## Travel Trivia

It's time again for the "end of year" sale. The 1998-99 *Texas State Travel Directory* is available at the reduced price of \$2.50 each for the rest of this fiscal year. Information on ordering next year's directory will go out to state agency travel coordinators in July.

**NEW HOTEL** contracts for next fiscal year were sent out this month. If any of you know of properties that have not been on contract, but you would like them to be, have them call us before May 20 to receive a contract. The hotel contracts listed in the *Travel Directory* and in this newsletter are valid through August 31, 1999.

**AN RFP FOR** airline contracts for next fiscal year has gone out, and an RFP for a new charge card contract will go out in the next few weeks. And, coincidentally, most of the travel agency contracts are up for renewal right now.

**AS ALWAYS**, if you have a problem with a contract travel vendor, LET US KNOW ABOUT IT. Be sure to get the name or agent number of the vendor representative you dealt with, along with any other detailed information. That way, we can make sure the correct person gets the corrective information or training. You can contact us by phone, fax, e-mail, or letter . . . OR . . .

**ON OUR new Incident/Vendor Feedback Form** that is now on our web page, ready to use. Just go to our site (address below) and enter your complaint or compliment on the contracted vendor, then check the "Submit" button and the completed form will automatically be sent to the STMP.

## Rental Car News

Depository  
Dallas Public Library

### ***New Customer Service Contacts***

Effective March 15, **Dollar Rent A Car** has a new customer service rep. Ms. Shannah Beasley replaced Christine Winston. Shannah's phone number is 800-800-5252, option 4, ext. 3246, fax 918-669-3009.

Effective April 1, **Enterprise Rent-A-Car** has a new customer service rep. Mr. D.J. Prohaska replaced Stacey Poston in this position. The phone numbers remain the same: 800-250-4501 and 512-912-0332, fax 512-912-9381.

### ***Reminders***

**TAXES:** When paying for a rental car with a charge card—even a state-issued one—you must pay all taxes. This is the ruling of the tax attorneys at the Office of the Comptroller. If the rental is being direct-billed to a state agency or university, it is exempt from all taxes except the "Prop., Title, Reg." fee/tax. (Name may vary.) Airport access/concession fees are not taxes and do not follow these guidelines and vary from vendor to vendor, depending on the contract. Specifics on these fees have been disseminated to state agency and university travel coordinators.

**BILLING:** Some state agencies allow vehicle rentals to be billed directly to the agency and some do not. Some state agencies allow direct-billing only with a "one trip" voucher. The contract rental car companies should have these specifics in their systems. Travelers, please do not ask them to bill rentals in a way that is not specified by your state agency. It will just have to be re-billed correctly later—which is time-consuming for all involved. When the preferred

*(Continued on next page.)*

(Continued from page 1.)

procedures are followed up front, your rental process will go much more smoothly. If you don't know what the preferred procedures are for your state agency, call your travel coordinator. If you don't know who your agency travel coordinator is, call our office and we will be happy to give you the information.

**PARTICIPATING LOCATIONS:** Remember, outside Texas, only 15 **Enterprise** locations participate in the State of Texas contract. Those 15 locations charge an additional \$20 per day for contract rentals. All other non-Texas Enterprise locations will charge you the "going rate" and there will be no insurances or mileage perks included in the rental.

**CHECK WITH COMPTROLLER:** If you have any vendor card that is linked to frequent flyer perks, you may be charged a fee for it. Please check with the Office of the Comptroller about the reimbursability of these charges.

### **Change in Policy**

**Travelers, please note:** Under the new **Advantage** contract, effective January 1, you must rent for SIX (6) days before getting one free day. (This is a change from the previous contracts.)

Remember, too, on all of the rental car contracts, the free day(s) comes **after** the required paid days. The Comptroller will not reimburse for a personal use day before or between business travel days.

If you have any questions on any of these points, call our office.

## Web Page

State contract base airfares are now on the STMP web page. The base airfares listed **do not** include federal taxes and segment fees.

## Update on Travel Agencies

**T**he **Travel Depot** in Huntsville has gone out of business. If your state agency has been using them to book travel, your agency will have to select another contract travel agency.

**All Seasons Travel Group** in Houston has chosen not to renew the contract with the State. After May 24, 1999, any state agency that has been using them will have to select another contract travel agency.

## Matched Fares/Rates

**T**he State Travel Management Program (STMP) has been made aware that a non-contract rental car company is contacting state agencies with an offer of discounted rental rates available only to state agencies and universities. Should you receive a communication from any non-contract vendor offering such discounted rates, please contact our office immediately. Under the rules of the Travel Program, use of a non-contract vendor is allowed **ONLY** if no contract vendor is available or a non-contract vendor offers a **lower total cost that is available to the general public.**

**BASED ON THE** information the STMP has received to date, neither the discounted non-contract rental car rates nor the non-contract airline fares being offered only to state and university travelers are valid, reimbursable exceptions.

**PLEASE HELP** us maintain good working relationships with our contracted vendors by always using their contract fares and rates unless one of the allowable exceptions legitimately exists (pages 8 & 9 in the *Travel Directory*).
