Dear Grandfather

Didn't you receive my last letter? I wrote about 2 weeks ago. When is Uncle Henry going to come over here?

Aunt Augusta and Mr. Mason went fishing today with several of the boarders. The town is putting in fire hydrants now, and we will have one on our corner.

I don't think Iago will go with us on that

trip. He wants to go to work right away. Shall we take any one along in Iago's place? I had rather have Iago to go than anyone else.

Are you going to come with Uncle Otto? When do you think we will be able to get started? I hope it wont be long.

I close giving my regards to Uncle Charlie and the rest.

Your affectionate grandson
