NOTES ON THE ISSUE

2236

Clinton Kersey has been selected Executive Director of the Texas Commission on Alcoholism, effective September 1. Kersey, a former member of the Texas House of Representatives and Deputy Executive Director of the Texas Youth Council, was chosen for the post by the commission on July 24. He will replace K. E. Beahan.

In a request for an opinion of the Attorney General, the Texas Education Agency is asking for clarification of a possible conflict between state statutes and U.S. Department of Labor rules for the administration of Comprehensive Employment Training Act (CETA) funds. The federal act provides that state boards of vocational education administer "vocational services" without actually defining that term. The Department of Labor definition of the term includes services, such as rent, allowances, and health services, which TEA guidelines, based on prior federal and state definitions, do not include. Another issue raised in the request is the responsibility of TEA to administer educational programs as set out in state statutes; CETA provides for cities and counties to set aside and directly administer funds for public education and training.

An amendment to an appeals rule adopted by the Texas Youth Council makes it possible for duplicate tape recordings of proceedings being appealed to be provided at no cost by the TYC to the representative of the child involved.

Requests for Opinions

Summary of Request for Opinion RQ-1439

Request for opinion sent to Attorney General's Opinion Committee by M. L. Brockett, Commissioner of Education, Texas Education Agency, Austin.

Summary of Request:

(1) Does Education Code, Section 11.02(c), which designates the Texas Education Agency the sole state agency with the power to enter into agreements with the federal government concerning "education undertakings," prohibit local prime sponsors from directly applying for and receiving CETA funds to establish manpower programs?

(2) If so, can conflict with Section 11.02(c) be avoided by having local prime sponsors contract with the Texas Education Agency for the authority to apply for and receive CETA funds?

(3) Does the CETA system of administering manpower programs by "local units of general government" conflict with Texas statutes such as Section 23-26(b), Education Code, giving the exclusive governing power over all public free schools in a school district to the board of trustees of the district?

(4) Do the answers to any of the three foregoing questions differ for funds for vocational education services distributed under Section 822, United States Code?

Summary of Request for Opinion RQ-1442

Request for opinion sent to Attorney General's Opinion Committee by Carol S. Vance, District Attorney, Harris County Courthouse, Houston.

Summary of Request: Are the operations of a person performing solid waste disposal services within the jurisdiction of the Railroad Commission as a "motor carrier" under Article 911b, Vernon's Civil Statutes, such that performing these services without complying with the statute of the commission's regulations thereunder would subject such person to prosecution under Section 16 of Article 911b?

Opinions

Summary of Opinion H-855

Request from Tom Hanna, Criminal District Attorney, Jefferson County, Beaumont, concerning the appointment and compensation of drainage district commissioners in Jefferson County.

Summary of Opinion: The Commissioners Court of Jefferson County has the authority to determine the compensation to be paid commissioners of Drainage Districts 3, 6, and 7 within the governing statutory limitations. Drainage district commissioners in Districts 3 and 6 are appointed by the commissioners court. However, an election for drainage district commissioners in Districts 3 and 6 may be called by petition of a majority of real property taxpayers. As to Drainage District 7, commissioners are appointed by the commissioners court with no provision for their election. The appointment of no more than one commissioner from each municipality in Drainage District 7 does not violate the "one man, one vote" principle.

Issued in Austin, Texas, on July 30, 1976.

ADOPTED RULES

An agency may adopt a proposed rule no earlier than 30 days after publication in the *Register*, except where a federal statute or regulation requires implementation of a rule on shorter notice.

An agency, on request, shall provide a statement of the reasons for and against adoption of a rule. Any interested person may request this statement before adoption or within 30 days afterward. The statement shall include the principal reasons for overruling considerations urged against the agency's decision.

Numbering System-- Each rule is designated by a unique 10-digit number which is divided into four units by decimal points. The first unit (three digits) indicates the agency which promulgates the rule. The second unit (two digits) indicates the category of rules to which the rule belongs. The third unit (two digits) indicates the subcategory of rules, if any, within the category. The fourth unit (three digits) indicates the individual rule.

The Open Meetings Act (Article 6252-17, Texas Civil Statutes) requires that an agency with statewide jurisdiction have notice posted for at least seven days before the day of a meeting. A political subdivision covering all or part of four or more counties, or an institution of higher education, must have notice posted for at least 72 hours before the scheduled meeting time. Notice of an emergency meeting or an emergency addition or amendment to an agenda must be posted for at least two hours before the meeting is convened. Although some notices may be received and filed too late for publication before the meetings are held, all filed notices will be published in the *Register*. Each notice published includes the date and time of filing. Notices are posted on the bulletin board outside the offices of the Secretary of State on the first floor in the East Wing of the State Capitol.

Texas Commission on Alcoholism

Selection of Executive Director

Clinton Kersey, Deputy Executive Director of the Texas Youth Council since 1969, has been named Executive Director of the Texas Commission on Alcoholism, effective September 1. The selection was the unanimous choice of the six-member commission, which met in Austin on Saturday, July 24, in special called session.

