INTRODUCTION

These indexes provide access to cases decided by the Supreme Court between September 1989 and August 1990. Each case is indexed separately by petitioner's name, respondent's name, appeal citation, and Supreme Court docket number.

Each case is represented by a docket which contains all documents filed in the case except the trial transcript. The dockets of Supreme Court cases have been reproduced on microfiche by the Texas State Library since 1983, and are available at the following Texas libraries:
