TEXAS
PARKS &
WILDLIFE

ABOUT THE COVER

This year's photo was submitted by Donald E. Korenek of Benbrook, Texas. The picture was taken by his wife's grandmother, Nora Lowe, in 1925, at Pine Mills in Wood County.

The "Huntin' Party" from left to right includes: Clint "Pine Rooter" Lowe, 11 (Mr. Korenek's father-in-law), Carmel "Mac" McManus, 11, Woodrow "Woody" Connell, 10, and Clint's brother, John Howard "Booter" Lowe, 9. The dogs are Billy Joe, Spot and Ponto.

Mr. Korenek notes that all the boys have guns and know how to use them. When they went hunting, mothers didn't worry unless the boys weren't home by suppertime. He added, "My family and I are grateful to have been selected to participate in several public hunts through the years. To be selected in any of the drawings is always the high point of the year, regardless of our other hunting opportunities. We are grateful, too, for the stewardship the department has provided in protecting our heritage."

Modern-day hunters are encouraged to pass along their hunting heritage by taking their kids hunting and instilling in them good sportsmanship and high ethical standards. They should be taught respect for the animal and to transfer their harvested game home in an appropriate manner that preserves the table quality of the harvest and avoids offending others.

IF YOU HAVE A PHOTOGRAPH...

If you have a photograph that illustrates the "good old days" of hunting, we invite you to send a copy to us for use in a future publication. Mail a copy, not the original photo, along with any related information (date, location, names of people shown, explanation of the event) to:

LIFE'S SHORT HUNT BIG

New Deadline, now before the rut! **OCT 15, 2007**

"Being able to be with my son on his first hunt on a magnificent ranch in South Texas...

WAS A WONDERFUL EXPERIENCE."

— STEPHEN HARPOLD, 2006 WINNER

**BIG TIME
TEXAS HUNTS**

{ OVER FOR DETAILS }

LIFE'S SHORT HUNT BIG

BIG TIME TEXAS HUNTS

TEXAS GRAND SLAM

This is truly the hunt of a lifetime. The Texas Grand Slam offers one lucky winner four separate hunts for Texas big game: desert bighorn sheep, white-tailed deer, pronghorn antelope and desert mule deer. This package also includes food, lodging, taxidermy* and professional guide service for all four trips. TPWD only issues two to three bighorn sheep public permits a year; this is your chance to be one of the few able to hunt this majestic animal. The bighorn sheep hunt takes place on one of our outstanding wildlife management areas. The other three hunts will be on some of the most exclusive private ranches in the state. The winner may also bring along a non-hunting companion to share in this awesome adventure. **TYPE 444** *Provided by Woodbury's of Ingram.

"THE BUCK I HARVESTED SCORED 163 3/8,

just an amazing animal. My guest also harvested a first-class buck. Plus the accommodations were five-star!"

- TOM ROUGHTON, 2005 WINNER ★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★★

Texas Premium Buck Hunt

This is the ultimate deer hunting experience — Take aim at a mature trophy white-tailed buck (160 B&C) in the rugged South Texas brush country. One winner and a guest will enjoy the finest deer hunting trip that Texas can offer. Professional guide service, food and accommodations are included to provide each hunter comfort as well as great hunting. **TYPE 463**

Texas Exotic Safari

Two winners will experience the thrill of hunting African exotic game, right here in Texas on the famous Mason Mountain Wildlife Management Area. Winners can take two exotic species, including sable antelope, greater kudu, gemsbok oryx, scimitar-horned oryx and common waterbuck. Hunters may choose to shoot modern rifle, muzzleloader, archery or crossbow. Winners can also bring along a companion to hunt a management exotic. Food and lodging will be provided at the scenic Mason Mountain WMA lodge. Proceeds go to benefit wildlife conservation and research on Mason Mountain WMA. **TYPE 457**

Texas Gator Hunt

One winner and a guest will enjoy a rare and unique three-day trip, pursuing legendary Texas alligators at the J.D. Murphree Wildlife Management Area on the Gulf Coast. Each hunter may harvest one trophy alligator. All necessary equipment, expert guides, lodging and gator hide removal are included. The winner and guest will also be treated to an airboat tour of the marsh to view alligators. **TYPE 464**

Texas Whitetail Bonanza

Ten winners will each get to experience a high-quality white-tailed deer hunt on popular ranches throughout the state known to produce big bucks (150 B&C) and the Chaparral WMA. Guide service, food and lodging are provided on these three- to five-day trips. Each winner can bring a hunting companion as well. **TYPE 459**

Texas Waterfowl Adventure

One winner and up to three invited guests will win a series of three exciting waterfowl adventures. The hunts are located on some of the hottest waterfowl spots in Texas. Trips include a Coastal Prairies guided hunt for snows, blues and white-fronted geese; a guided duck hunt in the Coastal Marshes; and an East Texas hunt for wood ducks and mallards. **TYPE 460**

Texas Big Time Bird Hunt

One winner will enjoy a unique package of upland game bird hunts. You and up to three of your friends will enjoy two days of quail, two days of pheasant hunting in the Panhandle and two afternoons of dove hunting. And one guest can also join you for a two-day guided spring turkey hunt. Food, guide service and lodging are included on all bird hunts, and pointing dogs are provided for quail and pheasant hunts. **TYPE 461**

INTRODUCTION

In a continuing effort to provide additional public hunting opportunity on land under its control, Texas Parks and Wildlife Department (TPWD) offers a variety of access permits. Each type of permit is tailored to address specific preferences of sportsmen while assuring proper management of the wildlife resources. The Department's drawings for hunts by Special Permit will continue generally in the traditional mode employed since 1954. Changes in the program including new application cards, minimum age for applying, species available for hunting, and regulations have been made over the years. This brochure deals only with the drawings for Special Permits and the hunts by Regular Permit.

Special Permit recipients are selected by drawing. There is a limit on the number of hunters participating in drawn hunts. Hunters may apply in the computer drawing each year for only one of the areas listed in each hunt category. Each adult applicant 17 years of age or older is charged an application fee of \$3 per card/application except for the Private Lands hunts and Guided Hunt Packages that have a \$10 application fee. Successful adult applicants are charged a permit fee. There are no application or permit fees charged for youth participants, ages 8 through 16, for any of the hunts. On Youth Only hunts, the application fee and the permit fee are waived for both the non-hunting adult supervisor and the youth hunter. The application forms for Special Permit hunts are located in the back of this publication.

A Regular Permit may be available for certain small game and waterfowl hunts. Regular permits are issued at the hunt area on a first-come first-served basis; the department reserves the right to limit the number of hunters. A \$15 fee is charged for each Regular Permit issued, however, the Regular Permit fee will be waived for minors (under age 17) hunting under the supervision of an authorized adult who possesses a Regular Permit and for persons possessing an Annual Public Hunting Permit.

A \$48 Annual Public Hunting (APH) Permit provides access to over one million acres of public hunting lands located throughout the state at designated times for various types of hunting and other outdoor recreational activity. A \$12 Limited Public Use (LPU) Permit is also available, which provides access for fishing and recreational use to the same areas at the same times as provided by the APH Permit. A detailed explanation of the APH Permit and the LPU Permit is given on page v of this publication.

Public access for purposes of recreational use of public hunting lands is encouraged. Access for these uses requires either the (1) Annual Public Hunt Permit (APH), or (2) Limited Public Use Permit (LPU). Access is also available without a permit for persons participating in educational programs, management demonstrations, or other scheduled events sponsored or sanctioned by TPWD with written approval. Public access for purposes of recreational use may be restricted during certain times, notably when drawn public hunts are in progress. You are advised to contact the particular area of interest in advance to determine designated times and provisions for public visitation.

HOW TO USE THIS BROCHURE

Save this brochure. It contains valuable information relative to scheduled public hunts by Special or Regular Permit during the period September 1, 2007 through August 31, 2008.

1. Determine what species you desire to hunt.
2. Select potential hunt area(s) and determine the type of permit required (see pages x and xi).
3. Go to the appropriate section for Special Permit hunts or Regular Permit hunts and find the species and areas that interest you.
4. Check out the hunt dates that the area is open, bag limits, special conditions, etc.
5. Read closely the "Prohibited Acts on Public Hunting Lands" for rules and regulations in effect on these areas.
6. Read the instructions for completing a Special Permit application and follow the directions.
7. Applicants not selected in the drawing may still be able to participate. See "Standby Hunters" section on page vii for details.

REMINDERS

The following is a list of some things hunters should do before applying for a hunt or going to the area, and during their stay on the area.

1. **Applicants for Drawn Hunts are restricted to hunters 8 years of age or older.** Persons under 17 years of age must be accompanied by a permitted authorized adult 18 years of age or older (parent, guardian, or an adult with written authorization from same).
2. Apply for only one area within a hunt category and use the appropriate card provided for that category.
3. Submit your application and required application fees for a Special Permit drawing in time to be received at the Austin TPWD headquarters office prior to the deadline for the concerned hunt category.
4. Obtain valid licenses and hunting stamps required to participate in the hunt.
5. Be sure that you meet hunter education requirements if you were born after September 2, 1971 (see page 28).
6. Bring the Special Permit issued to you by TPWD for validation at the area.
7. Make sure you have in your possession a driver's license or personal identification certification.
8. Bring a garment of daylight fluorescent orange including orange headwear and wear it if required.
9. Bring the equipment (archery or type of firearm and ammunition) required for the hunt.
10. Bring all necessary supplies; none are available on the areas.
11. Report to the check station at the designated time for hunts conducted under a Special or Regular Permit.
12. Report to TPWD personnel at the check station before hunting and check out upon leaving the area.
13. Always handle firearms with caution.
14. For more information on-line, visit the TPWD Internet site at www.tpwd.state.tx.us. For information on preference points, status of a submitted application, or drawing results, please call 512/389-8221 to access the Public Hunting Program's automated information system.

IMPORTANT CHANGES FOR 2007

The deadlines for many hunts have changed this season. Pay strict attention to the application deadlines listed for each hunt category and on each application card for the required deadline. Applications with the required application fees must be received at the Texas Parks and Wildlife Department Austin headquarters by 5:00 p.m. on the deadline date.

Three new hunt categories have been added this year: **Archery Mule Deer (ADM), Gun Mule Deer (MDG) and Private Lands Pronghorn (PLP)**. The two new mule deer categories were created to allow applicants to now apply for hunts for both white-tailed and mule deer in separate categories. These are new categories, so there will be no accrued preference points. Preference points are non-transferable and are linked to the category, not the hunt area. Individuals who had preference points in GDE or ADE will still have them even if the areas that they applied for in the past are no longer in those categories.

The requirement of the \$8 Off-Highway Vehicle (OHV) decal for authorized disabled persons and those assisting disabled persons has been waived. A disabled person is defined as a paraplegic or a person possessing the disabled parking placard or license plate on the vehicle. The use of ATVs and off-road vehicles on public hunting lands is generally prohibited except by disabled hunters and those assisting disabled hunters. Check the area's hunt category information for ATV and off-road vehicle use.

OTHER PUBLIC HUNTING OPPORTUNITIES

Annual Public Hunting and Limited Public Use Permits

The \$48 Annual Public Hunting (APH) Permit offers additional public hunting and outdoor recreational activities on over one million acres of land. The APH Permit allows you to choose from multiple areas to hunt for a variety of legal species. You can select the time and place to hunt and you can utilize the areas as many times as you want. A few areas require an additional drawing for a hunting position. Hunts available under the APH Permit include migratory game birds, quail, turkey, deer, feral hog, and other small game. Legal game and hunting methods vary on different units. You may hunt the species and employ any means or methods as indicated by the legal game box for a specific unit. A listing for each unit is shown in a comprehensive Map Booklet and Public Dove Hunting Area supplement that you receive after purchasing the APH Permit. Primitive campsites are available on many of the areas for use by permit holders. There are several Postcard hunts available to APH Permit holders, including several for youth.

The APH Permit waives Regular Permit fees for the public hunts by Regular Permit listed on pages 40-43 of this Application Booklet. Youth under 17 may hunt free with a special resident hunting license if they are under the supervision of an authorized supervising adult who possesses the required permit.

Those who only wish to utilize public hunting lands for activities such as fishing, camping, hiking, photography, etc., can do so with a **\$12 Limited Public Use (LPU) Permit**. The LPU Permit allows adults 17 and older access to public hunting lands at the same times that access is allowed under the \$48 APH Permit, however it does not allow the permit holder to hunt.

Both the APH and LPU permits are valid from September 1 through August 31.

Either permit can be purchased anywhere hunting and fishing licenses are sold. If you wish to receive a map book at the time of purchase, you must purchase the permit(s) at a regional TPWD field office (listed in the Texas Parks and Wildlife Outdoor Annual-Hunting and Fishing Regulations), otherwise map books will be mailed to permittees. For your convenience, the map booklets may be viewed on the TPWD Web site.

When purchasing a permit for yourself or another person, you must be able to provide the following information for the concerned individual: name, mailing address (including zip code), social security number, county of residence, sex, height, weight, color of eyes, color of hair, and date of birth.

Visit the Texas Parks and Wildlife Department Internet site at www.tpwd.state.tx.us or call 800/792-1112 menu 5 (Wildlife), selection 1 (Wildlife information) for further information.

PUBLIC HUNTS BY SPECIAL PERMIT

Application Cards and Instructions are found at the back of this booklet

Individuals are drawn to receive a Special Permit by random selection done by computer from a qualified pool of applicants. To enter the drawing for a hunt category and become eligible for a Special Permit, the application MUST be completed according to the stated instructions. Follow the instructions carefully in completing your application. If you have any questions, first look at the example shown in the section on filling out an application. If you still have questions, call 800/792-1112, menu 5 for assistance: **For information on preference points, status of a submitted application, or drawing results, please call 512/389-8221 to access the Public Hunting Program's automated information system.**

POINTS TO REMEMBER

A person may apply in each of the HUNT CATEGORIES (examples GDE, GDA, EXO, etc.). However, only ONE APPLICATION PER PERSON will be allowed in each HUNT CATEGORY (example GDE: Gun Deer Either Sex). If MORE THAN ONE application is received for the SAME HUNT CATEGORY (GDE) with the same individual's name or Social Security Number appearing anywhere on the application cards, ALL applicants on the application cards will be DISQUALIFIED and the application fees WILL NOT be refunded. It does not matter where your name appears on an application card, THAT IS YOUR APPLICATION for that hunt category. Even if another person puts your name on their application card or you apply for different areas (Kerr, Chaparral, Garner, etc.) in the SAME HUNT CATEGORY (example GDE), EVERYONE on those cards WILL BE DISQUALIFIED, and none of the application fees will be refunded.

Most Special Permit hunts are two-day hunts, which start at noon on the first day and end at noon on the third day. Some Special Permit hunts are of different lengths, ranging from one to five days. Available hunting dates will be assigned to drawn applicants according to the preference of date codes indicated on their application card.

Only the drawn hunters that pay the required Special Permit fees prior to the deadline listed on your notification letter will be issued a permit and allowed access to Special Permit hunt areas while hunts by Special Permit are in progress. **Other than a non-hunting adult assisting a permitted disabled person, no exceptions will be made for family members or other non-permitted guests to accompany the hunter into the hunt area and in some cases even to remain in the campground.**

NO SUBSTITUTIONS may be made for the persons listed on applications or on the hunt permits. If your application is drawn and a member of your hunt group cannot take part in the hunt, you cannot assign the hunt position to someone else. If possible, please contact the Department to release the position into a possible standby position. The only exception that will be considered is for a non-hunting supervising adult on a Youth Only hunt.

AGE REQUIREMENTS: No applicant under 8 years of age may apply or participate in a Special Permit hunt. Applicant ages are required for each person on the application card. Applicants without ages will be deleted from the card unless it is the primary applicant, then the entire application will be disqualified. Applicants under 17 years of age must apply as a member of a party and not as a single applicant.

YOUTH ONLY HUNTS: Youth applicants must be 8-16 years of age to apply and participate in a Special Permit hunt. There are categories offering hunts for supervised youth (less than 17 years of age) only. During these hunts, only the youth 8-16 years of age will be allowed to hunt. The youth must be supervised by a non-hunting adult (18 years of age or older) who was listed on the application and who possesses a valid hunting license. An adult may supervise multiple youth hunters, however, a youth may not have more than one adult supervisor. **The supervising adult should be shown as the first name on the application card as the primary contact.** Youth applicants should appear as other group members. If the youth has successfully completed the Hunter Education Certification, the requirement for direct supervision is relaxed to the extent that the youth is not required to be in the immediate presence of the supervising adult. Failure of the parent or guardian to properly supervise youth hunters will be cause for forfeiture of the permits of both hunters. The application fee and the hunt permit fee are waived for all participants in youth only hunts.

SOCIAL SECURITY NUMBER: State law requires a valid Social Security Number for all persons listed on the application card. In the past the Department has issued alternate Social Security Numbers by request; this practice is no longer legal. Those alternate numbers will no longer be valid.

PROVISIONS FOR DRAWN DISABLED PERSONS: The Department will make appropriate provisions to allow drawn disabled persons to participate in public hunts. Drawn disabled persons, upon their request, will be assigned to an easily accessible hunt compartment or blind. It is recommended that persons having a significant disability or special needs inform hunt area staff several days in advance of their drawn hunt so that prior arrangements can be made. A disabled person is a person who possesses a placard, license plate, or other documentation issued to that person by the State of Texas under the provisions of Transportation Code, Chapter 681. A non-hunting adult, who is not required to possess an access permit, may assist a disabled person during their hunt.

FEES: Each applicant 17 years of age or older must submit non-refundable application fees along with each application in the drawing hunt categories (except for the youth only categories which require no application fee). The adult application fee is \$3 (except for Private Lands hunts and guided hunt packages that have a \$10 adult application fee). Application fees must be submitted with the application or the application will not be entered into the drawing. The permit fee for each Special Permit hunt category is indicated in the application schedule. If your application is drawn, you will be notified by mail to submit your permit fees at that time. The Special Permit will be issued when the department receives the special permit fee at the Austin office by the deadline specified in the notification. Failure to

pay the permit fee(s) by the stated deadline constitutes a refusal of the Special Permit. Once permits are issued, there will be no refund of permit fees unless the department cancels the hunt. The deadline for application fees is 5:00 p.m. on the date listed in the heading of each category. The fees must physically be in the Austin headquarters building by 5:00 p.m. on the established deadline date. Late applications will be disqualified and application fees will not be refunded. There is no after hours drop-off available at the Austin office.

