# How To Use the Texas Register

## Texas Register

The *Texas Register* (ISN 0362-4781) is published twice a week at least 100 times a year. Issues will be published on every Tuesday and Friday in 1984 with the exception of January 28, July 10, November 27, and December 28, by the Office of the Secretary of State, 201 East 14th Street, P.O. Box 13824, Austin, Texas 78711-3824, (512) 475-7886.

Material in the *Texas Register* is the property of the State of Texas. However, it may be copied, reproduced, or republished by any person for any purpose whatsoever without permission of the *Texas Register* director, provided no such republication shall bear the legend *Texas Register* or "Official" without the written permission of the director. The *Register* is published under Texas Civil Statutes, Article 6252-13a. Second class postage is paid at Austin, Texas, and additional entry offices.

POSTMASTER: Please send Form 3579 changes to the Texas Register, P.O. Box 13824, Austin, Texas 78711-3824.

**Information Available:** The ten sections of the *Register* represent various facets of state government. Documents contained within them include:

- Governor—appointments, executive orders, and proclamations
- Secretary of State—summaries of opinions based on election laws
- State Ethics Advisory Commission—summaries of requests for opinions and opinions
- Attorney General—summaries of requests for opinions, opinions, and open records decisions
- Emergency Rules—rules adopted by state agencies on an emergency basis
- Proposed Rules—rules proposed for adoption
- Withdrawn Rules—rules withdrawn by state agencies from consideration for adoption, or automatically withdrawn by the *Texas Register* six months after proposal publication date
- Adopted Rules—rules adopted following a 30-day public comment period
- Open Meetings—notices of open meetings
- In Addition—miscellaneous information required to be published by statute or provided as a public service

Specific explanations on the contents of each section can be found on the beginning page of the section. The division also publishes monthly, quarterly, and annual indexes to aid in researching material published.

**How To Cite:** Material published in the *Texas Register* is referenced by citing the volume in which a document appears, the words "TexReg," and the beginning page number on which

that document was published. For example, a document published on page 2402 of Volume 6 (1981) is cited as follows: 6 TexReg 2402.

In order that readers may cite material more easily, page numbers are now written as citations. Example: on page 2, in the lower left-hand corner of the page, would be written: "9 Tex-Reg 2 issue date," while on the opposite page, page 3, in the lower right-hand corner, would be written "issue date 9 Tex-Reg 3."

**How To Research:** The public is invited to research rules and information of interest between 8 a.m. and 5 p.m. weekdays at the *Texas Register* office, 503E Sam Houston Building, Austin. Material can be found by using *Register* indexes, the *Texas Administrative Code* (explained below), rule number, or TRD number.

## Texas Administrative Code

The *Texas Administrative Code* (TAC) is the approved, collected volumes of Texas administrative rules.

**How To Cite:** Under the TAC scheme, each agency rule is designated by a TAC number. For example, in the citation 1 TAC §27.15:

**1** indicates the title under which the agency appears in the *Texas Administrative Code* (a listing of all the titles appears below);

**TAC** stands for the *Texas Administrative Code*;

**27.15** is the section number of the rule (27 indicates that the rule is under Chapter 27 of Title 1; 15 represents the individual rule within the chapter).
