She has prepared a questionnaire concerning military service during the war years. The information obtained from the questionnaire will be printed in a directory, and Lee College students will be interviewing those veterans who are willing to share their experiences. If you need a questionnaire, please call Brenda at 425-6370 or 424-2430.

New Trip Policy

Due to the increased popularity of all Lee College Continuing Education Senior's trips, we've instituted a new RESERVATION POLICY. It is our goal that this will indeed give MORE people the opportunity to take advantage of all the College has to offer.

New Guidelines

After you have read the FOCUS, call Continuing Education at 425-6311 and give your name and phone number for EACH trip you would like to go on. On a specified date in the FOCUS, a

drawing will be held for the seats on that trip. 20 names will be drawn with each of these people being able to choose a partner for the trip.

All of the rest of the names will be put in the order they are drawn onto a waiting list. In the event another bus can be secured and/or people cancel, the waiting list names will be notified. You are invited to attend the drawing, but you do NOT have to be present to be picked. You will be notified and then have a week to make your payment of trip fees.

Drawings will be held at 1 PM in Tech Voc 1, Room 119, on the Lee College Campus. Drawing dates are included with trip announcements.