MEANS AND METHODS: The legal means of taking a species during these public hunts will be as established by statewide hunting regulations (unless otherwise restricted for a specific hunt area listed in the hunt schedule). For example, most of the hunts listed within the Gun Deer Either-Sex and Gun Deer Antlerless/Spike hunt categories allow the use of legal archery equipment and crossbows, as well as centerfire firearms, shotguns, and muzzleloading firearms of at least .45 caliber to take deer. However, some hunts have SPECIAL RESTRICTIONS, which further limit the legal means such as "archery only," "shotguns with rifled slugs and archery only," "firearms restricted to muzzleloaders and shotguns only." Applicants should keep these SPECIAL RESTRICTIONS in mind when selecting a hunt area. **Drawn hunters must obtain a valid hunting license and hunting stamps required to participate in the hunt.**

HUNT METHOD: The hunt method for each hunt area listed within the hunt schedule is shown as either "by assigned blind," "by compartment" or "guided." "By assigned blind" means that the hunter may hunt only from a constructed blind or elevated stand at a specific assigned location. Hunters may be transported to and from the assigned blind by area staff or they may be required to use their personal vehicle. "By compartment" means that the hunter is allowed to hunt within an assigned compartment (area) having easily recognizable boundaries defined by fences, roads, streams, or other geographic features. Hunters generally use their personal vehicle to travel to and from the compartment. A compartment may or may not have existing blinds or elevated stands. Hunters may bring their own portable stands for use within the assigned compartment. Generally, all members of a group will be assigned to a single compartment and allowed to hunt together. Persons from different groups may be assigned to hunt in the same compartment as long as the combining of groups is acceptable to each person. "Guided" means an experienced guide who is familiar with the area and the species being hunted will assist the hunter.

BAG LIMIT/CANCELLATION OF HUNTS: The listing of additional species such as exotics and feral hogs does not guarantee that these species will be present on all sections of the hunt area. The listing only allows for the take of those species if encountered during the hunt. Texas Parks and Wildlife Department retains the right to cancel permits, alter bag limits, or terminate a hunt at any time there is a danger to wildlife resources, the public, or facilities. If the department cancels a hunt, paid permit fees will be refunded and the preference point status of only those permittees who are in attendance will be reinstated. Hunters notified of a hunt cancellation by Department staff will also qualify for a refund of paid permit fees and reinstatement of preference points.

PERMITS AVAILABLE – NUMBER OF APPLICANTS TO BE DRAWN: The projected number of applicants to be selected in the computer drawing for a hunt may be revised between the time this publication was printed and the time of the drawing. **The number of hunters desired for each hunt period may be increased or decreased** to address significant changes in population levels, harvest quotas, site conditions, or other relevant factors. **Except in extreme situations, all persons appearing for the hunt who were issued a permit through the computer drawings will be permitted to participate.**

STANDBY HUNTERS: Hunt positions are reserved for any drawn hunter having paid the Special Permit fee for a specific hunt period unless the drawn hunter personally advises the Department to release the position in advance of the start of the hunt. In order to more fully utilize any open hunt positions, a program utilizing "standby" hunters is implemented during most hunts conducted by Special Permit. Under the Standby Hunter program, a prospective hunter should appear in person prior to the start of the hunt period to have a chance to fill an available vacant hunting position. In the event more standby applicants are present than standby positions are available, standby hunters will be selected by a drawing at the area. The application fee is waived for standby applicants. Selected standby applicants, upon payment of the permit fee, will be issued a Special Permit and will be allowed to join the other hunters drawn for that hunt period. **TPWD headquarters cannot provide advance information concerning the anticipated availability of standby hunt positions. The hunt managers are the final authority in determining the availability of standby positions.** Participation in the standby hunter program will NOT affect your preference points in any hunt category. **IMPORTANT: The drawings will be at 11:00 a.m. on the first day of the hunt period, however, prospective standby hunters are advised to appear at 10:00 a.m. to complete the application process prior to the drawing. Contact the hunt area prior to a scheduled hunt for more details about the standby hunt process for that area.**

PREFERENCE POINT SYSTEM (PPS) OF SELECTING APPLICANTS: The PPS gives previously unsuccessful applicants an increased chance of selection, however, the PPS does not guarantee eventual computer selection for any applicant. Applicants who enter each year will have an increased probability of being drawn as compared to first time applicants or persons previously selected; however, due to the luck of the draw, it is possible for a first time applicant with no preference points to be selected. Applicants not selected in the computer drawings will be credited with a preference point in that hunt category. Non-selected applicants earn a preference point for each hunt category for which they applied but were not selected. Preference points are accrued by hunt category and increase during successive years of non-selection. Accrued preference points are not transferable from one individual to another or from one hunt category to another. All accrued preference points for a particular hunt category will apply toward the area for which current application is made. **No preference points will be awarded for disqualified applications. For information on preference points, please call 512/389-8221 to access the Public Hunting Program's automated information system.**

When a person is drawn, that person loses accrued preference points for only the category in which they were selected.

In the event multiple individuals choose to apply to hunt as a group, preference point status in the drawing will be assigned to the group application rather than for each individual group member. Group applications will have preference points determined by averaging the points of individual group members and rounding the figure down to a whole number. When a group application is not selected, individual applicants lose their group status and each person resumes their own preference point rating in the computer files.

PROHIBITED ACTS ON PUBLIC HUNTING LANDS OFFERING HUNTS BY SPECIAL OR REGULAR PERMIT

Unless an exception is provided for a specific area, activity or time period, a person entering or attempting to take wildlife resources on any of the Public Hunting Lands listed in this publication commits an offense if that person:

General Access to the Units

- enters or exits the area at any location other than an authorized entry or exit location;
- fails to check in and out at the check station as required when participating in hunts by Special or Regular permit;
- fails to possess the required permit, except as exempted for: a) persons hunting waterfowl in the designated marsh unit of Matagorda Island WMA; b) non hunting adult who is directly assisting a permitted disabled person;

General Conduct

- fails to abide by all applicable statutes and regulations.
- fails to comply with conditions of the permit or rules listed in this publication, contained within informational leaflets, posted at the area, or conveyed by directives of departmental personnel;
- harasses; molests, or otherwise interferes with anyone lawfully engaged in hunting or fishing activities;
- is under the influence of alcohol or consumes an alcoholic beverage while engaged in hunting activities, or publicly consumes or displays an alcoholic beverage;
- fails to deposit refuse in a designated trash container or fails to remove it from the area;
- disturbs or removes plants, rocks, artifacts, or other objects, except as authorized by the department;
- writes on, scratches, or otherwise defaces natural features, signs, buildings, or other structures;
- conducts business concessions; sells, buys, rents, leases, or peddles goods, merchandise; or services to the public unless specifically authorized in writing by the executive director.

Hunter Orange

- fails to visibly wear a minimum of 400 square inches of daylight fluorescent orange material with 144 square inches appearing on both the chest and back and daylight fluorescent orange headwear while within the hunt area during daylight hours when hunting with firearms is permitted, except as exempted for: a) persons hunting turkey, migratory birds, alligators, or desert bighorn sheep; b) persons within the enclosed passenger compartment of a motor vehicle; c) persons within a designated campground, designated vehicle parking area, designated boat launching facility, or departmental check station.

Vehicles, Airboats and Horses

- hunts or attempts to hunt any wildlife resource from a motor vehicle or motor driven land conveyance;
Exception: It is lawful for disabled persons who are in possession of a state issued disabled parking placard or license plate to hunt from a stationary motor vehicle or motor driven land conveyance provided the hunting is not conducted on a designated road, vehicle parking area or campground, and the engine is not running;
- operates a vehicle anywhere other than on a designated road and does not qualify as a disabled person;
- parks a vehicle anywhere except in an authorized parking area when designated;
- operates an all-terrain vehicle (ATV) or off-road vehicle (ORV) on Public Hunting Lands and is neither a disabled person (displaying handicapped license plate or placard), nor is directly assisting a disabled person; except as authorized by the department for specific areas and time periods.
- uses an airboat within the boundaries of Public Hunting Lands, except as authorized by the order of the Executive Director for specific areas and time periods;
- uses a horse, mule, burro, or any type of riding stock or pack animal other than as provided for specific areas and times;
- enters a unit of public hunting lands with an equine unless that person has in their immediate possession, a completed VS Form 10-11 (Texas Animal Health Commission) showing that the equine has a negative Coggin's test within the previous 12 months. The documentation shall be made available for inspection upon the request of any TPWD employee acting within the scope of official duties.

Camping

- camps or builds a fire anywhere other than in a designated campsite.

Dogs

- uses a dog to hunt any bird or animal, except squirrels, rabbits, hares, and game birds (other than turkey);
- fails to keep all dogs confined or leashed while within a designated campsite.

Trapping and Baiting

- uses a trap, snare, or dead fall, except handheld snares for taking alligators;
- uses recorded or electric calling devices to take wildlife resources other than predatory animals, furbearing animals, or waterfowl during any Special Conservation Season;
- baits wildlife through the placement of salt, mineral, grain, sugar-based products, or other food substance used as an attractant, except as authorized by the department for specific hunts (the use of scent lures simulating animal odors is not considered baiting).

PROHIBITED ACTS ON PUBLIC HUNTING LANDS OFFERING HUNTS BY SPECIAL OR REGULAR PERMIT

Unless an exception is provided for a specific area, activity or time period, a person entering or attempting to take wildlife resources on any of the Public Hunting Lands listed in this publication commits an offense if that person:

Tagging of Game

- possesses the carcass of a turkey without having attached thereto a properly completed hunting license tag;
- fails to immediately transport the carcass of a white-tailed or mule deer harvested under authority of a Special Permit by the most direct route to the designated hunter check station to be tagged with a TPWD Special Drawn Legal Deer Tag;
- removes a deer, exotic mammal, feral hog, javelina, pronghorn antelope, desert bighorn sheep, turkey, or alligator taken under Special or Regular Permit from a Wildlife Management Area without attachment of a tag issued by the department if applicable.

Legal Means and Methods

- enters Public Hunting Lands with a firearm, archery-equipment, or any other device for taking wildlife resources, except as permitted by regulations;
- possesses a firearm during archery only hunts conducted by Special Permit;
- uses or displays a firearm or other device in an obviously unsafe or threatening manner;
- possesses a loaded firearm in or on a vehicle, or within a designated campsite, parking area, launching facility, or check station, except as provided for a disabled person to hunt from a motor vehicle;
Notice: A loaded firearm is defined as a firearm containing a live round of ammunition within the chamber and/or the magazine, or if muzzleloading, one which has a cap on the nipple or a priming charge in the pan.
- uses any firearm utilizing rimfire ammunition or a muzzleloader of less than .45 caliber in taking or shooting deer, exotic mammals (other than feral hog), pronghorn antelope or desert bighorn sheep;
- uses or possesses a firearm other than a muzzleloading firearm when participating in a hunt where firearms are designated as being restricted to muzzleloaders only;
- possesses or uses buckshot on Public Hunting Lands, except as authorized by the department for specific hunts;
- takes a game bird with a rifle or a handgun;
- possesses shotgun shells containing slugs, a rifle, or a handgun while engaged in hunts conducted exclusively for game birds and rabbits and hares;
- hunts with archery equipment which does not comply with legal specifications as provided in the Texas Outdoor Annual (Hunting Guide); or
- fails to comply with the requirement for possessing and using only non-toxic shot while hunting waterfowl;

Concealed Handgun Notice: The prohibited acts and other public hunting regulations do not in any way restrict a person having a concealed handgun license from possessing a concealed handgun on public hunting lands in strict accordance with the concealed handgun laws.

These hunting opportunities are made available for the use and enjoyment of all sportsmen. Remember that you are sharing these public hunting lands with others; show them the respect and consideration that you would like to receive. Practice good sportsmanship with regard for the conservation of your wildlife resources.

For information concerning your preference points, application status, or drawing results, please call 512/389-8221 to access the Public Hunting Program's automated information system.

TPWD welcomes your comments and suggestions for improving the Public Hunting Program. Direct them to the Public Hunting Program, Texas Parks and Wildlife Department, 4200 Smith School Road, Austin, Texas 78744 or call toll-free 800/792-1112 from the menu select 5 for Wildlife Information then 1 for Public Hunting Information.

This brochure is distributed free of charge and is available upon request from the Austin headquarters (address and phone number listed above) and TPWD field offices. The Public Hunting Drawing Information is available on our Web site: www.tpwd.state.tx.us.

Thank you for your cooperation. Have a safe and enjoyable hunting experience.

HUNTERS FOR THE HUNGRY

You can help stop hunger in its tracks!

Nearly 13% of all Texas households and 32% of all Texas children under age 12 suffer from malnutrition or outright hunger. Last season, Texas hunters donated over 179,273 pounds of meat to shelters and food pantries across the state of Texas in the fight against hunger.

Shoot the limit. Donate your deer! For more information, call 800/992-9767.

PRIVATE LANDS DEER HUNTS

These Private Lands Management Deer Hunts will take place on private property and will be administered by the landowners with whom TPWD has executed a lease agreement. Participants will get to hunt on private property while assisting landowners in managing deer populations.

Procedures for applying, permits, license requirements, and rules and regulations for the private lands hunts will be similar to those in effect for the other areas in this booklet. Selected applicants who have confirmed their hunt by the required deadline will be notified by mail of the specific date, time, and place they are to appear at the start of their hunt.

The following conditions apply for the PLE and PLA categories and should be considered before applying:

- No stand-by positions will be allowed for these hunts.
- The landowners may stipulate Ranch Rules and Procedures governing how the hunts will be conducted. Participants will be provided, prior to the hunt, a listing of applicable Ranch Rules and Procedures.

PRIVATE LANDS; MANAGEMENT BUCK ■ HUNT CATEGORY CODE: PLE

HUNTER EDUCATION

Every hunter (including out-of-state hunters) born on or after Sept. 2, 1971, must successfully complete a Hunter Education Training Course. Minimum age of certification is 12 years and cost is \$15.

If you were born on or after Sept. 2, 1971, and you are:

- under 12 years of age, you must be accompanied*.
- age 12 through 16, you must successfully complete a hunter education course, or you must be accompanied*.
- age 17 and over, you must successfully complete a hunter education course; or purchase a "Hunter Education Deferral," and you must be accompanied*.

Hunter Education Deferral (cost: \$10) Allows a person 17 years of age or older who has not completed a hunter education program to defer completion for up to one year. A deferral may only be obtained once and is only valid until the end of the current license year. A person who has been convicted or has received deferred adjudication for violation of the mandatory hunter education requirement is prohibited from applying for a deferral. Take the course by August 31 of the current license year and receive a \$5 discount off the \$15 course cost.

* Accompanied means: By a person who is at least 17, who is licensed to hunt in Texas, who has passed hunter education or is exempt (born before Sept. 2, 1971), and you must be within normal voice control. Proof of certification or deferral is required to be on your person while hunting.

Note: Certification is not required to purchase a hunting license.

For course information, please consult the TPWD Hunter Education section at www.tpwd.state.tx.us/edu/hunted or call toll-free 800/792-1112 (menu 6) or call 512/389-4999.

YOUTH ONLY HUNTS

There are no application fees or permit fees for participants in Youth Only hunts.

The purpose of these Youth Only hunts is to provide youth with an enjoyable and memorable outdoor experience and introduce youth to the sport-hunting ethic through an experienced and responsible mentor. The hunts are generally scheduled to occur at times when youth are out of school and will be structured to make the activities more youth-oriented and accessible.

This year, the department offers these drawing categories for hunting only by supervised youth (8-16 years of age). These categories are:

- YOUTH ONLY ALLIGATOR (YAL)
- YOUTH ONLY GUN DEER; EITHER SEX (YDE)
- YOUTH ONLY GUN DEER; ANTLERLESS/SPIKE (YDA)
- YOUTH ONLY DEER MANAGEMENT; EITHER SEX (YDM)
- YOUTH ONLY EXOTIC (YEX)
- YOUTH ONLY JAVELINA (YJE)
- YOUTH ONLY FERAL HOG (YFH)
- YOUTH ONLY SPRING TURKEY (YTS)

These rules are specific only to the Youth Only categories listed above.

NOTE:

- A Social Security Number is required for each individual listed on the application card for the card to be considered valid. A Social Security Number is also required to be collected for the purpose of child support collection enforcement under Federal Statute 42 U.S.C.A. 666.
- The Department will make appropriate provisions to allow drawn **disabled youth** to participate in public hunts. Drawn disabled youths, upon their request, will be assigned to an easily accessible hunt compartment or blind. It is recommended that persons having a significant disability or special needs inform hunt area staff several days in advance of their drawn hunt so prior arrangements can be made.

During these Youth Only hunts, **only the youth will be authorized to hunt**, however, the youth must be supervised by a non-hunting adult (18 years of age or older) also listed on the application card. If the youth has successfully completed the Hunter Education Certification, the requirement for direct supervision is relaxed to the extent that the youth is not required to be in the immediate presence of the supervising adult, as long as the supervising adult is present on the area. Failure of the parent or guardian to properly supervise youth hunters will be cause for forfeiture of the permits of both hunters. Both the youth and the supervising adult must possess a valid hunting license and a special hunting permit. Individuals 17 years of age are not eligible to participate in this category in any capacity. **The qualifying age of the youth is determined by the age at the time the application is submitted.**

An adult applicant should place his or her name first on the application card on Youth Only hunts to act as point-of-contact for the youth applicant. Only the adult(s) and youth(s) appearing on a drawn application will be allowed to enter the hunt area. **NO SUBSTITUTIONS** may be made for persons listed on applications or on hunt permits. The only exception that will be considered is for a non-hunting supervising adult. An adult may supervise multiple youths, however, a youth may not have more than one supervising adult. Applications for Youth Only hunts (other than Alligator) may contain a single supervising adult with 1, 2 or 3 youths or 2 supervising adults and 2 youths. Applications for the Youth Only Alligator hunt category must contain a single supervising adult with 1 or 2 youths.

The Youth Only hunt categories are separate and distinct drawing categories. Application in one of the general drawing hunt categories such as Gun Deer Either Sex (GDE) and in the corresponding Youth Only drawing hunt category such as Youth Only Gun Deer Either Sex (YDE) does not constitute duplicate application and will not result in disqualification of the applicants.

