The trip fee is \$4.00. The drawing will be on March 24th with payment deadline March 31st.

New Trip Policy

Due to the increased popularity of all the Lee College Continuing Education Senior's trips, we've instituted a new RESERVATION POLICY. It is our goal that this will indeed give MORE people the opportunity to take advantage of all the College has to offer.

Some of the reservation problems we want to correct with this new system are those of limited parking in the mornings in front of the College, congested phone lines at the time of sign up, inclement weather

conditions, and just the realization that over 900 FOCUS readers cannot go on one or two buses on any given trip.

NEW GUIDELINES

After you read the FOCUS, call Continuing Education at 425-6311 and give your name and phone number for EACH trip you would like to go on. On the specific date in the FOCUS, a drawing will be held for the seats on that trip. 20 names will be drawn with each of these people being able to choose a partner for the trip.

All of the rest of the names will be put in the order they are drawn onto a waiting list. In the event another bus can be secured and/or people cancel, the waiting list names will be notified. You are invited to attend the drawing, but you do NOT have to be present to be picked. You will be notified and then have a week to make your payment of trip fees.

Drawings will be held at 1pm in Tech-Voc 1, Rm 119, on the Lee College Campus. Drawing dates are included with trip announcements.

Tuesday Programs and Fellowships
