How to Use the Annual Index

The Quarterly Index to the *Texas Register* consists of two sections:

Agency Guide TAC Titles Affected

The Agency Guide section is a compilation of the agency activity for the previous three months. The arrangement of agency names is alphabetical, with agencies alphabetized by the first key word in the name (Corrections, Texas Department of) Schools are listed under their full names (Texas A&M University) unless the first word is "university" (Houston, University of), and regional governmental bodies are listed under their full names (Deep East Texas Council of Governments). All agency names appear in capital letters.

Under each agency entry, the rule chapter titles are alphabetized followed by the subchapter titles. Each type of action is listed under the subchapter heading (emergency, proposed, adopted). Following the rules is a listing of nonregulatory notices. This list is a compilation of items found in the In Addition section of the *Texas Register* and other nonregulatory information, such as gubernatorial appointments.

Requests for opinions, opinions, and open records decisions of the Attorney General's Office, and the administrative decisions of the Comptroller of Public Accounts are also included in the Agency Guide section. They are arranged numerically by the numbers assigned by the issuing agency. Entries that refer to actions of the Attorney General's Office are designated by abbreviations in the Agency Guide section: RQ—request for opinion, JM—opinion of Attorney General Jim Mattox, ORD—open records decision.

The section on TAC Titles Affected is a list of the chapters of each title of the *Texas Administrative Code* (TAC) affected by documents published during the quarter. The listings are arranged in the same order as the table of contents of TAC.

The *Texas Register* invites comments and suggestions for improvement in future indexes. Comments may be directed to this office at P.O. Box 13824, Austin, Texas 78711-3824, (512) 463-5561.

Subscriptions—one year (96 regular issues and four index issues), \$80, six months (48 regular issues and two index issues), \$60. Single copies of most issues of the *Texas Register* are available at \$3.00 per copy.

Annual Index

This issue represents the 1986 Annual Index. The cumulative Index for Volume 10 combines the first three quarterly indexes of 1985 with an index to the Issues of the last quarter (October through December 1985, numbers 85 through 96). The open meetings which were published in issues from January through September have been omitted; otherwise, this cumulation supersedes the earlier indexes, dated May 3, August 2, and November 1.

Regular publication of state agency activities will resume with the next issue, February 7.