See facing page for Hunter Education information and requirements

REGULAR PERMIT HUNTS

PROCEDURES FOR PARTICIPATING IN PUBLIC HUNTS UNDER A REGULAR PERMIT ON AREAS CONTROLLED BY THE DEPARTMENT

A Regular Permit is available for certain small game and waterfowl hunts. Regular permits are issued at the hunt area on a first-come first-served basis; the department reserves the right to limit the number of hunters. A \$15 fee is charged for each Regular Permit issued, however, the Regular Permit fee will be waived for minors (under age 17) hunting under the supervision of an authorized adult who possesses a Regular Permit and for persons possessing an Annual Public Hunting Permit. Other than a non-hunting adult who is directly assisting a permitted disabled hunter, no exceptions will be made for family members or other non-permitted guests to accompany the hunter into the hunt area.

During Regular Permit Hunts, all participants regardless of the type of permit possessed or age must sign in each day at the area check station before entering the hunt area. The check station will open one hour before legal shooting time, except on waterfowl hunts when the station will open approximately two hours before legal shooting time. **All participants must also sign out** each day at the area check station following completion of the day's hunt and prior to departing the area. Authorization to enter the hunt area is granted or denied at the check station on a first-come, first-served basis subject to the number of hunter positions available for the hunt that day. The Department reserves the right to limit the number of hunters, cancel or modify hunts or hunt dates, alter bag limits, or modify hunt procedures at any time to address resource and safety concerns.

YOUTH HUNTS BY REGULAR PERMIT: There is no minimum age to participate in these hunts. The 8 years of age minimum requirement **does not** apply to these hunts by Regular Permit. Youth must be accompanied by a supervising adult who is 18 years of age or older. Both the youth(s) and supervising adult(s) must possess a hunting license; any required stamps, and must meet established permit requirements for a Regular Permit Hunt. Youth Hunts are designated as either Youth Only Hunts or Youth/Adult Hunts. During Youth Only Hunts, only the youth is authorized to hunt and if the adult does not possess the APH they are issued a Regular Permit and the fees are waived. During Youth/Adult Hunts, both youth and adult may hunt and the adults must meet established permit requirements for a Regular Permit Hunt. Youth/Adult hunts require that each hunting party must contain at least one youth under 17 years of age in order to participate unless further restricted on certain areas. Regular Permit Hunt categories are listed by species in bold print in the center of the page followed by a listing of areas open for that hunt type.

REMINDER: Vaccination of hunting dogs against rabies is required by Department of State Health Services of regulations and owners must be able to show documentation of current vaccinations whenever the animal is transported.

HUNT DATES: Corresponds to dates established for the special white-winged dove season in the Special White-winged Dove Area.

CHAPARRAL WMA

(830/676-3413)

BAG AND POSSESSION LIMITS: Corresponds to limits for white-winged, mourning, and white-tipped doves in the Special White-winged Dove Area.

HUNT DATES: Corresponds to dates established for the special white-winged dove season in the Special White-winged Dove Area.

RESACA DE LA PALMA STATE PARK

(956/565-3919)

BAG AND POSSESSION LIMITS: Corresponds to limits for white-winged, mourning, and white-tipped doves in the Special White-winged Dove Area.

HUNT DATES: Corresponds to dates established for the special white-winged dove season in the Special White-winged Dove Area.

DOVE

Regular Permit Fee: \$15 per adult hunter per day. Regular Permit fees are waived for Annual Public Hunting (APH) Permit holders and youth under 17 years of age. | **Shooting Hours:** 30 minutes before sunrise until sunset

Note: Hunters are advised to check the Early Season Migratory Game Bird Regulations in the Texas Outdoor Annual to confirm that scheduled hunts fall within the established dove seasons.

CHAPARRAL WMA

(830/676-3413)

BAG AND POSSESSION LIMITS: Corresponds to limits for mourning, white-winged, and white-tipped doves in the South Zone; also unlimited rabbits and hares.

HUNT DATES: Only on Sept. 21-23, 28-30, and Oct. 26-28, provided that these dates occur during the season established for dove in the South Zone.

YOUTH/ADULT HUNT DATES: Only on Oct. 20 and 21 (if these dates occur during the season established for dove in the Special White-winged Dove Area). Quail hunting will also be allowed on these dates. Each hunting party must include a youth under 17 to participate.

RESACA DE LA PALMA

(956/565-3919)

BAG AND POSSESSION LIMITS: Corresponds to limits for mourning, white-winged, and white-tipped doves in the Special White-winged Dove Area.

HUNT DATES: Oct. 27-28, and Nov. 3-4.

QUAIL

Regular Permit Fee: \$15 per adult hunter per day. Regular Permit fees are waived for Annual Public Hunting (APH) Permit holders and youth under 17 years of age.

Shooting Hours: 30 minutes before sunrise until 30 minutes after sunset

CHAPARRAL WMA

(830/676-3413)

BAG AND POSSESSION LIMITS: Correspond to the statewide limits for quail and unlimited rabbits and hares.

HUNT DATES: Oct. 27-28, and Jan. 12-13.

YOUTH/ADULT HUNT DATES: Only on Oct. 20 and 21. Dove may also be taken, if these hunt dates occur during the season established for dove in the South Zone. Each hunting party must include a youth under 17 to participate.

RESACA DE LA PALMA

(956/565-3919)

BAG AND POSSESSION LIMITS: Correspond to the statewide limits for quail.

HUNT DATES: Oct. 27-28, and Nov. 3-4.

SQUIRREL

Regular Permit Fee: \$15 per adult hunter per day.

Regular Permit fees are waived for Annual Public Hunting (APH) Permit holders and youth under 17 years of age.

MARTIN DIES, JR.

(409/384-5231)

SPECIAL RESTRICTIONS: Shotguns are the only legal means for these hunts.

BAG AND POSSESSION LIMITS: Corresponds to limits for squirrel in Jasper County.

YOUTH/ADULT HUNT DATES: Dec. 1, 2, and 8.

SHOOTING HOURS: 30 minutes before sunrise to 2 p.m.

HUNTSVILLE

(936/295-5644)

SPECIAL RESTRICTIONS: Shotguns with no larger than #4 lead shot are the only legal means allowed.

BAG AND POSSESSION LIMITS: Corresponds to limits for squirrel in Walker County.

HUNT DATES: Dec. 12-13.

SHOOTING HOURS: 30 minutes before sunrise to noon. Park is closed to public during these hunts. All hunters must check in and out with staff at the hunter check station.

WATERFOWL, SNIPE, GALLINULE, RAIL, AND WOODCOCK

Regular Permit Fee: \$15 per adult hunter per day.

Regular Permit fees are waived for Annual Public Hunting (APH) Permit holders and youth under 17 years of age.

Note: Waterfowl includes duck, coots, mergansers, and geese. Waterfowl hunters are advised to check the Texas Hunting Regulations for Ducks, Mergansers, Coots and Geese to confirm that scheduled hunts fall within the established waterfowl seasons. Waterfowl hunters must use non-toxic shot. Possession of lead shot while hunting waterfowl is unlawful.

GUADALUPE DELTA - MISSION LAKE UNIT

(361/552-6637 or 979/244-6804)

BAG AND POSSESSION LIMITS: Corresponds to limits for waterfowl, snipe, gallinule, and rail for Calhoun County. Shotguns with non-toxic shot are the only legal means that may be possessed or used on this area.

SHOOTING HOURS: 30 minutes before official sunrise until noon. Gates open 2 hours before legal shooting hours. Hunters must check in and check out through the Area's check station. Hunters must be checked out by 12:00 noon. No permits will be issued within 30 minutes before legal shooting hours.

LEGAL SPECIES AND HUNT DATES: Waterfowl may be taken only on Saturday and Sunday of the Early Teal Season and only on Saturdays and the last Sunday of each split of the South Zone Duck seasons. Gallinules, rails, and snipe may be taken during the open seasons provided for these species when they are concurrent with teal and duck hunts. When the hunt dates fall on Thanksgiving, Christmas, or New Year's Day, no make-up hunt dates are scheduled.

MAD ISLAND

(979/244-6804)

BAG AND POSSESSION LIMITS: Corresponds to limits for waterfowl, snipe, gallinule, and rail for Matagorda County.

Shotguns with non-toxic shot are the only legal means that may be possessed or used on this area.

SHOOTING HOURS: 30 minutes before official sunrise until noon. Gates open 2 hours before legal shooting hours. Hunters must be checked out by 12:00 noon. Hunters must check in and check out through the Area's check station.

LEGAL SPECIES AND HUNT DATES: Waterfowl may be taken on Saturdays and Sundays during the Early Teal season. Waterfowl may be taken on Saturday and Sunday during the South Zone Duck season. During the week of Thanksgiving, the Area will also be hunted on Tuesday. Sandhill cranes, dove, gallinules, rails, and snipe may be taken during the seasons provided for these species only during concurrent waterfowl hunts. There will be areas set aside during the waterfowl hunts for youth/adult groups.

J. D. MURPHREE WMA -

BIG HILL UNIT, HILLEBRANDT UNIT, AND THE SALT BAYOU UNIT

(409/736-2551)

BAG AND POSSESSION LIMITS: Corresponds to limits for waterfowl, sandhill cranes, gallinule, and rail in Jefferson County.

SHOOTING HOURS: 30 minutes before sunrise until noon. Check in starts at 4:30 a.m. and the hunt ends at noon. Hunters must be checked out by noon through the proper check station.

HUNT DATES: Waterfowl may be taken each day of the Early Teal Season. Regular Duck Season: For the **J. D. Murphree Big Hill and Hillebrandt Units** - only on Tuesdays, Thursdays, and Saturdays during the Regular Duck season as provided for Jefferson County EXCEPT no hunts will be held prior to Oct. 27, on Thanksgiving Day, Christmas Day and New Year's Day, and during the period of Nov. 26-Dec. 7. **Salt Bayou Unit** - only on Wednesdays, Fridays, and Sundays of the Regular Duck season as provided for Jefferson County EXCEPT no hunts will be held prior to Oct. 27, or during the period of Nov. 26-Dec. 7.

YOUTH ONLY HUNT DATE: On date(s) established by the U.S. Fish and Wildlife Service for Special Youth Season. Only youth under 16 are authorized to hunt. Youth must be supervised by a non-hunting, permitted adult who is 18 years of age or older.

YOUTH/ADULT HUNT DATES: Each hunt party must have at least one participating youth and no more than two adults.

SALT BAYOU UNIT ONLY - first Saturday of the Regular Duck season after Oct. 26 as provided for Jefferson County.

BIG HILL UNIT - Nov. 23.

PEACH POINT

(979/233-8729 or 979/244-6804)

BAG AND POSSESSION LIMITS: Corresponds to limits for waterfowl, sandhill cranes, snipe, gallinule and rail for Brazoria County.

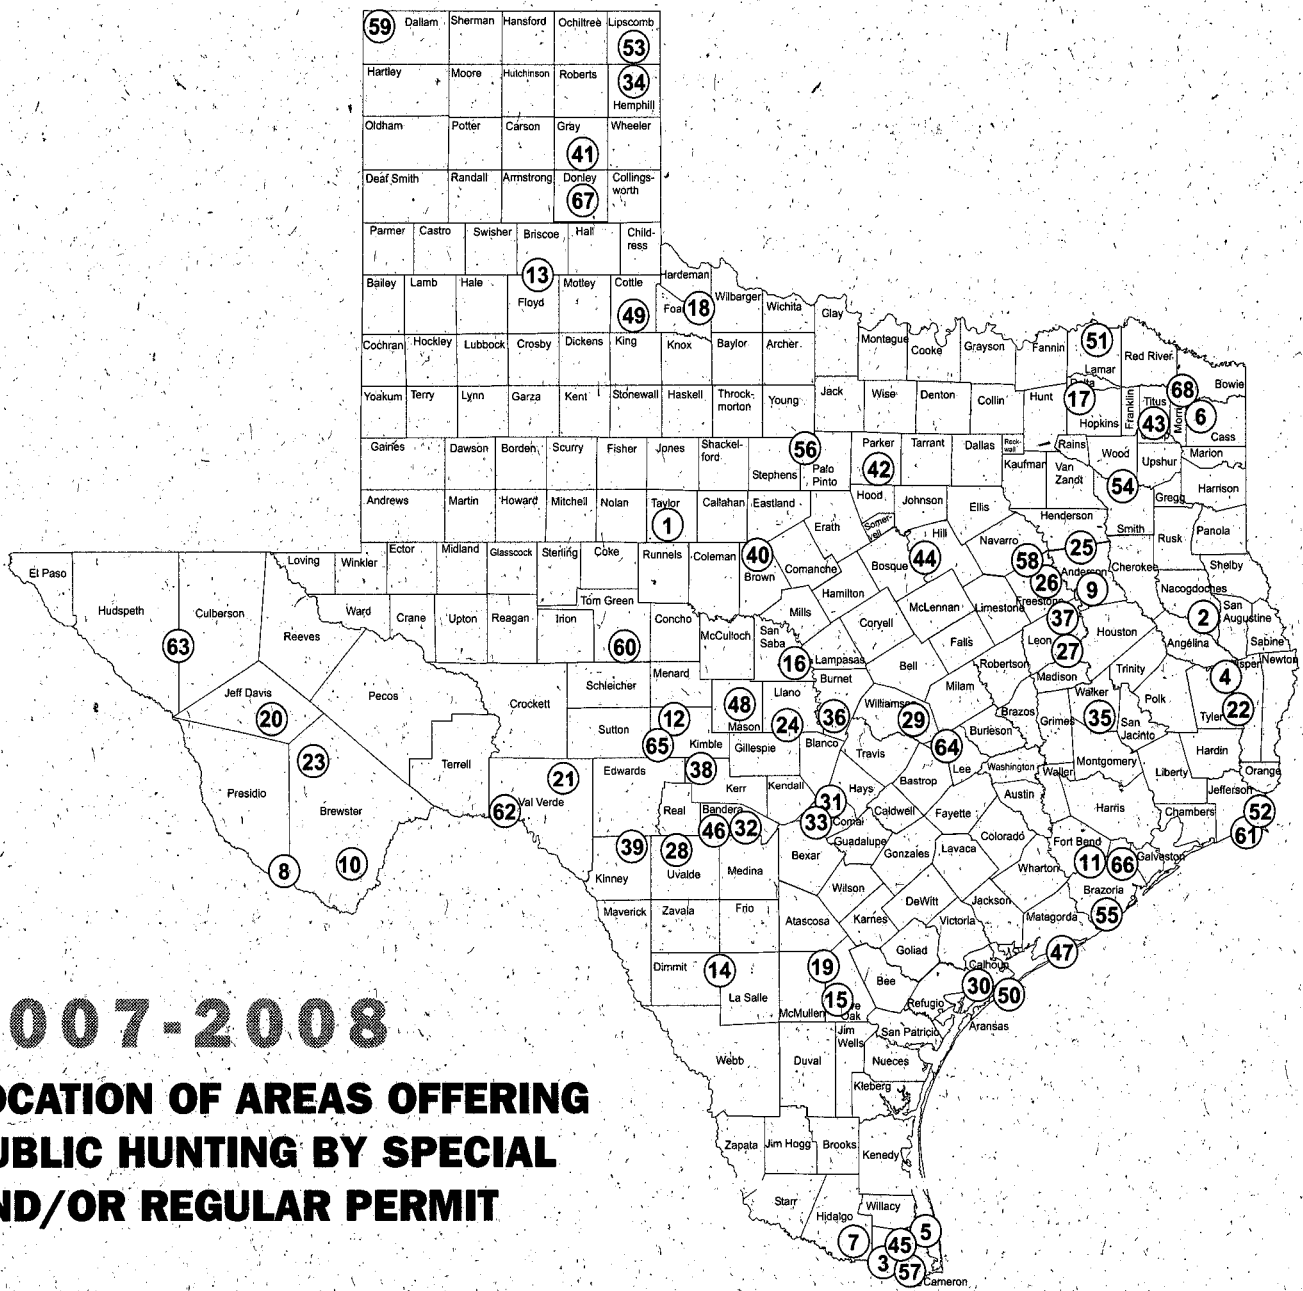

Shotguns with non-toxic shot are the only legal means that may be possessed or used on this area.

SHOOTING HOURS: 30 minutes before official sunrise until noon. Gates open 2 hours before legal shooting hours. Hunters must be checked out by 12:00 noon. Hunters must check in and check out through the Area's check station. Permit issuance ends 30 minutes before shooting time.

LEGAL SPECIES AND HUNT DATES: Waterfowl may be taken during Early Teal season only on Saturday and Sunday and during South Zone Duck season only on Tuesdays, Thursdays, Saturdays, and the last Sunday of each split as provided for Brazoria County. No make-up hunts if these days fall on Thanksgiving, Christmas, or New Year's Day.

YOUTH ONLY HUNT DATE: Only on Saturday during date(s) established by the U.S. Fish and Wildlife Service for Special Youth Season. Only youth under 16 are authorized to hunt. Youth must be supervised by a non-hunting, permitted adult who is 18 years of age or older.

YOUTH/ADULT HUNT DATES: On the first Sunday of each split of the regular Waterfowl season. Each hunting party must contain at least one youth hunter.

DESCRIPTIONS OF AREAS OPEN TO PUBLIC HUNTING BY SPECIAL OR REGULAR PERMIT

ABILENE STATE PARK

Taylor County

Abilene SP, southwest of Abilene, in Taylor County, is among a low range of hills called the Callahan Divide, in the extreme western portion of North Central Texas. Acquired in 1933 by deed from the City of Abilene, the park's total acreage is 1,972. Abilene is in a semi-arid region of short prairie grass, brushland, and wooded stream valleys of mesquite, juniper, cedar, native pecan, elm, live oaks, hackberry, Texas red oak, red bud and various other plants and wildflowers.

The public hunts are being conducted to control the impact to natural resources on the park. Access to the park will be limited to drawn participants. Hunters may use park camping facilities for which the standard fee is charged. To reach the park, travel 16 miles southwest of Abilene, through Buffalo Gap, on FM 89, then on Park Road 32 to the park entrance. For more information, contact the Park headquarters (325/572-3204).

