God Bless America

"America the beautiful" --
May it always stay that way --
But to keep 'old Glory' flying
There's a price that we must pay . . .
For everything worth having
Demands work and sacrifice,
And *freedom* is a *Gift from God*
That commands the *highest price* . . .
For all our wealth and progress
Are as worthless as can be
Without the *Faith* that made us great
And kept *our country free* . . .
Nor can our nation hope to live
Unto itself alone,
For the problems of our neighbors
Must today become our own . . .
And while it's hard to understand
The complexities of war,
Each one of us must realize
That we are fighting for
The principles of freedom
And the decency of man,
And as a Christian Nation
We're committed to God's Plan . . .
And as the *Land of Liberty*
And a great God-fearing nation
We must protect our honor
And fulfill our obligation . . .
So in these times of crisis
Let us offer no resistance
In giving help to those who need
Our strength and our assistance --
And "*The Stars and Stripes Forever*"
Will remain a symbol of
A rich and mighty nation
Built on *Faith* and *Truth* and *Love*.