Kersey served as a member of the House of Representatives during the 46th and 47th Sessions and as chairman of the Penitentiary Committee in the 47th Session. He was chaplain of the house for 12 years.

He replaces K. E. (Ken) Beahan, who has headed the commission since 1968.

Texas Department of Community Affairs

Texas State Plan for Drug Abuse Prevention

A document known as "The 1977 Texas State Plan for Drug Abuse Prevention" is now available for review at the offices of the Texas Department of Community Affairs at 210 Barton Springs Road in Austin. Compliance with the Texas plan is required of all applications for grants or contracts under subsections 409 and 410 of Public Law 92-255.

The plan describes the nature and extent of drug abuse in the state, the present resources available to deal with the problem, and a description of the resources needed in the state to address the needs and gaps in services. An action agenda is outlined and service delivery agents are identified. Organizational and functional responsibilities and specific program management provisions are described.

Should any person, after reviewing the plan, desire to make any comments or suggested modifications, those will be brought to the attention of the State Advisory Council.

Texas Water Quality Board

Brazos River Authority of Texas

The Continuing Planning Process has been prepared by the Texas Water Quality Board pursuant to Sections 208 and 303(e) of the Federal Water Pollution Control Act (as amended). This process charges the Brazos River Authority of Texas with certain specified water quality management planning responsibilities in the Brazos Basin. The Texas Water Quality Board, in a coordinated effort with the Brazos River Authority of Texas, has developed a Work Task Outline for the Brazos Basin. It has been jointly decided that certain of these work elements can best be accomplished by an (engineering) consultant.

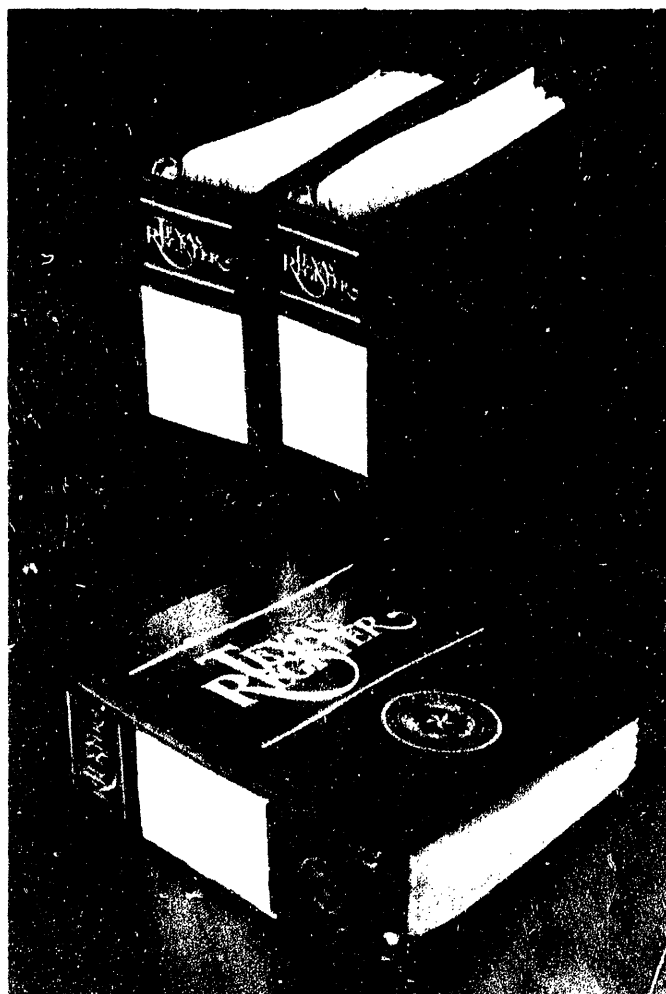

On behalf of the Brazos River Authority of Texas, the Texas Water Quality Board is currently requesting proposals from any interested consultants. The proposals are required by September 3, 1976, and selection of a contractor will take place after that date. Inquiries concerning this proposal, including requests for additional information, can be made by contacting Jack Kramer, Administrative Operations Division, P.O. Box 13246, Capitol Station, Austin, Texas 78711, telephone (512) 475-3454.

Copies of the Continuing Planning Process and/or the Work Task Outline for the Brazos Basin are available for inspection in the offices of the Texas Water Quality Board at the above address as well as the offices of the Brazos River Authority of Texas, P.O. Box 7555, Waco, Texas 76710, telephone (817) 776-1441.

Payment for services pursuant to the proposed contract will be funded in part by a planning grant from the Environmental Protection Agency to the Texas Water Quality Board. Execution of the contract between the selected contractor and the Brazos River Authority of Texas is dependent upon prior approval by EPA of a presently proposed contract between the TWQB and the BTA, EPA audit of the proposed contractor/BRA contract, and TWQB approval of the proposed contractor/BRA contract.
