## TEXAS VITAL STATISTICS LAW

**THE LOCAL REGISTRAR.** The Justice of the Peace in the precinct and the City Clerk or Secretary in the city of 2,500 or more is the Local Registrar of births and deaths. These officials shall secure a complete record of each birth and death that occurs within their jurisdiction. (Rule 36a.) Each Local Registrar is charged with the strict and thorough enforcement of this law in his registration district. He shall report to the State Registrar any violation of this law coming to his knowledge. (Rule 55a.) He shall select a Deputy-Registrar so that a Registrar may be available at all times for registration, but all reports shall be signed by the Registrar. (Rule 37a.) He shall supply blanks to such persons as require them. He shall carefully examine each certificate when presented for record. If a certificate of death is incomplete or unsatisfactory, he shall call attention to the defects, and withhold the permit until such defects are corrected. When the certificate of death is completed, he shall issue the permit. If a certificate of birth is incomplete, the Registrar shall notify the informant, and require him to supply the necessary information. He shall sign the certificate as Registrar, with the date of filing in his office. He forwards on or before the 10th day of each month to the State Bureau, the original certificates registered by him during the preceding month. (Rule 52a.) All Registrars shall file with the Commissioners' Court or the County Auditor a true and accurate copy of each certificate filed with them. (Rule 53a, Art. 4477, R. C. S.)

**BIRTH REGISTRATION.** The birth of each and every child born in this State shall be registered. (Rule 45a.) Within five days after birth, there shall be filed with the Registrar of the district in which the birth occurred, a certificate of such birth. A physician, midwife, or person acting as a midwife in attendance upon the birth shall file the certificate of birth. Where no physician or midwife is present at the birth, it shall be the duty of the father or mother to report to the Registrar the fact of such birth. (Rule 46a, Art. 4477, R. C. S.)

**DEATH REGISTRATION.** The body of any person whose death occurs in this State shall not be interred or otherwise disposed of, or removed from or into any registration district unless a permit for burial, removal or other disposition thereof shall have been properly issued by the Local Registrar. (Rule 38a.) Any person who wishes to bury a dead body shall file the certificate of death with, and obtain a permit from the Registrar of the district in which the death occurred. (Rule 42a, Art. 4477, R. C. S.)

**PENALTIES.** Any person who:

- (a) Shall inter or otherwise dispose of the dead body of a human being, or shall remove a body from the registration district in which the death occurred or the body was found, without the authority of a permit issued by the Registrar of the district in which the death occurred or in which the body was found; or