ALAZAN BAYOU WILDLIFE MANAGEMENT AREA

Nacogdoches County

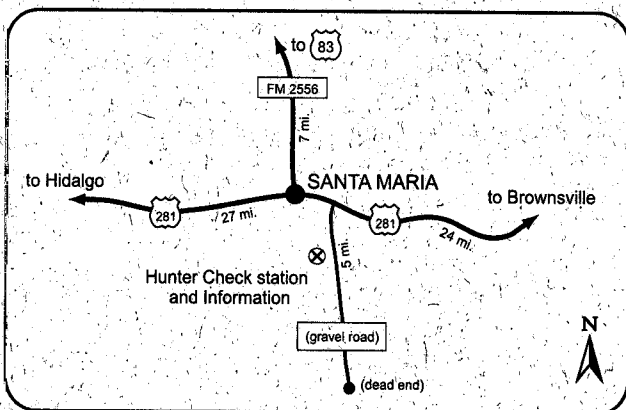

The Alazan Bayou WMA is located in southern Nacogdoches County and is within the Pineywoods ecological region of East Texas. The WMA is located 6.2 miles south of Nacogdoches and 1.1 miles west of US Hwy 59 on FM 2782. The WMA totals 2,063 acres and is primarily comprised of bottomland hardwood forests and old field habitats adjacent to the Angelina River. The WMA provides excellent habitat for wintering waterfowl, white-tailed deer, turkey, woodcock, rabbits, squirrels and feral hogs. Call the WMA headquarters for more information (936/639-1879).

ANACUA UNIT, LAS PALOMAS WILDLIFE MANAGEMENT AREA

Cameron County

The Anacua Unit consists of 220 acres located approximately 1/2 mile south of Santa Maria south off of US Hwy 281. The unit was originally in farm fields, but now consists primarily of reforested white-winged dove breeding habitat. The unit is divided into two separate sections, with the check station located in the north parking lot. There are designated hunting areas for doves in both the north and south sections of the unit. The closest complete commercial facilities are available in Harlingen. Call the Las Palomas WMA headquarters for more information (956/565-1223).

ANGELINA NECHES/DAM B WILDLIFE MANAGEMENT AREA

Jasper and Tyler counties

The Angelina Neches/Dam B WMA is located in Jasper and Tyler counties in the forks of the Angelina-Neches Rivers and the B.A. Steinhagen Reservoir and comprises 12,636 acres. The topography is generally flat with many sloughs and ridges. Surface water is abundant.

Access to the majority of the Area is by boat only. Airboats are prohibited on the Area. Public boat ramps and information stations are located at Bevilport, the Walnut Ridge and Cherokee Units of Martin Dies, Jr. SP, and the Magnolia Ridge Army Corps of Engineers Park.

Primitive camping is allowed in designated camp sites on the WMA; a permit must be obtained from the Corps of Engineers office at the dam site. Camping facilities are also available on the Martin Dies, Jr. State Park. Call for more information about hunting on the Area (409/384-6894).

ARROYO COLORADO UNIT, LAS PALOMAS WILDLIFE MANAGEMENT AREA

Cameron County

The Arroyo Colorado Unit consists of 761 acres, most of which have reverted from farm and ranch land to native brush. The unit is located by traveling 3 miles east of Rio Hondo on Hwy 106, then 5.5 miles north on Hwy 2925. Primitive camping is allowed for permitted hunters selected for the drawn youth deer hunts. There are no restroom facilities or potable water available. The closest complete commercial facilities are available in Harlingen. Call the Las Palomas WMA headquarters for more information (956/501-4793).

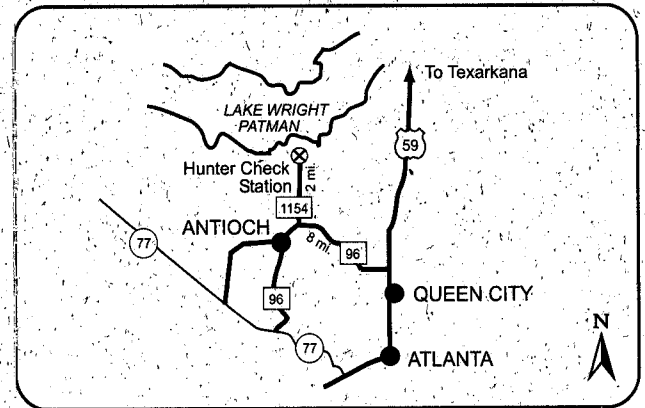

ATLANTA STATE PARK

Cass County

Atlanta SP is located in central Cass County approximately 10 miles northwest of Atlanta. The 1,475 acres, set in pine forests adjacent to Wright Patman Dam and Lake, were acquired in 1954.

The Area is closed to park visitors during the public hunts and the entrance fee is waived for hunt participants. Hunters may use park camping facilities for which the standard fee is charged. Call the Park headquarters for further information (903/796-6476).

BAIRD, CHAPOTE, AND TAORMINA UNITS, LAS PALOMAS WILDLIFE MANAGEMENT AREA

Hidalgo County

The Baird, Chapote, and Taormina units contain 947 acres and are located 3.5 miles south of Expressway 83 in Donna and 1 mile east of FM 493 and .5 miles south on Victoria Road. The Baird and Taormina units were formerly pasturelands that have been converted to native brush. The Chapote unit is primarily open, weedy fields. There are designated hunting areas for dove, and hunters are cautioned not to trespass on adjoining private property or shoot from public roads. The check station is located on the west side of the Taormina unit. The closest complete commercial facilities are available in Donna and Weslaco. Call the Las Palomas WMA headquarters for more information (956/565-1223).

BIG BEND RANCH STATE PARK

Presidio and Brewster counties

Big Bend Ranch's 301,648 acres lie west of Big Bend National Park covering some 400 square miles. For the most part, the Park is desert grassland or succulent-desert grassland and rocky slopes.

Successful applicants must meet at Fort Leaton State Historic Site located 3 miles east of Presidio on FM Road 170 by 10:00 a.m. on the first morning of their hunt to be guided to the ranch headquarters complex (Sauceda). All hunters desiring to stay on the Park during the hunt period will be required to stay at Saucedá headquarters. The hunting permit will serve to waive the Park entrance fee. All other standard park fees apply during the hunt. Optional transportation and guide service is available at additional cost. Call the Park headquarters for further information or accommodations (432/229-3416).

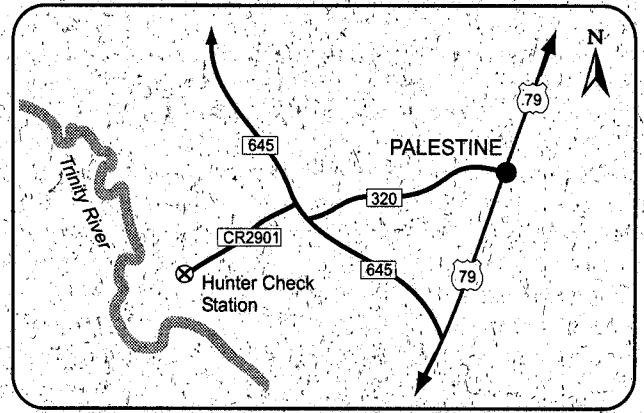

BIG LAKE BOTTOM WILDLIFE MANAGEMENT AREA

Anderson County

Big Lake Bottom WMA comprises 2,870 acres located 15 miles southwest of Palestine. The entire area lies within the floodplain of the Trinity River, and is a remote, heavily forested bottomland hardwood habitat. It is recommended that hunters bring rubber footwear and a compass.

Portable deer stands that do not damage trees are encouraged and will increase hunter success. Portable blinds are not available at the Area. One primitive campground is available to hunters and permit holders.

DUE TO VERY LIMITED ACCESS AND DISTANCE TO HUNTING COMPARTMENTS (often 2-3 miles), USE OF ATVs and other ORVs IS STRONGLY ENCOURAGED. ATVs must be operated in accordance with state law regulating the use of ATVs on public land. Caution should be taken during rainy weather as this area is prone to flooding. High water may result in cancellation of scheduled hunts on short notice. Call the Big Lake Bottom WMA headquarters for further information (903/389-7080).

BLACK GAP WILDLIFE MANAGEMENT AREA

Brewster County

The Black Gap Area in Brewster County is located 58 miles south of Marathon, on 2627. It has approximately 25 miles of the Rio Grande as the south boundary, adjoining the Mexican state of Coahuila. The Area contains 119,171 acres of semi-arid land. Annual rainfall averages approximately eight inches.

Participants in public hunts held on the Area should bring all necessary provisions with them. Primitive camping is allowed during public hunts in designated areas. No trailer hookups are available. Firewood is scarce; therefore, hunters should either bring a supply or use camp stoves that burn white gas or similar fuel. Phone the Area headquarters for further information (432/837-3251).

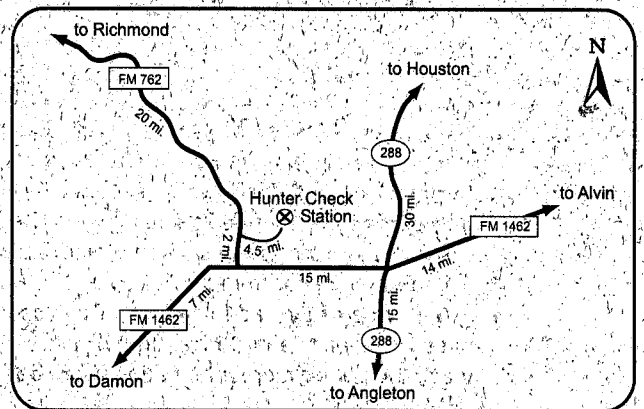

BRAZOS BEND STATE PARK

Fort Bend County

Brazos Bend SP consists of 4,975 acres located in Fort Bend County approximately 20 miles southeast of Richmond. Most of the Park is in the Brazos River floodplain with bottomland habitat. Waterproof footwear is recommended for hunter comfort.

The hunter check station is located at the group banquet hall in the interior of the Park. Hunters may use park's shelter area overnight for which a fee is charged. Lodging and restaurants are available in Richmond for those not wishing to camp on the Park. Call the Park headquarters for further information (979/553-5101).

WALTER BUCK WILDLIFE MANAGEMENT AREA

Kimble County

The Walter Buck WMA consists of 2,133 acres located on the south fork of the Llano River in Kimble County, approximately 5 miles southwest of Junction.

No camping or fires are permitted on the Area. Camping is available on the adjacent South Llano River State Park. Other commercial camping facilities are available nearby. Vehicles with high ground clearance preferred. Four-wheel drive needed in some areas. Call South Llano River State Park (325/446-3994) for further information on camping and for reservations call (512/389-8900). For area hunt information, call (325/446-3617).

CAPROCK CANYONS STATE PARK

Briscoe County

Caprock Canyons SP is in southeast Briscoe County, 3.5 miles north of Quitaque, off SH 86 on FM 1065. The Park's 13,960 acres were purchased in 1975. The Park is closed to park visitors during the public hunts and the entrance fee is waived for hunt participants. Hunters may use park camping facilities for which the standard fee is charged.

NOTE: Because of the extremely rugged terrain in portions of the Park, hunters should be prepared for a very strenuous hunt which may occur during severe winter conditions such as freezing rain or snow. Also, the removal of the harvested animals from portions of the Park to the nearest road or pickup point can be very strenuous because of the terrain and size of the larger animals (200 lbs. plus). Phone the Park headquarters for additional information (806/455-1492).

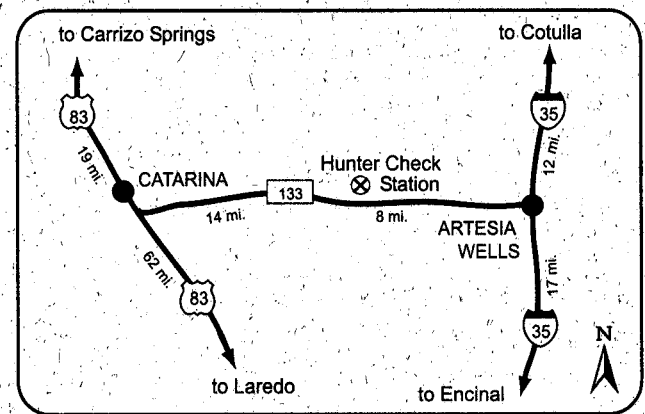

CHAPARRAL WILDLIFE MANAGEMENT AREA

Dimmit and La Salle counties

The Chaparral WMA is a 15,200-acre research and management facility located 8 miles west of Artesia Wells. The Chaparral is representative of the South Texas Plains Ecological Region vegetated by thorny brush or "chaparral" dominated by mesquite, prickly pear cactus, granjeno, blackbrush, and leatherstem.

A primitive campground on the Area is available for use by hunters. Restrooms and potable drinking water are available at the campground, although hookups are not available. An RV campground is also available that features paved pull-throughs but has no hook-ups or facilities. Campground will be open at 8:00 a.m. on the day prior to scheduled public hunt periods. Commercial lodging and restaurants are located in Catarina, Carrizo Springs, and Cotulla. Cold storage facilities are present at the check station for use by hunters. NOTE: All hunters must sign in at check station. A daily use fee or annual permit is required on regular permit hunts. Standby hunters wishing to participate in special permit hunts must be at the check station by 11:00 a.m. (10:00 a.m. for the youth hunts) on the scheduled hunt start date. Baiting is not allowed.

Public access to non-consumptive users will not be available during scheduled regular or special permitted public hunt periods. Generally, public hunts are scheduled from September through March. The Chaparral WMA will be open for non-consumptive use access during the period April 1-August 31 through an access point located at the campground. Call the Area headquarters for further information (830/676-3413) or e-mail the WMA at cwma@grandriver.net.

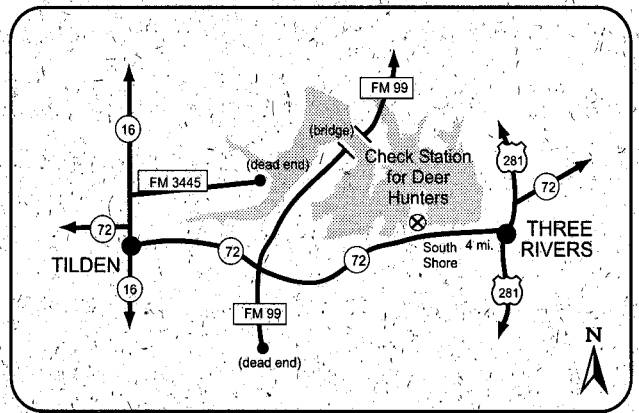

CHOKE CANYON STATE PARK NORTH SHORE UNIT

Live Oak County

The North Shore Unit is approximately 1,200 acres located northwest of the Choke Canyon Dam between Three Rivers and Tilden. It is accessible only through the South Shore Park on SH 72.

The gently rolling terrain is covered by thorny brush consisting mostly of mesquite, black-brush, and various cacti.

The hunter check station is located at the South Shore Unit park headquarters 4 miles west of Three Rivers on SH 72. Multi-purpose camp sites are available at Choke Canyon State Park South Shore Unit. Call the South Shore State Park for further information (361/786-3538).

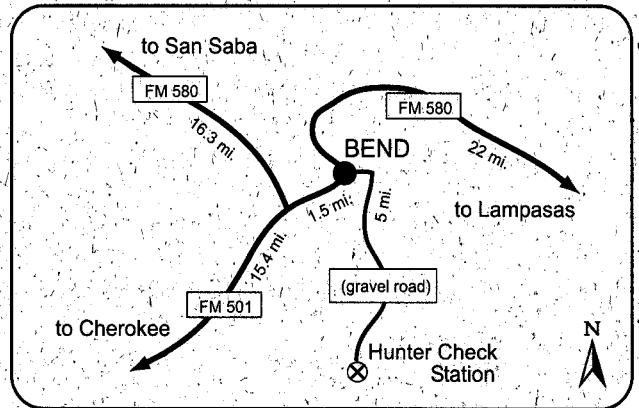

COLORADO BEND STATE PARK

San Saba County

Colorado Bend SP consists of 5,328 acres located on the Colorado River, approximately 10 miles above Lake Buchanan.

Camping is permitted in the designated primitive camping area. Campfires permitted in on-site fire rings. Drinking water is available and chemical toilets are provided. There is no electricity available.

The hunter check station is located at the park maintenance area. Call the Park office for further information (325/628-3240).

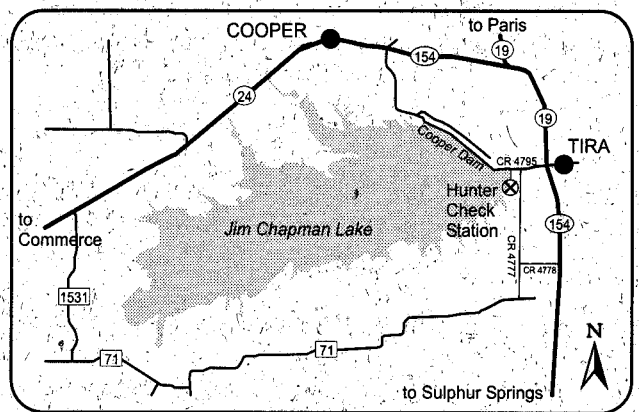

COOPER WILDLIFE MANAGEMENT AREA

Hopkins and Delta counties

Cooper WMA is located on the South Sulphur River, 4 miles South of Cooper and 70 miles northeast of Dallas. The Area covers 9,460 acres on the periphery of Cooper Lake and 4,700 acres of potentially flooded timber within the reservoir. Cooper WMA is within the Post Oak Savannah and Blackland Prairie ecological areas, with habitat consisting of bottom-land hardwoods, emergent wetlands, grasslands, shrublands and upland hardwoods. Numerous creeks and two rivers are present on the Area.

No camping or fires are permitted on the Area. Camping is available on the neighboring South Sulphur and Doctors Creek State Parks. Call the Area headquarters for further information (903/945-3132).

COPPER BREAKS STATE PARK

Hardeman County

Copper Breaks SP consists of 1898.8 acres, 12 miles south of Quanah or 9 miles north of Crowell. The park was acquired by purchase from a private owner in 1970 under the State Parks' Bond Program and was opened in 1974. The park features rugged, scenic beauty with mixed grass/mesquite-covered mesas and juniper breaks. North Texas wildlife abounds; roadrunners, great blue herons, many species of ducks, meadow larks, quail, doves, cardinals, owls, flickers, bluebirds, kites, hawks and mockingbirds are just a few of the many species of birds found in the park. Most species of mammals in the park are best viewed during the early morning and late evening hours.

