7 or impairs the ability of the district to issue bonds, the
8 municipality shall:

9 (1) simultaneously with the annexation, pay in cash to
10 the landowner or developer of the district a sum equal to all actual
11 costs and expenses incurred by the landowner or developer in
12 connection with the district that the district has, in writing,
13 agreed to pay and that would otherwise have been eligible for
14 reimbursement from bond proceeds under the rules and requirements
15 of the commission as such rules and requirements exist on the date
16 of annexation; and

17 (2) after the annexation, install all necessary water,
18 wastewater, and drainage facilities to serve full buildout of
19 development within the district.
