Annual Index

This index represents the compilation of 1988 and is inclusive of state agency activities for January-December 1988.

Regular publication of state agency activities will resume with the next issue, February 7, 1989.

How to Use the Annual Index

The Annual Index to the *Texas Register* consists of three sections:

TAC Titles Affected

Agency Guide

Open Meetings

The section on TAC Titles Affected is a list of the chapters of each title of the *Texas Administrative Code* affected by documents published from January through March. The listings are arranged in the same order as the table of contents of the *Texas Administrative Code*.

The Agency Guide section is a compilation of the agency activity since January of this year. The arrangement of agency names is alphabetical. Under each agency entry, the section chapter titles are alphabetized followed by the types of action taken during the last year. Each subchapter title affected in that chapter is alphabetized under the applicable type of action (emergency, proposed, withdrawn adopted). Following the sections is a listing of nonregulatory notices. This list is a compilation of items found in the "In Addition" section of the *Texas Register* and other nonregulatory information, such as gubernatorial appointments.

Requests for opinions, opinions, and open records decisions of other Office of the Attorney General, and the administrative decisions of the Comptroller of Public Accounts are also included in the Agency Guide section. They are arranged numerically by the numbers assigned by the issuing agency. Brief subject descriptions are provided for the contents of each ruling. Entries that refer to actions of the Office of the Attorney General are designated by abbreviations in both the Agency Guide section and the Subject Terms section: RQ-requests for opinion; JM-opinion of the Attorney General; Jim Mattox; ORD-open records decision.

The Open Meetings Section is a compilation of all open meeting notifications by state agencies published in the *Texas Register* since January of this year. The arrangement of agency names is structured like the Agency Guide section in alphabetical order. This list identifies the page number in the *Texas Register* which contains the agenda of the open meeting and the date which the meeting took place.

The *Texas Register* invites comments and suggestions for improvement in future indexes. Comments may be directed to this office at P.O. Box 13824, Austin, Texas 78711-3824, (512) 463-5561.

Subscriptions-one year (96 regular issues), \$90; six months (48 regular issues and two index issues), \$70. Single copies of most issues are available at \$4 per copy.

How to recognize the NEW TAC when you see it.

Please ask us about West's Official Texas Administrative Code.

It's easy to see why West's new TAC is such a good buy. You get a lot of convenience with the hard format — no more expensive loose-leaf pages to keep track of — and you also have the option to buy individual volumes or the entire set. We think you'll like our system of updating the set: you'll find information on the Texas Register before, plus we'll send you updates as the volume of changes necessitates. But the best part is — you don't have to pay for the updating service in advance — only after you receive updates and decide to use them do we ask for payment.

Here's your tentative schedule for publication of the first ten titles:

Administration	Available Now!
Agriculture	Available Now!
Banking	Available Now!
Community Development	Available Now!
Cultural Resources	Available Now!
Economic Regulation	Available Now!
Education	Available Now!
Health Services	Available Now!
Insurance	Available Now!
Natural Resources	Available Now!

We're also working on the remaining five individual titles and an all new general index. We'll let you know their exact publication dates in future issues of the Texas Register.