The public hunts are being conducted to control the impact to natural resources on the park. Access to the park will be limited to drawn participants. Hunters may use park camping facilities for which the standard fee is charged. For more information, contact the Park headquarters (940/839-4331).

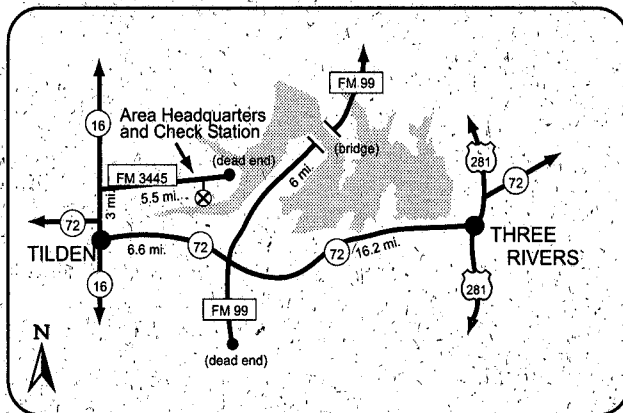

JAMES E. DAUGHTREY WILDLIFE MANAGEMENT AREA

Live Oak and McMullen counties

The James E. Daughtrey WMA is located between Three Rivers and Tilden and contains 4,400 acres surrounding Choke Canyon Reservoir. The terrain is generally flat with thorny brush dominated by mesquite, blackbrush and cacti throughout. Roads on the Area are primitive and trucks will provide access to most areas. Four wheel drive is recommended in wet weather.

Limited permanent blinds are provided and hunters may bring their own portable blinds. There are no cold storage facilities available on the Area. Potential standby hunters must be at the check station no later than 11:00 a.m. on the first day of each hunt. A primitive campground is available for Special Permit hunters and will open the evening before the start of each hunt. Drinking water and electrical hookups are not available. A limited number of fire rings and picnic tables are provided on a first come, first served basis, as is one rented chemical toilet. Camping is also available at Choke Canyon State Park - South Shore Unit (361/786-3538). For further information call the WMA office (830/676-3413 or 361/274-3573).

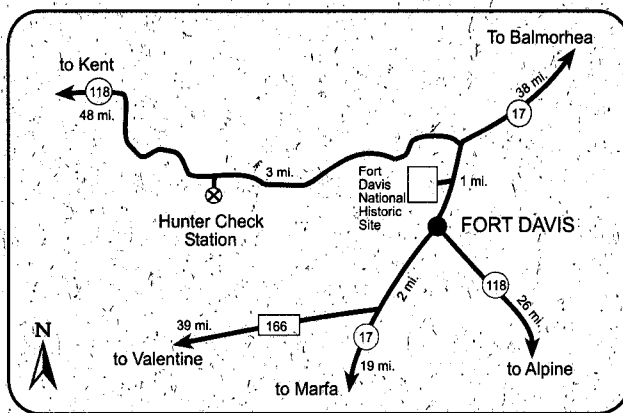

DAVIS MOUNTAINS STATE PARK

Jeff Davis County

Davis Mountains SP is 2,708 acres in size and is located in the southeastern foothills of the Davis Mountains of West Texas. Elevations in the Park average over a mile above sea level. Winter seasons are usually dry and cool with light freezes most nights. Vegetation is dominated by grasslands and oak-juniper in the uplands.

Campground facilities in the Park will remain open during the hunt. Standard park fees will apply during the hunt. Other accommodations are available in Fort Davis, 4 miles from the Park.

Drawn applicants are encouraged to call the Park headquarters for further information (432/426-3337).

DEVIL'S RIVER STATE NATURAL AREA

Val Verde County

The primitive Devil's River SNA contains 19,988 acres located approximately 45 miles north of Del Rio. Vegetation on the ridges and slopes is typical of semi-desert grasslands, and is fairly open. There is a scattered population of free-ranging exotics consisting of corsican and aoudad sheep, also axis deer.

Only primitive camping near the headquarters will be allowed on the Area. Water is available, no ground fires permitted. Only self-contained stoves and containerized fuel will be allowed.

Vehicles with high clearance or 4-wheel drive are recommended. Call the Park headquarters for further information (830/395-2133).

MARTIN DIES, JR. STATE PARK

Tyler and Jasper counties

Martin Dies, Jr. SP 705 acres, is located 10 miles west of Jasper and 17 miles east of Woodville on US Hwy 190. The Park is located in an old growth pine/hardwood forest adjacent to B.A. Steinhagen Lake and the Neches River.

The Hen House Ridge Unit is closed to park visitors during the public hunts and the entrance fee is waived for hunt participants. Hunters may use park camping facilities for which the standard fee is charged. Provisions have been made for handicapped hunters. Call for more information about the Park (409/384-5231).

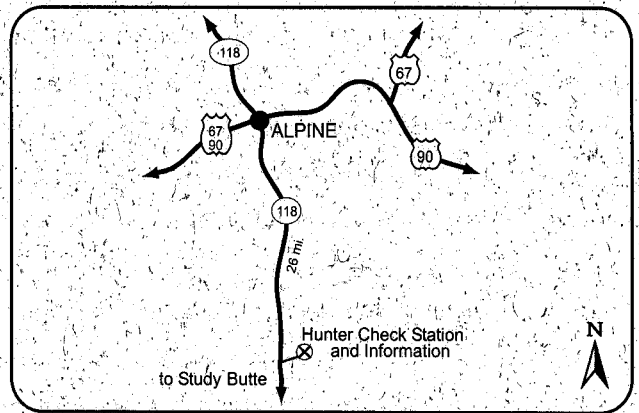

ELEPHANT MOUNTAIN WILDLIFE MANAGEMENT AREA

Brewster County

Elephant Mountain WMA contains 23,147 acres located approximately 26 miles south of Alpine. Vegetation consists primarily of desert shrub species including juniper, pinyon, mesquite, sotol, yucca, lechugilla, and cacti.

Desert bighorn sheep have been released on the Area. Hunters must exercise caution while hunting for other species.

High clearance or four-wheel drive vehicles are recommended as the roads are quite primitive. Camping is permitted within the designated primitive campground only. Campfires are allowed in fire-rings only; however, no cutting or gathering of firewood is permitted on the Area so hunters must bring their own wood. Water facilities are not available on the Area. Commercial lodging is available in Alpine. Call the Area headquarters for further information (432/837-3251).

ENCHANTED ROCK STATE NATURAL AREA

Gillespie and Llano counties

The site is on the county line between Gillespie and Llano counties and contains 1,643 acres. The four major plant communities of Enchanted Rock are open oak woodland, mesquite grassland, floodplain, and granite rock community.

The Park will be closed to the public during the hunts. Tent camping is available at the Area for drawn hunters. The check station is located at the Park headquarters. Call the Park headquarters for further information (325/247-3903).

GUS ENGELING WILDLIFE MANAGEMENT AREA

Anderson County

The Gus Engeling WMA is located 22 miles northwest of Palestine and 38 miles southeast of Corsicana on US Hwy 287. The hunter check station is 2 miles north of the office via an Area road. The Area consists of 10,958 acres operated as a wildlife research and demonstration station. The terrain is flat to gently rolling post oak woodlands, consisting of dense stands of oak-hickory overstory, with associated understory species such as yaupon, greenbrier, dogwood, hawthorn, elm, and huckleberry.

Portable deer blinds that do not damage trees are encouraged. Portable blinds are not available at the Area. Pick-ups or four-wheel drive vehicles are recommended because portions of the Area are not accessible by passenger car. Standby applicants need to report to the WMA office at 10:30 a.m. the first day of the hunt.

An improved campground with designated camper pads and modern restroom facilities are available for use by hunters, anglers and other authorized public users. Motel facilities are available in Palestine. Fairfield Lake State Park (903/389-4514) has camping available approximately 30 miles away on Fairfield Lake. Call the Area headquarters for further information (903/928-2251).

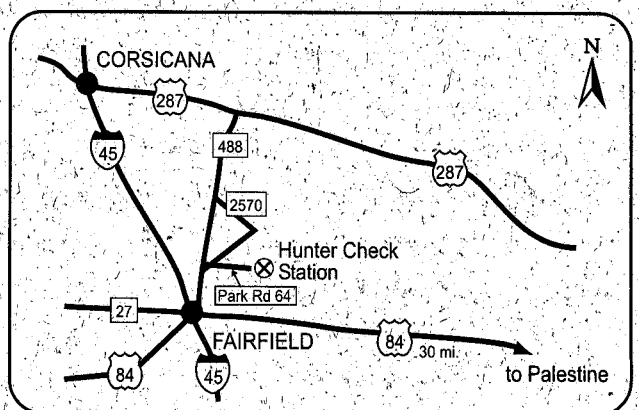

FAIRFIELD LAKE STATE PARK

Freestone County

Fairfield Lake SP contains 1,460 acres located 6 miles northeast of the city of Fairfield adjacent to Lake Fairfield. Stately oak, hickory, cedar, and elm trees mark the transition zone between the pine forests to the east and the prairie grasslands to the north and west.

The Park will be closed to the general public during the hunt periods. Hunters may use park camping facilities for which the standard fee is charged. Call the Park headquarters for further information (903/389-4514).

FORT BOGGY STATE PARK

Leon County

Fort Boggy SP is a developed state park containing 1,847 acres located 4 miles south of Centerville on the west side of SH 75. Currently, it is a "day-use" only park. The Park is about two-thirds wooded and contains a mixture of upland and bottomland habitat.

Primitive camping will be allowed near the check station on the Park. No water or restrooms are available. Commercial lodging is available nearby in Centerville. Call the Park headquarters (903/344-1116) for further information.

GARNER STATE PARK

Uvalde County

Garner SP is located 31 miles north of Uvalde and 7 miles north of Concan on US Hwy 83 to FM 1050. This 1,484-acre park is located along the Frio River in the Edwards Plateau region of the state. The Park has steep limestone hills and dense juniper and oak woods.

Camping will be available for the hunters during the hunts. For information contact the Park (830/232-6132).

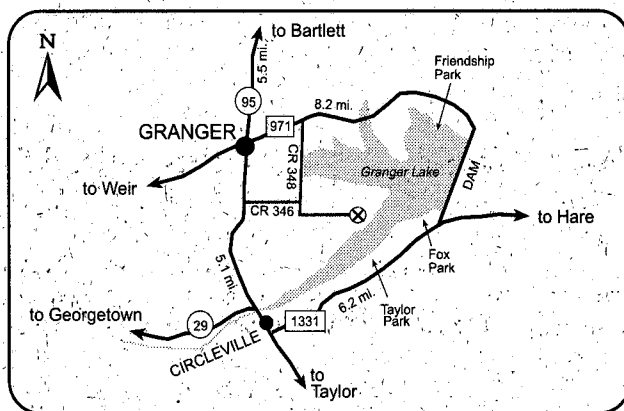

GRANGER WILDLIFE MANAGEMENT AREA

Williamson County

The Granger WMA is located in East Central Texas in the Blackland Prairies Ecological Region. The area consists of 10,888 acres of US Army Corps of Engineers land approximately 7 miles east of Granger and 9 miles northeast of Taylor.

The lake takes in approximately 4,400 acres with the remaining 6,643 acres of land being divided into 9 separate hunting compartments.

Camping is permitted on the adjacent US Army Corps of Engineers managed parks, for site reservations phone (877/444-6777). Motel and commercial lodging facilities are available in the vicinity as well. It is recommended that hunters wishing to camp should stay at the Willis Creek Park due to its close proximity to the hunter check station. Hunters will be assigned to compartments and the Management Area will be closed to other users during the special permit hunts. Hunters will have limited vehicular access, however, ATVs or ORVs may be used for blind placement and game removal. Call the WMA check station for further hunt information (512/859-2838).

GUADALUPE DELTA WILDLIFE MANAGEMENT AREA

Calhoun County

The Mission Lake Unit of the Guadalupe Delta WMA is located 12 miles west of Port Lavaca on SH 35 and consists of approximately 4,400 acres of marsh. It is a freshwater marsh subject to flooding from the Guadalupe River and its adjacent bayous.

See page 42 for Regular Permit Hunt information. There are no permanent blinds permitted on the Area and hunters must use available vegetation for concealment. Persons entering the WMA must bring their own water supply since there is no potable water on the Area. No camping or open fires are allowed on the Area. Commercial facilities are available in nearby Tivoli, Port Lavaca, and Victoria. The nearby Guadalupe River and Hynes Bay Units have different regulations and the Annual Public Hunting booklet should be consulted. Call for further information (361/552-6637 or 979/244-6804).

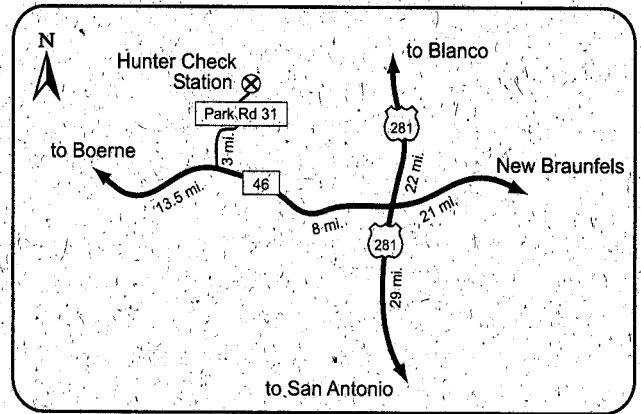

GUADALUPE RIVER STATE PARK

Comal County

Guadalupe River SP has approximately 1,280 acres open to public deer hunting by Special Permit only. In the uplands away from the river, the limestone terrain is typical of the Edwards Plateau and has oak and juniper woodlands with interspersed grasslands. Drawn hunters will report to the Guadalupe River SP hunter check station and will be escorted by park staff to their assigned blind.

All hunters may use park camping facilities for which the prevailing fee is charged. Commercial lodging, restaurants, and private campgrounds are available in nearby Boerne, Blanco, New Braunfels, and the Canyon Lake area. Call the Park headquarters for further information (830/438-2656).

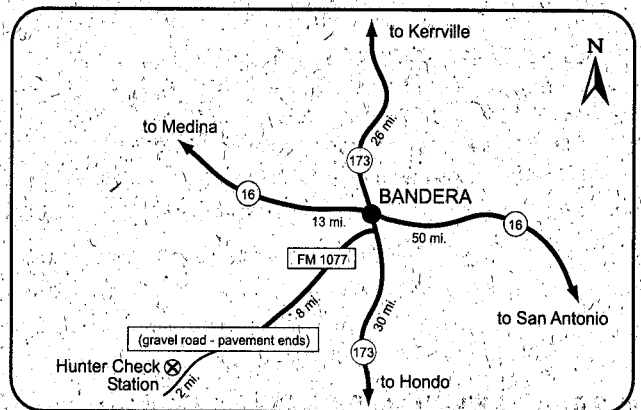

HILL COUNTRY STATE NATURAL AREA

Bandera and Medina counties

The Hill Country SNA contains 5,370 acres located on the boundary between Bandera and Medina counties 11 miles southwest of Bandera. Vegetation is predominately live oak/grassland, with some areas heavily wooded.

Camping will be available on the Park for permitted hunters. Drinking water can be purchased and chemical toilets are provided in the camping area. Campfires are allowed on the Park in fire rings only, located in camping areas. Overnight camping fee will be charged to those hunters using the Park's facilities. Motels and private campgrounds are available in Bandera and other surrounding towns. Call the Park headquarters for further information (830/796-4413).

HONEY CREEK STATE NATURAL AREA

Comal County

Honey Creek SNA has 1,500 acres and is located approximately 30 miles northwest of San Antonio. The uplands are typical of the Edwards Plateau and have oak and Ashe juniper woodlands with interspersed grasslands.

The hunter check station is at Guadalupe River State Park headquarters. Hunters may use park camping facilities at the nearby Guadalupe River State Park for which the prevailing fee is charged. Commercial lodging, restaurants, and private campgrounds are available in nearby Boerne, Blanco, New Braunfels, and the Canyon Lake area. Call Guadalupe River State Park for further information (830/438-2656).

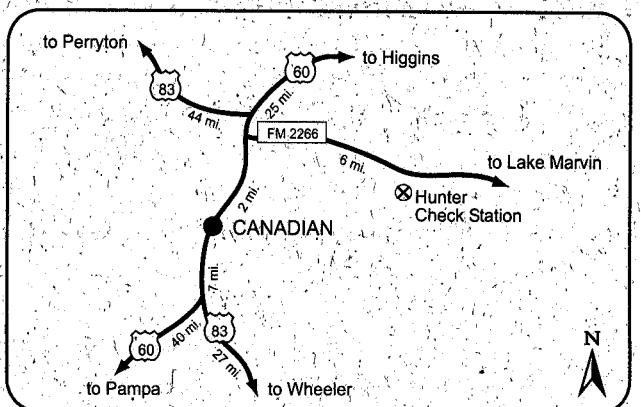

GENE HOWE WILDLIFE MANAGEMENT AREA

Hemphill County

The Gene Howe Wildlife Management Area consists of 5,394 acres of rolling plains country along the Canadian River. Northern portions of the WMA contain rolling sand hills dominated by tall grasses and sand sagebrush. Open tallgrass meadows and stands of eastern cottonwood and Russian olive dominate the bottomlands to the south.

Primitive campground facilities are available for hunters, approximately 1/2 mile east of the WMA headquarters and check station on the north side of FM 2266. Contact Gene Howe WMA personnel for details (806/323-8642).

HUNTSVILLE STATE PARK

Walker County

Huntsville SP contains 2,083 acres in the pineywoods of the Sam Houston National Forest located 6 miles south of Huntsville. These woodlands, dominated by loblolly and shortleaf pines, are typical of East Texas.

The Park will be closed to the general public during the hunt periods. Hunters may use park camping facilities for which the standard fee is charged. Call the Park headquarters for further information (936/295-5644).

