Kerrville, Texas

Dear Grandfather,

Our school will be out on the 19 of May, and papa and mamma say that I can go. I send you the report I made in school last month, and I tried hard to make it a good one. We will commence on our regular examinations next week, and I will be glad when they are over. Do you think Iago will be with us? I hope so. I know we will have a good time. It has been raining here nearly every

day last week and is raining right now.

Give my best regards to all.

Your Grandson
