(2) the name of the proposed district;

(3) the proposed district's boundaries as designated by metes and bounds or other sufficient legal description;

(5) that the creation of the proposed district complies with Sections 775.020 and 775.0205; ~~[and]~~

(6) the mailing address of each petitioner; and

(7) ~~[(6)]~~ the name of each municipality whose consent must be obtained under Section 775.014.

SECTION 2. Subsection (a), Section 775.022, Health and Safety Code, is amended to read as follows:

1. (a) If a municipality completes all other procedures  
2 necessary to annex [~~annexes~~] territory in a district and if the  
3 municipality intends to provide emergency services to the territory  
4 by the use of municipal personnel or by some method other than by  
5 use of the district, the municipality shall send written notice of  
6 that fact to the board. The municipality must send the notice to  
7 the secretary of the board by certified mail, return receipt  
8 requested. The territory remains part of the district and does not  
9 become part of the municipality until the secretary of the board  
10 receives the notice. On [~~, the board shall, on~~] receipt of the  
11 notice, the board shall [~~a written request of the municipality,~~]  
12 immediately change its records to show that [~~disannex~~] the  
13 territory has been disannexed from the district and shall cease to  
14 provide further services to the residents of that territory.

15 SECTION 3. Subsection (c), Section 775.031, Health and  
16 Safety Code, is amended to read as follows:

17 (c) A district may contract with the state or a political  
18 subdivision for law enforcement services or for enforcement of the  
19 district's fire code. A [~~Except as provided by Subchapter F, a~~]  
20 district may [~~not~~] commission a peace officer or employ a person who  
21 holds a permanent peace officer license issued under Section  
22 1701.307, Occupations Code, as a peace officer.

23 SECTION 4. Section 775.034, Health and Safety Code, is  
24 amended by adding Subsection (f) to read as follows:

25 (f) The commissioners court shall consider relevant factors  
26 in determining the individuals to appoint as emergency services  
27 commissioners, including whether the individuals have knowledge

1 that relates to fire prevention or emergency medical services and  
2 that is relevant to the common policies and practices of the board.

3 SECTION 5. Section 775.036, Health and Safety Code, is  
4 amended by amending Subsection (b) and adding Subsections (b-1) and  
5 (g) to read as follows:

6 (b) The board may adopt and enforce a fire code, including  
7 fines for any violations, that does not conflict with a fire code  
8 adopted by any county that also contains within its boundaries any  
9 portion of the land contained in the district and may require  
10 inspections in the district relating to the causes and prevention  
11 of fires and medical emergencies, except as provided by Section  
12 775.031(b). The fire code must be similar to standards adopted by a  
13 nationally recognized standards-making association. The board may  
14 not enforce the district's fire code within the boundaries of a  
15 municipality that has adopted a fire code, except for an area that  
16 has been annexed only for limited purposes in which the  
17 municipality does not enforce a fire code. The board of a district  
18 located wholly within a county with a population of three million or  
19 more may not adopt a fire code or a fine for a violation of the  
20 district's fire code unless the commissioners court of the county  
21 consents to the adoption of the code or fine.

22 (b-1) If a county that contains within its boundaries any  
23 portion of the land contained in the district adopts a fire code  
24 after the district adopts a code under Subsection (b), the board may  
25 continue to enforce its fire code in the area subject to the county  
26 fire code. To the extent of any conflict between the county's code  
27 and the district's code, the more stringent provision prevails.

1        (g) The board may commission a peace officer or employ a  
2 person who holds a permanent peace officer license issued under  
3 Section 1701.307, Occupations Code, to inspect for fire hazards any  
4 structure, appurtenance, fixture, or other real property located in  
5 the district. The board may adopt procedures to order the owner or  
6 occupant of the property that fails an inspection to correct the  
7 hazardous situation.

8            SECTION 6. Subsection (a), Section 775.0751, Health and  
9 Safety Code, is amended to read as follows:

10           (a) A district may adopt a sales and use tax, change the rate  
11 of its sales and use tax, or abolish its sales and use tax at an  
12 election held as provided by Section 775.0752. The district may  
13 impose the tax at a rate from one-eighth of one percent to [~~of~~  
14 ~~one-half percent, one percent, one and one-half percent, or~~] two  
15 percent in increments of one-eighth of one percent. Revenue from  
16 the tax may be used for any purpose for which ad valorem tax revenue  
17 of the district may be used.

18            SECTION 7. Subsection (a), Section 775.076, Health and  
19 Safety Code, is amended to read as follows:

20           (a) The board may issue bonds and notes as prescribed by  
21 this chapter to perform any of its powers. Before the board may  
22 issue bonds or notes authorized by this section, the commissioners  
23 court of each county in which the district is located must approve  
24 the issuance of the bonds or notes by a majority vote.

25            SECTION 8. Subsection (k), Section 775.084, Health and  
26 Safety Code, is amended to read as follows:

27           (k) A contract for a public works project must be

1 administered in the manner provided by [~~accordance with~~] Subchapter  
2 B or H, Chapter 271, Local Government Code, except as provided by  
3 this section.

4 SECTION 9. Subsections (a) and (b), Section 775.085, Health  
5 and Safety Code, are amended to read as follows:

6 (a) The board, on the behalf of the district, may borrow  
7 money and make other financial arrangements to purchase real  
8 property or emergency services equipment or construct emergency  
9 services facilities in the amount and subject to a rate of interest  
10 or other conditions the board considers advisable.

11 (b) To secure a loan under this section, the board may  
12 pledge:

13 (1) tax revenues or funds on hand that are not  
14 otherwise pledged to pay a debt of the district; or

15 (2) the real property acquired or improved or  
16 equipment acquired with the borrowed money.

17 SECTION 10. Section 776.033, Health and Safety Code, is  
18 amended by adding Subsection (e) to read as follows:

19 (e) The commissioners court shall consider relevant factors  
20 in determining the individuals to appoint as emergency services  
21 commissioners, including whether the individuals have knowledge  
22 that relates to fire prevention or emergency medical services and  
23 that is relevant to the common policies and practices of the board.

24 SECTION 11. Subsection (c), Section 776.052, Health and  
25 Safety Code, is amended to read as follows:

26 (c) If a municipality that is not in the district completes  
27 all other procedures necessary to annex [~~annexes~~] territory that is

1 included in a district and if the municipality intends to provide  
2 emergency services to the territory by the use of municipal  
3 personnel or by some method other than by use of the district, the  
4 governing body of the municipality shall send written notice of  
5 that fact to the board. The municipality must send the notice to  
6 [not-ify] the secretary of the board by certified mail, return  
7 receipt requested. The territory remains part of the district and  
8 does not become part of the municipality until the secretary of the  
9 board receives the notice. On receipt of the notice, the board  
10 shall immediately change its records to show that the territory has  
11 been disannexed from the district and shall cease to provide  
12 further services to the residents of that [~~in writing that the~~  
13 ~~annexed territory is excluded from the district's~~] territory.