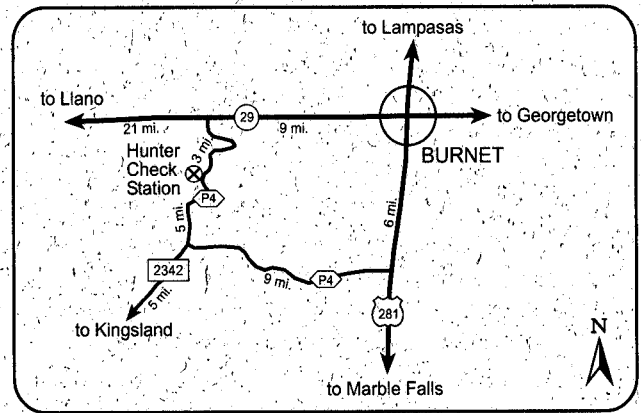

INKS LAKE/LONGHORN CAVERNS STATE PARKS

Burnet County

Inks Lake SP contains 1,201 acres located 9 miles west of the town of Burnet and 3 miles south of SH 29 on P 4. Inks Lake State Park contains large outcroppings of pink granite interspersed with stands of live oak and Ashe juniper. Longhorn Caverns State Park is located southeast of Inks Lake State Park about a 10-minute drive along P 4. Longhorn Caverns State Park contains 653 acres of hilly limestone terrain with dense woods of Ashe juniper and live oak.

Inks Lake State Park and Longhorn Caverns State Park will be hunted as one combined unit with the hunter check station located at Inks Lake State Park. Overnight camping is available for permitted hunters and the standard fee is charged. Call Inks Lake State Park for further information (512/793-2223).

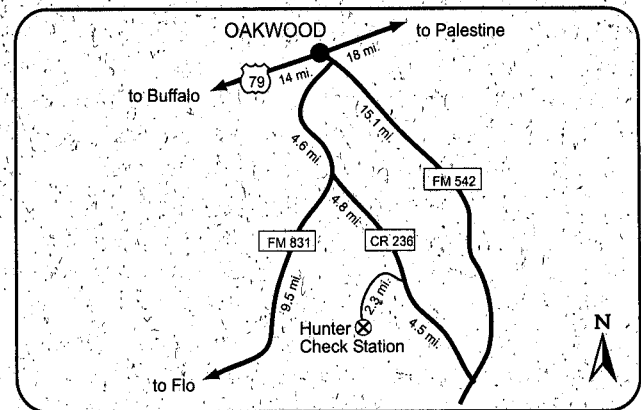

KEECHI CREEK WILDLIFE MANAGEMENT AREA

Leon County

Keechi Creek WMA consists of 1,500 acres located approximately 10 miles south of Oakwood. Approximately 80 percent of the Area is bottomland hardwood intersected with creek drainages and containing numerous standing water sloughs.

Primitive camping is allowed on the WMA and commercial lodging facilities are available in Centerville, Buffalo, Palestine, and Crockett. Private campgrounds are also available in the surrounding area. The Area is subject to periodic flooding and waterproof footwear (preferably knee length) is recommended for hunter comfort. High water may result in cancellation of scheduled hunts on short notice. Some hunters should expect to travel by foot up to 1/4 of a mile to reach hunting compartments for Special Permit hunts. Call the Keechi Creek WMA field office for further information (903/389-7080).

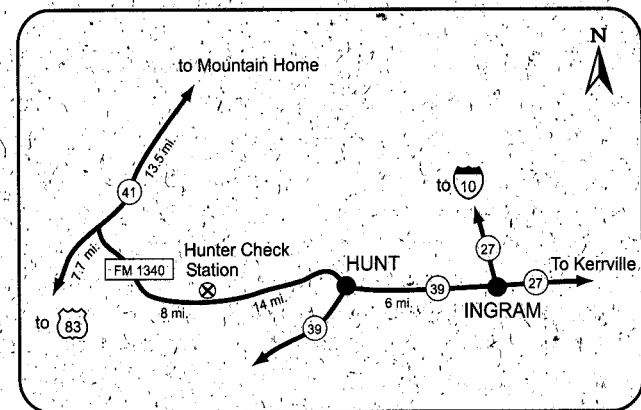

KERR WILDLIFE MANAGEMENT AREA

Kerr County

The Kerr WMA consists of 6,460 acres located west of Hunt. The WMA is representative of the Edwards Plateau with rolling hills, fresh water springs, dense cedar (juniper) brakes, and live oak-shin oak thickets. The Area is enclosed by a 7-foot fence to facilitate scientific investigations.

No camping or fires are allowed on the Area. Camping facilities are available at Kerrville State Park (830/257-5392). Motels and other commercial facilities are available in and around Kerrville, Ingram, and Hunt. Hunters will take their vehicles to the hunting compartment to which they are assigned. Hunting is by assigned compartment and portable blinds may be brought for personal use. Call the Area headquarters for further information (830/238-4483).

KICKAPOO CAVERN STATE PARK

Kinney and Edwards counties

Kickapoo Cavern SP contains 6,368 acres located 23 miles north of Brackettville. The Park includes a mixture of live oak, Ashe juniper, mountain laurel, mesquite, and large stands of pinyon pine.

Camping will be permitted in the designated areas. Fires are allowed in fire rings only. Hunters should bring all water, food and other supplies to sustain themselves while on the Area. Campgrounds, commercial lodgings and other facilities are available in Brackettville, Fort Clark Springs, and Rocksprings. Hunters will take their vehicles to the hunting compartments to which they are assigned. Hunting is by assigned compartment and portable blinds may be brought for personal use. High clearance and/or 4-wheel drive vehicles may be required in some compartments.

Call the Park headquarters for further information (830/563-2342).

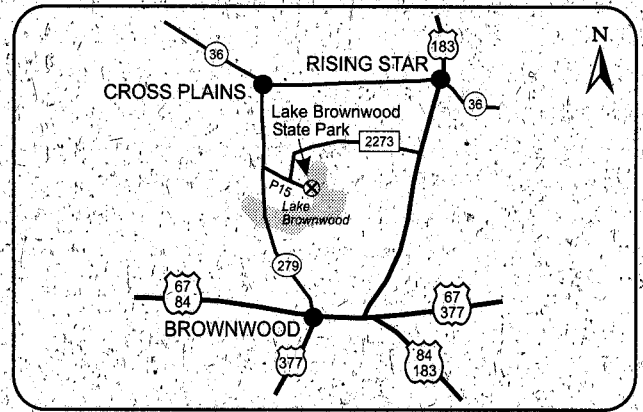

LAKE BROWNWOOD STATE PARK

Brown County

Lake Brownwood SP is located 18 miles northwest of Brownwood on SH 279, then east on Park Road 15 for 6 miles. The 538-acre park is located on a peninsula in Lake Brownwood in the Cross Timbers region of the state.

Limited camping will be available to hunters at regular camping fees during the hunts. For more information contact the Park (325/784-5223).

LAKE MCCLELLAN RECREATION AREA

Gray County

Lake McClellan Recreation Area is located approximately 60 miles east of Amarillo and 3 miles north of I-40 (exit 128) on FM 2477. The U.S. Forest Service administers the 1,440-acre area surrounding Lake McClellan. The site is predominantly bottomland, surrounded by rough rangeland terrain. Brushy draws extend down from upland rangeland into the bottomlands containing cottonwood, hackberry, and elm.

The portion of the area that is being hunted will be closed to the general public during the hunt periods. Hunting is by assigned blind. The entrance fee is waived for hunt participants. Hunters may use designated park facilities for which the standard fee will be charged. Commercial lodging is available in Pampa, Clarendon, or Groom. For more information, call the U.S. Forest Service office in Cheyenne, Oklahoma (580/497-2143).

LAKE MINERAL WELLS STATE PARK

Parker County

Lake Mineral Wells SP's 3,000 acres lie in far west Parker County, 3 miles east of the city of Mineral Wells. The Park is characteristic of the Cross Timbers ecological areas of Texas, with a mix of post oaks and grasslands. The portion of the Park that is being hunted will be closed for all other uses. Most camping areas will be open. The entrance fee is waived for hunt participants. Hunters may use park camping facilities for which the standard fee is charged. For more information contact the Park headquarters at (940/328-1171).

To access the Park, travel 3 miles east of Mineral Wells on US Hwy 180 or 1/4 miles west of Weatherford.

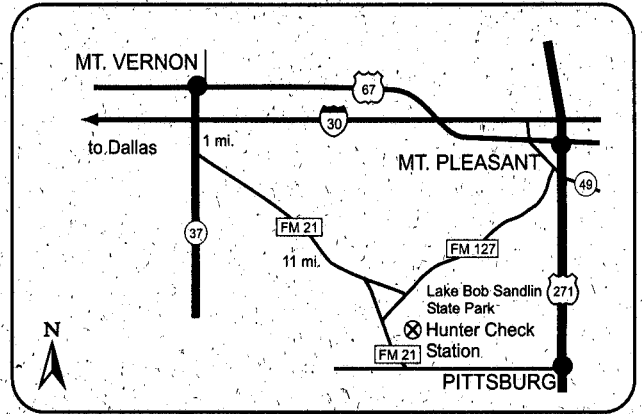

LAKE BOB SANDLIN STATE PARK

Titus County

Lake Bob Sandlin State Park is located 12 miles southwest of Mount Pleasant, Texas. The Park is 640 acres nestled in the midst of the beautiful Pineywoods region of Texas in Titus County. There are many pines, cedar, sweetgum, dogwood and oak trees in the Park.

The public hunt is being held to help control the increasing population of white-tailed deer, which has impacted the natural resources here. Access to the Park will be limited to participants of the public hunt. The hunter check station is located at the Park headquarters accessed off FM 21. For more information, call the Park headquarters (903/572-5531).

LAKE WHITNEY STATE PARK

Hill County

Lake Whitney SP consists of 955 acres on the eastern shore of Lake Whitney in Hill County. The Park is located 2.5 miles southwest of Whitney on FM 1244. The area consists of rolling grassland with scattered stands of mesquite, cedar elm, hackberry, live oak, and post oak.

The Park will be closed to the public during the hunt. Entrance fees will be waived to drawn hunters. Limited camping will be available to hunters at the regular camping fees. Call the Park headquarters at (254/694-3793) for further information.

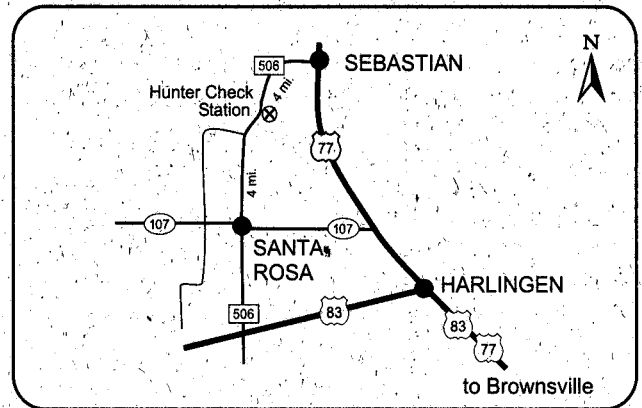

LONGORIA UNIT

LAS PALOMAS WILDLIFE MANAGEMENT AREA

Cameron County

The Longoria Unit comprises 373 acres that are a mosaic of old woodlands, recent and mature habitat restoration sites, farm fields, and food plots. The property was originally purchased as white-winged dove habitat, but represents a remnant tract of high quality woodlands and brush that provides a home for many animal and plant species unique to Texas. The Longoria Unit is located on FM 506, and can be reached from the north by traveling approximately 4 miles west and south from Sebastian, or, from the south, by traveling approximately 4 miles north of Santa Rosa. The closest complete commercial facilities are available in Harlingen. For more information, call the Las Palomas WMA Headquarters (956/565-1223).

LOST MAPLES STATE NATURAL AREA

Bandera County

Lost Maples SNA is 2,174 acres of steep, rugged limestone canyons, springs, plateau grasslands, wooded slopes, and clear streams. It is located in western Bandera County on the Sabinal River, 5 miles north of Vanderpool on Ranch Road 187. The hunter check station is located at the Park Maintenance Area. All hunters should first stop at the Park headquarters accessed off FM 187 for instructions.

Camping is available at the Area. Except for drawn hunt participants, the Park will be closed to the public during the hunts. Call for camping information (830/966-3413).

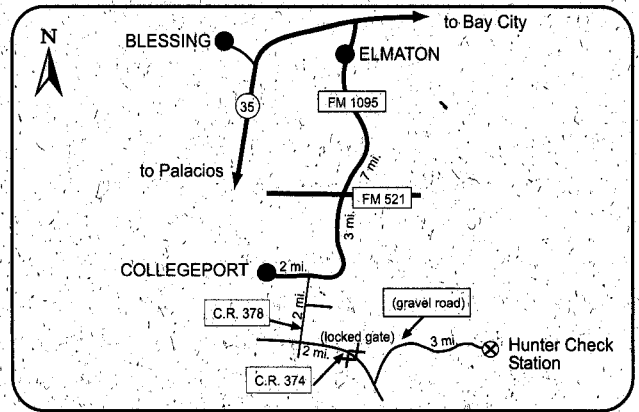

MAD ISLAND WILDLIFE MANAGEMENT AREA

Matagorda County

The Mad Island WMA is located 6 miles east of the town of Collegeport and consists of 7,281 acres of fresh to brackish marsh. The Gulf and Intracoastal Waterway forms the southern boundary of the Area.

Regular permits are issued, on the morning of scheduled hunts, at the check station beginning 2 hours before sunrise until 30 minutes before legal shooting time. The gate on C.R. 374 is unlocked during times of scheduled public use. Hunters should be prepared to walk up to .5 miles in wetland habitat to reach their hunting site. Small boats, suitable for hand launch and operated by electric motors, can be used in compartments 9 and 10 during the waterfowl hunts. No trailers or outboard motors are allowed. No permanent blinds may be constructed on the Area. No camping or open fires are allowed on the Area. Commercial facilities are available in Bay City. Call for further hunting information about the Area (979/244-6804) or (979/244-6805).

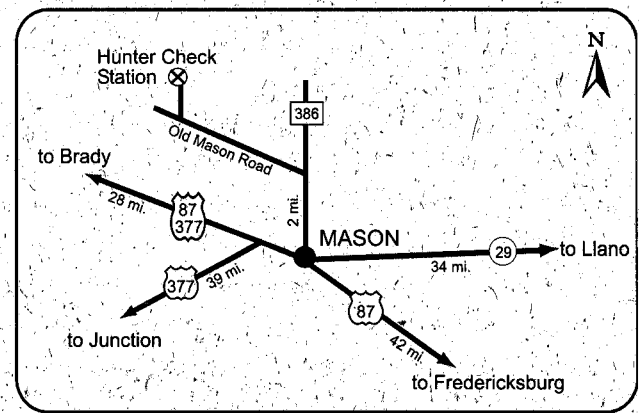

MASON MOUNTAIN WILDLIFE MANAGEMENT AREA

Mason County

The 5,301-acre Mason Mountain WMA is located 4 miles north of Mason. The Area is situated on the boundary between the Central Mineral Region and the Edwards Plateau, and as such, a variety of wildlife habitats are represented. About two-thirds of the Area consists of granite derived soils supporting a community of post oak and blackjack oak. The remainder of the Area is dominated by live oak and Texas oak on limestone derived soils. The topography of the Area is rough, with steep canyons, caliche hills, and granite outcrops. An 8-foot fence to facilitate scientific investigations encloses the Area. In order to properly manage the habitat, deer populations are maintained at approximately 1 deer to 12-15 acres, substantially lower than much of the Hill Country.

Hunting is by assigned compartment, and some blinds may be available for use. Hunters will be required to take their own vehicles to their assigned compartments. Due to the rough topography and other obstacles such as running water, mud, deep sand, etc., high clearance vehicles will be required in most areas, and 4WD is recommended. Some portions of the Area are designated 4WD only.

All hunters must sign in at the check station when entering or leaving the Area. No carping (including RVs) or fires are permitted on the Area. Lodging is available on the Area. Commercial campgrounds and lodging are available in Mason. Call Area headquarters for information and reservations (325/347-5037).

MATADOR WILDLIFE MANAGEMENT AREA

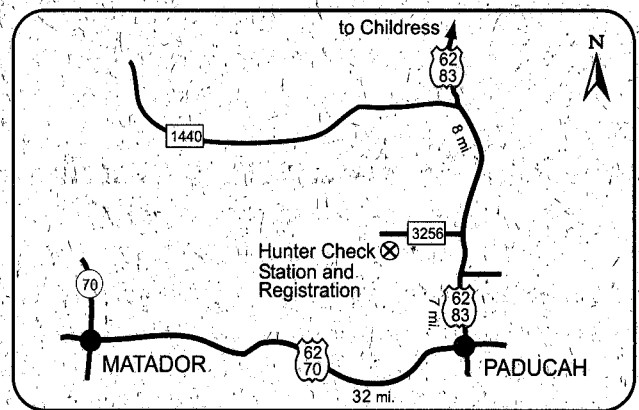

Cottle County

The Matador WMA, containing 28,183 acres, is located in Cottle County 7 miles north of Paducah. The Area is at the end of FM 3256, 2.5 miles west of US Hwy 83.

Principal game species found on the Matador Area include bobwhite quail, mourning dove, Rio Grande turkey, desert mule deer, and white-tailed deer.

Open campfires are not allowed during very dry range conditions. Two camping areas located 1/4 mile and 1/2 mile west of the Area headquarters are available to hunters, however, electrical hookups are not available. All hunters should bring their own drinking water, and camp stoves are recommended, as firewood may not be available. Pickups or four-wheel drive vehicles are recommended because portions of the Area are not accessible by passenger car.

Call Area headquarters for information (806/492-3405).

MATAGORDA ISLAND WILDLIFE MANAGEMENT AREA

Calhoun County

Matagorda Island consists of approximately 56,688 acres that is jointly managed and overseen by the Texas Parks and Wildlife Department, the U.S. Fish and Wildlife Service, and the General Land office. The FWS has lead responsibility for wildlife and habitat management for all lands on Matagorda Island. TPWD has the lead responsibility for compatible public use management, inclusive of public hunting, and other public uses such as camping, bird watching, etc. The joint management agreement allows TPWD to permit hunting and fishing on state lands in accordance with good wildlife management practices and consistent with Texas Parks and Wildlife Department Code and applicable Federal law. All hunting and fishing is managed to prevent impacts to any federally listed endangered or threatened species.

