

Dear Grandfather

I have been wanting to write to you before but I did not know anything to write about. Next time I will try to write you a German letter. I have only two weeks more to go to school. I have gone through my fourth reader twice. I am going to Fredericksburg as soon as our school closes. I got a letter from Henry Nimitz he says he would come to Fredericksburg. Otto has been sick but now he is well again and can walk all around the yard.

We have got some nice watermelons here. I would like to send you some but I expect you have some allready [sic].

Last Sunday the San Antonio Baseball Club came to play the Kerrville Club and played for \$50 aside and the Kerrville lost. I go fishing very often. I went fishing Saturday with Mrs. Roberts who is here again and there are many other children at the Hotel now

I must close my letter now and give my best regard to Aunt Tony and Uncle Charley.

Your Grandson
