to:

3 (1) maintain and operate the district and the  
4 improvements constructed or acquired by the district; or

5 (2) provide a service.

6 (b) The board shall determine the tax rate.

7 SECTION 17. ASSESSMENTS; PETITION REQUIRED FOR FINANCING  
8 SERVICES AND IMPROVEMENTS. (a) The board by resolution may impose  
9 and collect an assessment for any purpose authorized by this Act.

10 (b) The board may not finance a service or improvement  
11 project through an assessment under this Act unless a written  
12 petition requesting that service or improvement has been filed with  
13 the board. The petition must be signed by:

14 (1) the owners of a majority of the assessed value of  
15 real property in the district that will be subject to the assessment  
16 according to the most recent certified tax appraisal roll for the  
17 county in which the property is located; or

18 (2) at least 25 owners of land in the district that  
19 will be subject to the assessment, if more than 25 persons own land  
20 in the district that will be subject to the assessment according to

22 the property is located.

5 taxes; and

6           (3) are the personal liability of and charge against  
7 the owners of the property even if the owners are not named in the  
8 assessment proceeding.

9           (d) The lien is effective from the date of the board's  
10 resolution imposing the assessment until the date the assessment is  
11 paid. The board may enforce the lien in the same manner that the  
12 board may enforce an ad valorem tax lien against real property.

13           SECTION 18. OBLIGATIONS. (a) The district may issue bonds  
14 or other obligations payable in whole or in part from ad valorem