There is no state provided transportation to or from the island. All visitor access is by chartered boat or private boat. The hunter check station is approximately 7 miles across Espiritu Santo Bay from Port O'Connor. There is limited boat docking space on the island. No private aircraft or vehicles are permitted on the island. The standby hunter drawing will be held at the check station located on Matagorda Island. Prospective standby hunters must be registered by 10:00 a.m. to participate in the drawing, which will be held promptly at 11:00 a.m. The hunter orientation for all drawn hunters (lottery winners and standby winners) will begin at noon at the hunter check station on Matagorda Island. Hunters will be transported to and from hunting blinds by department personnel.

The outdoor shower and toilet facility near the dock are available for use during public hunts or other scheduled events. There is no potable water, electricity or concession on the island. **Due to the general lack of facilities, lack of supplies, extremes in weather, and boat access, this hunt experience should be considered remote and primitive.** Primitive camping is allowed at the picnic shelters located near the boat dock. There are no group barracks or bunkhouse available. There are no camping fees for persons participating in the deer hunts on the island. All other campers must possess either a Limited Public Use permit or an Annual Public Hunting permit.

When hunts are not in progress, the north end of the island (throughout the runway/headquarters complex, extending down the road system to the lighthouse and including the beach) is available for unsupervised biking, bird watching, and hiking. Users must possess either a limited public use permit or an annual public hunting lands permit. Such activities are allowed during daylight hours only. **Note that such activities are not allowed while public hunts are in progress.** Persons can continue to utilize the Sunday Beach area, accessed via boat from either the Gulf or Pass Cavallo, for camping, beach combing, fishing, and bird watching. There are no fees, permits, or restrictions on the use of this area. **For further information contact the Bay City field office (979/244-6804 or 979/244-7697).**

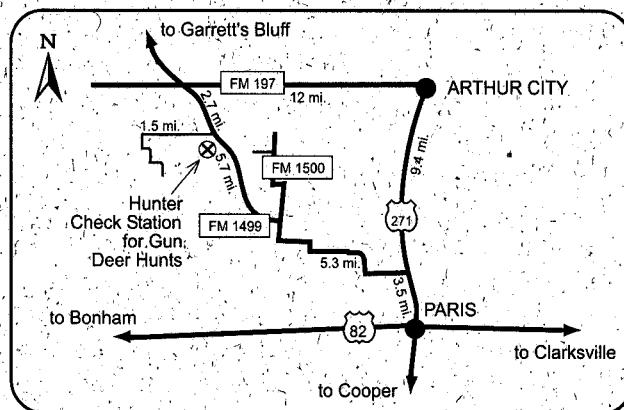

PAT MAYSE WILDLIFE MANAGEMENT AREA

Lamar County

The Pat Mayse WMA is located approximately 12 miles northwest of Paris. The Area includes about 8,925 acres of land and water and is adjacent to and includes part of the Pat Mayse Reservoir. The land is primarily upland oak woodlands with some bottomland hardwood habitat associated with Sanders Creek.

The hunter check station may be accessed via US Hwy 271 north from Paris to FM 1499, then west on FM 1499 approximately 11 miles. Camping is available at Corps of Engineers parks at Lamar Point on the south shore of the lake and on the north shore of the lake near the Forest Chapel and Chycota Communities.

Permitted hunters may camp at the hunter check station during the gun deer hunts. Call the Area Manager between 8:00 a.m. and 5:00 p.m. Monday through Friday for further information (903/982-7107).

J.D. MURPHREE

WILDLIFE MANAGEMENT AREA

Jefferson County

The J.D. Murphree WMA contains approximately 24,516 acres of fresh, intermediate, and brackish water marsh within the prairie-marsh zone along the upper Texas coast near the Louisiana border. The WMA is divided into the BIG HILL UNIT, which is located north of the Gulf Intracoastal Waterway (GIWW), and the SALT BAYOU UNIT, which is located south of the GIWW. All J.D. Murphree WMA waterfowl hunts, teal hunts and all alligator hunts will be administered out of the WMA headquarters located on the south side of SH 73, 1/2 mile east of the Taylor Bayou Bridge, and 3 miles west of the SH 87 intersection in Port Arthur. All hunters must report to the appropriate check station for orientation, assignment to a hunting compartment, and validation of their hunting permit. The check station for Salt Bayou Unit waterfowl hunts opens at 4:00 a.m. and the check station for Big Hill Unit waterfowl hunts opens at 4:30 a.m. on each designated day and permits will be issued until 30 minutes before legal shooting hours. Waterfowl hunters for the Salt Bayou Unit must be checked out and off the WMA by 12:30 p.m. when the check station closes.

The BIG HILL UNIT is approximately 8,900 acres of marshland. Access to the Unit is by boat only. A shallow draft boat approximately 14-16 feet in length equipped with an outboard motor (20-40 horsepower) light enough to be pulled over small levees is strongly recommended. An additional canoe or small boat may aid in accessing assigned hunting areas within leveed compartments. Large, moderate draft, or heavy boats will limit access in many hunt areas due to shallow water conditions and levee portages.

The SALT BAYOU UNIT is approximately 15,300 acres of marshland. Access to the Unit is by boat only. A shallow draft boat approximately 14+ feet in length equipped with a moderate-sized outboard motor (25-75 horsepower) is recommended. An additional canoe or small boat may aid in accessing assigned hunting areas within hunt compartments. Boat launch accommodations are limited to shallow draft boats only. Rough and choppy water conditions frequently exist on windy days.

Construction of permanent waterfowl hunting blinds is prohibited, and it is a hunter's responsibility to maintain a distance of 200 yards from other hunting parties. Airboats are prohibited on the WMA except in Big Hill, Taylor's, Hildebrandt Bayou, Blind Bayou, and Keith Lake. In the Salt Bayou Unit only, airboats may only be used for access by permitted waterfowl hunters and must have a motor of less than 10 horsepower. Use of retriever dogs and waterfowl decoys will add to the success of a waterfowl hunt. Use of retriever dogs during warm weather is discouraged due to the presence of alligators.

The following equipment is necessary for hunters on the J.D. Murphree WMA: boat and outboard motor (described above), proper safety devices as required by law, paddle, flashlight, push-pole, outboard gas sufficient for 25 miles of travel, rain gear, boots or waders, insect repellent, appropriate ammunition and a shotgun. Boats (persons, equipment, harvested game, etc.) may not exceed U.S. Coast Guard approved loaded capacity. Hunt parties utilizing inadequate boats or equipment may be limited to sharing available hunt areas. Food, lodging, and hunting supplies are not available on the WMA. Commercial lodging facilities are available in the vicinity. Hunters are strongly encouraged to thoroughly test all of their equipment before arriving at the WMA Headquarters. Call the Area headquarters for further information (409/736-2551).

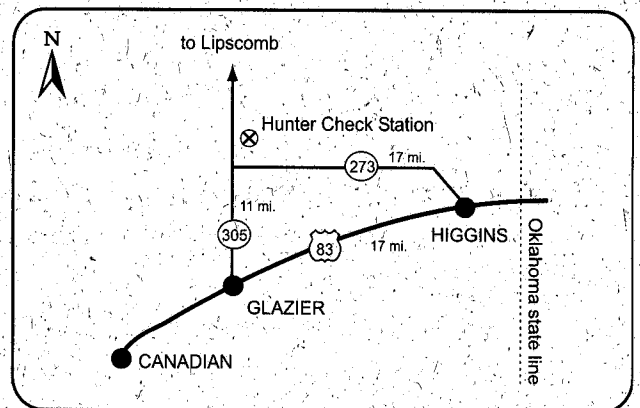

W. A. "PAT" MURPHY UNIT, GENE HOWE WILDLIFE MANAGEMENT AREA

Lipscomb County

The W.A. "Pat" Murphy Unit of the Gene Howe Wildlife Management Area consists of 889 acres of rolling plains country comprised primarily of short- and mid-grass prairie. Portions have been enrolled in the Conservation Reserve Program (CRP). Plum Creek crosses the WMA and is lined with cottonwood trees.

There is no vehicular access to roads inside the WMA. Hunters should enter at the information kiosk on SH 305 and walk from there. There is no camping on the WMA, but primitive campgrounds are available at Gene Howe WMA. Contact Gene Howe WMA personnel for details (806/323-8642).

OLD SABINE BOTTOM WILDLIFE MANAGEMENT AREA

Smith County

The Old Sabine Bottom WMA is located 5 miles northeast of Lindale. The WMA meanders between the Old Sabine River Channel and the Sabine River. The Area covers 5,727 acres of mostly bottomland hardwood habitat containing large stands of hardwoods such as oak, elm, and ash, and a diverse mixture of understory vegetation. Depending on annual conditions, the Area maintains fair populations of squirrels, waterfowl, deer and hogs. The Area can become extremely wet so rubber boots are recommended. Hunters selected for "Special Permit" hunts are encouraged to bring an ATV or ORV if they have one. Hunters will be allowed limited use of their ATV or ORV to access the management area. Hunters that have boats capable of navigating swift flowing currents are also recommended to gain access to more remote areas of the WMA during high water events.

The hunters check station for Gun Deer Hunts is located off of County Road 4106 at the Old Channel Parking Area. Primitive camping will be available at the Old Channel Parking Area for hunters selected for the "Special Permit" hunts. Camping is also available at Tyler State Park (903/597-5338), subject to park entrance and camping fees. Motel facilities are available in both Lindale and Tyler. Call for further information (903/881-8233).

PEACH POINT WILDLIFE MANAGEMENT AREA

Brazoria County

The Peach Point WMA is located 8 miles west of Freeport and contains 15,612 acres of upland hardwood, upland prairie, fresh and saltwater marshes. The land is nearly flat and poorly drained with elevations ranging from sea level to a maximum of 10 feet.

The hunter check station is accessed via SH 36 approximately 8 miles west of Freeport, then south one mile at the sign on SH 36 to the check station. **Regular hunting permits are issued at the check station beginning 2 hours before sunrise until 30 minutes before legal shooting time on the mornings of scheduled hunts.** Hunters should be prepared to walk up to a mile in soft soil to reach their hunting site. No permanent blinds may be constructed on the Area. No camping or open fires are allowed on the Area. Commercial facilities are available in Freeport. Call for further information (979/233-8729 or 979/244-6804).

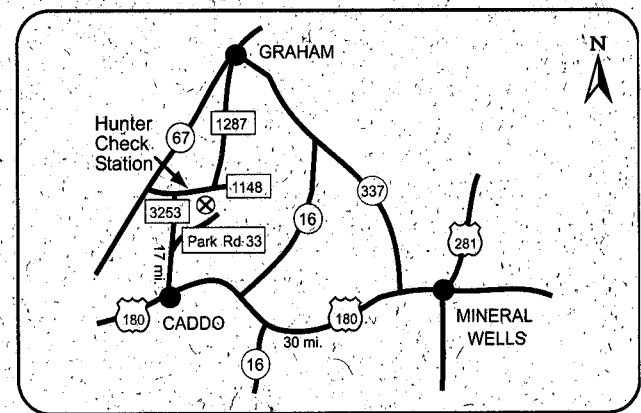

POSSUM KINGDOM STATE PARK

Palo Pinto County

Possum Kingdom SP contains 1,528 acres located 47 miles northwest of Mineral Wells. The Park borders the southwest side of Possum Kingdom Lake. The terrain is rugged and dominated by dense stands of juniper and live oak.

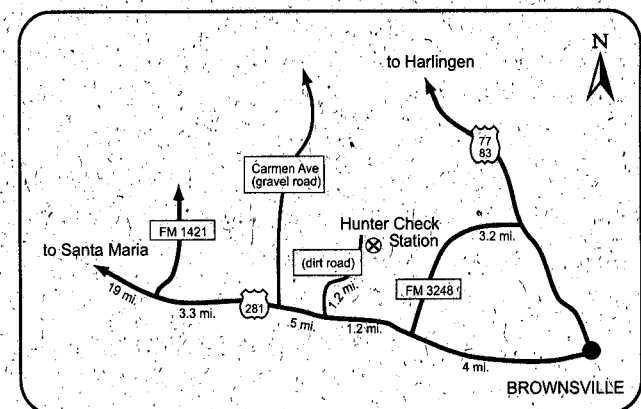

Park will be closed to the general public during the hunt periods. Hunters may use designated park facilities for which the standard fee is charged. Call the Park headquarters for further information (940/549-1803).

RESACA DE LA PALMA STATE PARK

Cameron County

The Resaca de la Palma State Park consists of 1,175 acres, which includes a meandering resaca (ox-bow lake), old age native brush, revegetation sites, and open farm fields. The Park is located 1.2 miles west of the intersection of US Hwy 281 and FM 3248 (Alton Gloor Rd) west of Brownsville, then 1.2 miles north on a dirt field road. The check station is located on the southernmost boundary. The closest complete commercial facilities are available in Brownsville. Call the Las Palomas WMA headquarters for more information (956/565-3919).

RICHLAND CREEK WILDLIFE MANAGEMENT AREA

Freestone and Navarro counties

The Richland Creek WMA is located 25 miles southeast of Corsicana, along US Hwy. 287 and FM 488 between the Richland-Chambers Reservoir and the Trinity River. It encompasses 13,852 acres of land; the majority of the Area lies within the floodplain of the Trinity River. The Area is a remote and heavily forested bottomland hardwood habitat. It is recommended that hunters bring rubber footwear and a compass.

Portable deer blinds that do not damage trees are encouraged and will increase hunter success. Portable blinds are not available at the Area. Pickups or four-wheel drive vehicles are recommended. All terrain vehicle (ATV and ORV) use will be allowed during special permitted hunts.

ATVs/ORVs must be operated in accordance with state laws regulating the use of ATVs/ORVs on public lands.

One primitive campground is available to hunters and permit holders. Caution should be taken during rainy weather as this area is subject to flooding. High water may result in cancellation of scheduled hunts on short notice. Standby hunters must report to the office no later than 10:00 a.m. on the first day of each scheduled hunt. Call the WMA headquarters for further information (903/389-7080).

RITA BLANCA NATIONAL GRASSLANDS

Dallam County

The Area contains 77,463 acres in the extreme northwest corner of the Texas Panhandle. The Area is part of the National Forest System. Through agreement with the U.S. Forest Service, a limited number of buck antelope permits are distributed by Texas Parks and Wildlife to the public through the public hunts drawing program. Drawn hunters are not charged a permit fee and may camp overnight on the area in Thompson Grove Picnic Area if they so desire. There are no water or electrical facilities available in the picnic area. Commercial lodging is available in Dalhart and Texline. No standby permits are available for pronghorn antelope hunts. For additional information, contact the Forest Service office in Clayton, New Mexico (505/374-9652).

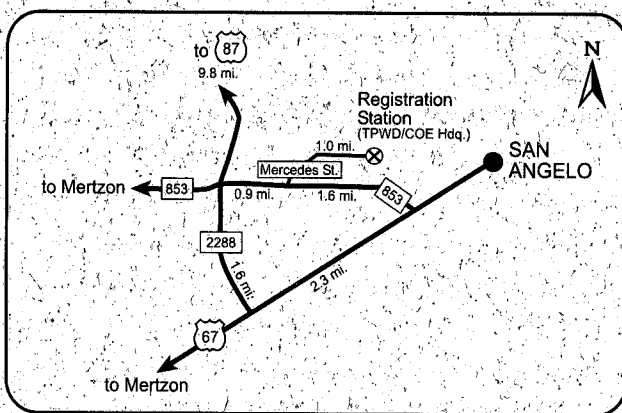

SAN ANGELO STATE PARK

Tom Green County

San Angelo SP consisting of approximately 7,063 acres along the western shore of O.C. Fisher Reservoir, is adjacent to and northwest of the city of San Angelo. Located in the southern reaches of the Rolling Plains, the area is relatively level with well established drainages. The predominant vegetation is mesquite brush, hackberry, gum elastic, little-leaf sumac, prickly pear, and tasajillo. The North Concho River provides a thin corridor of riparian woodlands containing large pecan, elm, hackberry, and black willow trees. Extensive stands of salt-cedar and black willow occur at the point where the North Concho River empties into O.C. Fisher Reservoir.

Hunting compartments and blinds are readily accessible from parking areas at designated access points along FM 2288. The hunter check station/registration station is located at the Park headquarters near the south end of the dam and may be accessed via Mercedes Street off of FM 853 (Arden Road) approximately 1 mile east of its intersection with FM 2288. A full range of commercial facilities are available in nearby San Angelo. Hunters may use park camping facilities for which the established fee is charged. Call for camping reservations (512/389-8900). Call for information concerning these hunts (325/947-2687).

SEA RIM STATE PARK

Jefferson County

Sea Rim SP is located approximately 9 miles west of Sabine Pass on SH 87. The Park contains approximately 4,141 acres of Gulf Coast beach and marshes. Information on waterfowl hunting is detailed in the Annual Public Hunting Booklet. Hunters may use camping facilities but will be responsible for any additional park user fees or permits.

All hunting activities including hunter orientation will take place at Sea Rim SP. For more information phone (409/971-2559).

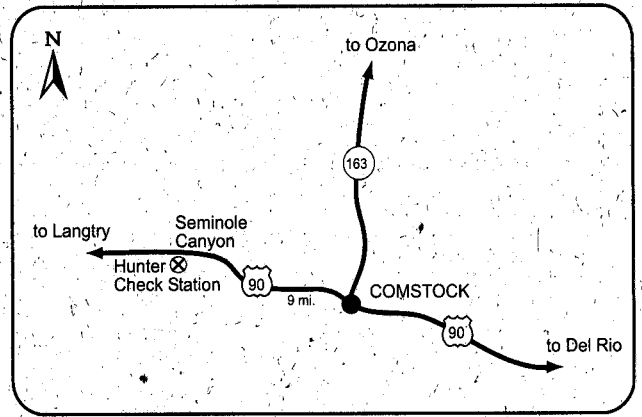

SEMINOLE CANYON STATE PARK AND HISTORIC SITE

Val Verde County

Seminole Canyon SP/HS contains 2,173 acres located on US Hwy 90, 45 miles west of Del Rio. The Park is a short distance downstream from the confluence of the Rio Grande and the Pecos River.

The rugged limestone terrain is noted for its sparse vegetation and deep canyons. Hunting will be by preassigned compartment.

