Annual Index

This index represents the annual compilation of 1989 and is inclusive of state agency activities for January-December, 1989.

Regular publication of state agency activities will resume with the next issue, January 23, 1990.

How to Use the Annual Index

The Annual Index to the *Texas Register* consists of three sections:

TAC Titles Affected

Agency Guide

Open Meetings

The section on TAC Titles Affected is a list of the chapters of each title of the *Texas Administrative Code* affected by documents published from January through December. The listings are arranged in the same order as the table of contents of the *Texas Administrative Code*.

The Agency Guide section is a compilation of the agency activity since January of last year. The arrangement of agency names is alphabetical. Under each agency entry, the section chapter titles are alphabetized followed by the types of action taken during the last year. Each subchapter title affected in that chapter is alphabetized under the applicable type of action (emergency, proposed, withdrawn adopted). Following the sections is a listing of nonregulatory notices. This list is a compilation of items found in the "In Addition" section of the *Texas Register* and other nonregulatory information, such as gubernatorial appointments.

Requests for opinions, opinions, and open records decisions of other Office of the Attorney General, and the administrative decisions of the Comptroller of Public Accounts are also included in the agency Guide section. They are arranged numerically by the numbers assigned by the issuing agency. Brief subject descriptions are provided for the contents of each ruling. Entries that refer to actions of the Office of the Attorney General are designated by abbreviations in both the Agency Guide section and the Subject Terms section: RQ-requests for opinion; JM-opinion of the Attorney General Jim Mattox; ORD-open records decision.

The Open Meetings Section is a compilation of all open meeting notifications by state agencies published in the *Texas Register* since January of this year. The arrangement of agency names is structured like the Agency Guide section in alphabetical order. This list identifies the page number in the *Texas Register* which contains the agenda of the open meeting and the date which the meeting took place.

The *Texas Register* invites comments and suggestions for improvement in future indexes. Comments may be directed to this office at P.O. Box 13824, Austin, Texas 78711-3824, (512) 463-5561.