Camping is available on the Park. The check station is located 9 miles west of Comstock on US Hwy 90, just east of the Pecos River High Bridge. Call the Park headquarters for further information (432/292-4464).

SIERRA DIABLO WILDLIFE MANAGEMENT AREA

Hudspeth and Culberson counties

The Sierra Diablo WMA contains 11,624 acres and is named for and located in the mountain range extending north and south along the Hudspeth and Culberson county line. The Area was acquired by Texas Parks and Wildlife in 1945 to serve as a sanctuary for the last remaining desert bighorn sheep in Texas. The Area is currently utilized for the restoration, conservation, and management of bighorn sheep and contains the largest free-ranging population of bighorn sheep in Texas. As such, caution must be used while hunting for other species. The WMA has a well established and stable desert mule deer population. Rough rugged hills and steep canyons make up the area which is reached from the southwest across gentle, sloping foothills. After attaining an average elevation of 6,200 feet, the topography breaks sharply with 1,000-foot drops to the desert floor to the east.

The Sierra Diablo Area is closed at all times. Drawn hunters will be advised when and where to meet with Department staff. Access to the Area requires departmental escort through private ranches with locked gates along the way. Travel to and from the Area by permitted hunters will be accomplished as a group. No Standby positions will be offered for hunts on this area. All hunters will be required to stay on the Area for the entire duration of the hunt. Due to conditions of access roads, 4x4 high road clearance vehicles are required. Hunters selected for public deer hunts will be required to camp on the Area. No RVs or trailers will be permitted due to road conditions. All hunters must bring water and other supplies needed for primitive camping. Due to the elevation and extremely rugged character of the Sierra Diablo Area, anyone having physical or medical disabilities needs to consider these factors before applying for a hunt on this Area. The nearest comprehensive medical complex is El Paso, 150 miles from the Area. The Area is located approximately 15 miles north-northwest of Van Horn. For more information call (432/837-3251).

SOMERVILLE STATE RECREATION AREA

Burleson and Lee counties

The Somerville SRA in Burleson and Lee counties contains approximately 5,520 acres of post oak, hickory, blackjack oak, and water oak timber with an understory dominated by dense stands of yaupon. The terrain is flat to gently rolling.

The hunter check station is near the entrance to the Nails Creek Unit of the SRA at the very end of FM 180. FM 180 may be accessed off US Hwy 290 approximately 7 miles southeast of Giddings.

Commercial facilities are available at Giddings, Brenham, and in the vicinity of Lake Somerville. Camping is available subject to entrance and camping fees at nearby Birch Creek State Park (979/535-7763).

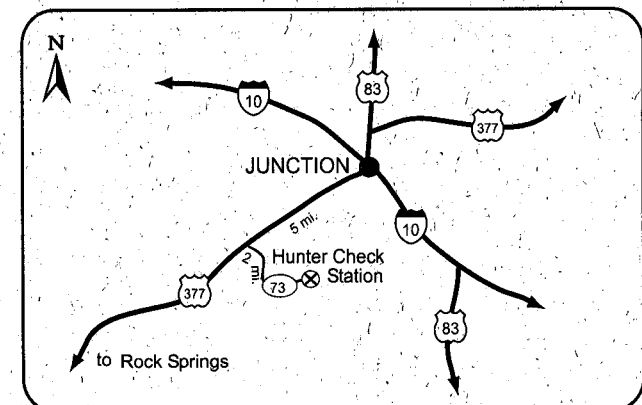

SOUTH LLANO RIVER STATE PARK

Kimble County

South Llano River SP consists of 524 acres of wooded bottomland located on the South Llano River in Kimble County, approximately 5 miles southwest of Junction off US Hwy 377 on Park Road 73.

Camping will not be available in the Park during the hunt. Camping and lodging are available in Junction. For more information call (325/446-3994).

NANNIE M. STRINGFELLOW WILDLIFE MANAGEMENT AREA

Brazoria County

The Nannie M. Stringfellow WMA is located 14 miles southwest of Lake Jackson and 7 miles southeast of Sweeny on County Road 316. The hunter check station is 2 miles north of the intersection of FM 2611 and County Road 316 and 3 miles south of the intersection of FM 521 and County Road 316. The WMA is approximately 3,642 acres of primarily bottomland hardwood forest which lies within the San Bernard River floodplain and is subject to frequent flooding.

All hunters will be assigned specific hunt areas. The following equipment is considered a necessity for hunters: knee boots, insect repellent, flashlight, and raingear. Hunters will be allowed limited use of their ATV or ORV to access the WMA. Baiting is allowed for feral hog and deer hunts. No camping or open fires are allowed on the area. Commercial facilities are available in Lake Jackson. Call for further information (979/244-6804 or 979/798-8746).

TAYLOR LAKES UNIT, PLAYA LAKES WILDLIFE MANAGEMENT AREA

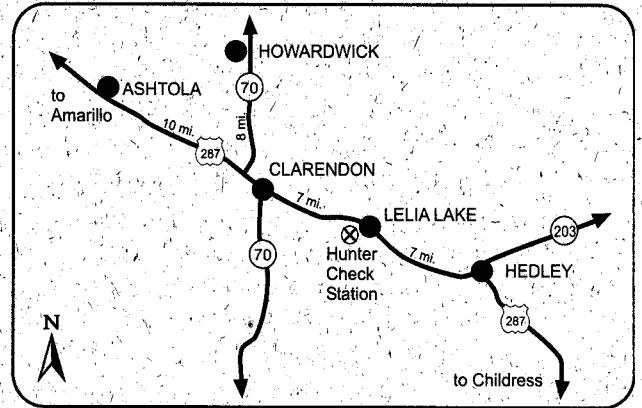

Donley County

The Taylor Lakes Unit is located in Donley County on the south side of US Hwy 287 approximately 7 miles southeast of Clarendon, TX.

The 525-acre unit lies in the Rolling Plains Ecological Area and contains several habitat types including four playa lakes, which serve to attract a variety of wildlife. Resident species include white-tailed deer, Rio Grande turkey, northern bobwhite, muskrat, fox squirrel, mourning dove, various reptiles and amphibians, and several species of raptors and songbirds. When water is present, the lakes attract numerous species of ducks, geese, herons, egrets, and shorebirds. Major plant species found on the unit include honey mesquite, redberry juniper, plains cottonwood, hackberry, black willow, wild plum, yucca, sand sagebrush, cattail, and a wide variety of wildflowers and grasses.

Users may not camp, fish, trap or bait wildlife, consume alcoholic beverages, ride ATVs, disturb or remove plants, rocks, animals, artifacts, and/or other objects on the unit. Vehicle access is allowed by permission only; however, users may access the area through the turnstile on the southern edge of the parking lot, and at the viewing blind west of the check station.

All users should bring their own drinking water as there are no facilities on the unit. Call Area headquarters for further information (806/492-3405).

WHITE OAK CREEK WILDLIFE MANAGEMENT AREA

Bowie, Cass, Morris, and Titus counties

The White Oak Creek WMA is located 18 miles east of Mt. Pleasant. It covers approximately 25,500 acres of mostly bottomland hardwood forest at the confluence of the Sulphur River and White Oak Creek.

The hunter check station is located on the north side of SH 77 approximately one mile east of its intersection with US Hwy 259.

Primitive camping is permitted in the vicinity of the check station. Improved camping facilities are available at Daingerfield State Park (903/645-2921) 20 miles to the south. Commercial lodging is available nearby in Mt. Pleasant. Call the Area headquarters for further information (903/884-3800).

Game Thief*
a privately funded program

TICK-BORNE DISEASES IN TEXAS

Each year Texans contract Lyme disease, Rocky Mountain spotted fever, ehrlichiosis and relapsing fever. All of these diseases are transmitted by the bite of an infected tick. If caught early, these diseases can almost always be cured. If left untreated, they can be serious or even fatal.

Early symptoms of these diseases mimic the "flu," and include fever, headache, tiredness, stiff neck or neck pain, muscle aches, and joint pain. Sometimes a rash is also present. If you develop flu-like symptoms (with or without a rash) after a tick bite, you should see a physician right away.

To protect yourself and your family

- Wear light-colored clothing so that ticks can easily be seen.
- Tuck pant legs into socks to keep ticks off of your skin.
- Wear long-sleeved shirts and keep shirt tails tucked in.
- Use insect repellants according to package instructions.
- Inspect exposed skin every few hours for ticks.
- Do a thorough, full-body tick check when you come in and remove any attached ticks.
- Frequently check your pets for ticks. In addition to bringing ticks into your home, pets can contract tick-borne diseases.

To remove an attached tick

- Use tweezers to grasp the tick's mouthparts as close to the skin as possible.
- If tweezers are not available use a tissue to protect your fingers.
- With a steady motion, pull the tick straight out.
- After removal, you can mail the live tick to the Texas Department of Health Laboratory (address below) for identification and testing. Please use a container with a secure lid. Putting a small piece of tissue moistened with a single drop of water in the container will help keep the tick alive.

For More Information

For more information on tick-borne diseases in Texas, contact your local health department or the Texas Department of Health, 1100 West 49th St., Austin, TX 78756.

APPLICATION FOR SPECIAL HUNTING PERMIT

Only one application per person, per hunt category.

Checks or money orders ONLY. Do not send cash. Please print plainly or type.

① GUN DEER; EITHER SEX | GDE

DUE 9/6/2007

Hunt Area ② Colorado Bend Hunt Area Code CB ③

Hunt Date Codes ⑤ 1st choice 01 2nd choice 03 3rd choice AA

⑥ **PRIMARY APPLICANT** Last Name Public First Name John M.I. R Age ⑨ 42 SSN 123 45 6789

Mailing Address 1706 Shady Trail, Apartment 137-B

City Anywhere State TX Zip 12345 ⑦ Day Phone (555) 123 4567

⑧ **OTHER GROUP MEMBERS** (Do not repeat name listed above)

Last Name Public First Name Junior M.I. P Age 13 SSN 234 56 7891

Last Name Buck First Name Boss M.I. N Age 47 SSN 345 67 8912

Last Name Buck First Name Sally M.I. B Age 38 SSN 456 78 9123

Application fees for this hunt: \$ 9.00 ⑩ \$3 per adult 17 years of age or older listed above
(Non-refundable application fees are required for each adult; fees waived for youth applicants.)

PWD 555E - W7000 (5/07)

Read the following instructions carefully. Improperly completed applications will be disqualified and application fees will not be refunded. An example of a properly completed application is shown above. **Common errors** that lead to disqualification include: applying more than once in a hunt category, no Social Security Number listed, no adult shown on youth only application cards, insufficient application fees, etc. All fields except for the middle initial are considered as required information and applicants will be deleted due to incomplete information.

A single application has been provided for each Hunt Category with the category name and category code printed on the card. Application forms are found in the order of their application deadline in the back of this brochure. If you are sharing your booklet with other hunters who are not applying as part of your group, then the cards, prior to filling them out, may be photocopied. Assistance in filling out the forms can be obtained by calling TPWD, toll-free (Mon.-Fri. 8:00 a.m.-5:00 p.m.) 1-800-792-1112, menu 5, selection 1.

You may apply in any or all of the Special Permit Hunt Categories, but only for one location or area (example: Colorado Bend) within each category. Only one application card per hunt category (example GDE) may be sent in by you or any member of your hunt group listed on the card. Your name appearing anywhere on an application card (including as a group member) will be considered as your application for that hunt category. If your name or Social Security Number appears on more than one application for GDE, then not only you, but all members on each application card on which your name appears for that category are also disqualified.

**ALL DUPLICATE APPLICATIONS WITHIN A HUNT CATEGORY
WILL BE DISQUALIFIED AND APPLICATION FEES WILL NOT BE REFUNDED.**

The following is a step-by-step example on how to properly fill out an application. The numbers will show you what information is required from the Hunt Schedule and where to place it on the application card. Simply match the numbers of the Hunt Schedule example to the example application form numbers. See the example card on the facing page. Actual application cards are on the following pages.

1. Select the appropriate HUNT CATEGORY ① (example: GDE).
2. Enter the name of the HUNT AREA ② (example: Colorado Bend) in the space provided.
3. Enter the HUNT AREA CODE ③ (example: CB) in the spaces provided. NOTE: Without the AREA name and AREA CODE there is no way to enter the card into the drawing.
4. Refer to the HUNT SCHEDULE ④ for the listing of available hunt dates.
5. Enter the HUNT DATE CODE(S) ⑤ (example: 01) for the hunt dates selected in the appropriate spaces on the application. Your choice of acceptable hunt dates must be placed on the application. Hunt date codes for one, two, or three specific dates may be selected in order of preference and/or the Any Above date code may be chosen. The AA date code refers to any of the above dates listed in the hunt schedule for that area in that category. DO NOT enter the calendar dates or the words "any above." Make the selection of dates carefully. The application will be considered only for the hunt date codes indicated.
6. If you place your name on the PRIMARY APPLICANT line ⑥, you will be the point of contact regarding all matters concerning the application. As the person filling out the application, please provide your complete mailing address, including all five digits of your zip code, **for each application submitted**. Each application is handled as a separate document and incomplete information will result in disqualification. This is important since we will need to advise you of your selection or non-selection.
7. Please provide your TELEPHONE NUMBER ⑦ including area code that you may be reached between the hours of 8:00 a.m. and 5:00 p.m. **If there is an extension number that is needed, be sure to include it.** The department may need to contact you.
8. If you wish to hunt as a group, list the names, ages, and Social Security Numbers of your fellow applicants on the card in the section for OTHER GROUP MEMBERS ⑧. Groups can be 2, 3, or 4 persons, but will be limited to no more than 4 persons for most hunts and only 1 to 3 maximum for some hunts. Check the hunt schedule for that information. The Social Security Number (SSN) must appear on the application card for each applicant including any youth applicant. If you omit the SSN for a group member, then that member will be deleted from the application. All applicants must have a Social Security Number. This number consists of nine (9) digits (000-00-0000), no more and no less. If you make an inquiry about your application, please reference your SSN. **Incomplete information for group members will result in their names being removed from the application card.** Application fees will not be refunded for removed group member(s).
9. The AGE ⑨ of each applicant is required for each application to be complete. **Applicants must be at least 8 years of age to participate in these special permit hunts.** See "Age Requirements" for those under 17 years of age.
10. The last blank refers to the APPLICATION FEES ⑩ enclosed for that hunt. An application fee, for each applicant 17 years of age or older listed on a card, must be submitted along with each application made by that individual or group (except for the five youth only categories which require no application fee). The adult application fee is \$3 (except for the guided hunt packages and the private lands hunts that have a \$10 adult application fee). After completing the application card, sufficient application fees must be included for each member of the hunt group listed on each card. If the application fees are not included the card will be disqualified. If the amount is insufficient, then only the members for which there is enough money to pay the application fees will be entered. The members starting at the top of the card in order they are listed is how the fees will be disbursed to cover application fees. NOTICE: Include only completed application cards and application fees in the envelope. One check or money order may be submitted for all enclosed Special Permit application cards. Do not include any permit fees or other correspondence or payment for other items in the envelope. **Big Time Texas Hunts entries cannot be included due to the fact that they have to be mailed to a different address.**
11. Deadline for receipt of applications ⑪ is found at the beginning of each hunt category and is the date that the properly completed application and any required application fees must be received at the Austin office by 5:00 p.m. There is no after hours drop-off available at the Austin office.
12. Place the required postage on the envelope and mail it to: TPWD Public Hunting, 4200 Smith School Road, Austin, TX 78744.

GUIDED HUNT PACKAGES

Each person selected for these hunts will be accompanied by their own personal guide, who knows the area and is an expert in his field. The guides are committed to putting the hunter on quality game and assisting in every possible way. Hunts include lodging, meals and on-site transportation. Applicants must be 17 years of age or older.

The only way to apply for one of these hunts is by following the instructions on pages 22 through 24 of this publication. The application cards are provided in this booklet. Please read and follow the instructions. There is a \$10.00 application fee per hunter on the card, and if selected, the hunt is yours without any additional fees.

BIGHORN

One lucky winner will be provided a guided hunt for a desert bighorn ram, one of the most highly sought game species in Texas. The 5-day hunt will occur on a TPWD wildlife management area (Black Gap, Elephant Mountain or Sierra Diablo) in the mountains of West Texas.

Food, lodging and on-site transportation will be provided for one hunter. Personal gear and bedroll required. Location and dates of the hunt will be determined by the next available desert bighorn permit.

To apply, please see Hunt Category Code BXX, page 22.

WATERBUCK

One hunter will be provided a 3-day, 2-night guided hunt for waterbuck. Waterbuck, a native of Africa, are considered by many hunters to be one of the most handsome and wariest of the exotic antelope found in Texas. Trophy bulls commonly exceed 500 pounds in weight. As with all Mason Mountain guided hunts, food, lodging and on-site transportation are provided.

To apply, please see Hunt Category Code WXX, page 23.

WHITETAIL

Two lucky hunters will be awarded this 4-day, 3-night guided hunt for quality white-tailed deer on Mason Mountain WMA. Mason Mountain has a proven track record of producing trophy hunts and 130+ class animals. This hunt is scheduled to coincide with the peak of the

rut in Central Texas, so there should be plenty of action and good response to rattling. This hunt will be conducted on a portion of the management area known for producing quality trophies.

To apply, please see Hunt Category Code DXX, page 23.

SCIMITAR-HORNED ORYX

Scimitar-horned oryx are one of the rarest trophies available in the world. Now, three lucky hunters will have an opportunity to pursue this sleek, majestic game animal during a 3-day, 2-night hunt. Mason Mountain's oryx herd contains some terrific animals, with males and females both sporting horns, some in excess of three feet.

To apply, please see Hunt Category Code SXX, page 24.

EXOTIC

Axis deer are one of the most attractive and sought after exotic species in Texas. One hunter will be provided a 3-day, 2-night guided hunt at Mason Mountain WMA. Axis deer males may weigh up to 200 pounds with antlers 22-28 inches long.

To apply, please see Hunt Category Code EXX, page 23.

GEMSBOK

One lucky hunter will be awarded a 3-day, 2-night guided hunt for gemsbok. The gemsbok's striking coat pattern and impressive horns make this a tremendous hunting opportunity. The animal's speed, wariness and large body size (up to 500 pounds) make gemsbok a challenge for any hunter.

To apply, please see Hunt Category Code GXX, page 24.
