Annual Index

This index represents the Annual compilation of 1993.

How to Use the Annual Index

The Annual Index to the *Texas Register* consists of six sections:

TAC Titles Affected

Agency Guide

Open Meetings

Regional Meetings

Index to Statute

Page Numbers

The section on TAC Titles Affected is a list of the chapters of each title of the *Texas Administrative Code* affected by documents published

from January through September. The listings are arranged in the same order as the table of contents of the *Texas Administrative Code*.

The Agency Guide section is a compilation of the agency activity since January of this year. The arrangement of agency names is alphabetical. Under each agency entry, the section chapter titles are alphabetized followed by the types of action taken during the last year. Each subchapter title affected in that chapter is alphabetized under the applicable type of action (emergency, proposed, withdrawn and adopted). Following the sections is a listing of nonregulatory notices. This list is a compilation of items found in the "In Addition" section of the *Texas Register* and other nonregulatory information, such as gubernatorial appointments.

Requests for opinions, opinions, and open record decisions of the Office of the Attorney General, and the administrative decisions of the Comptroller of Public Accounts are also included in the Agency Guide. They are arranged numerically by the numbers assigned by each issuing agency. Brief subject descriptions are provided for the contents of each ruling entries that refer to actions of the Office of the Attorney General are designated by abbreviations in the Agency Guide section: RQ-requests for opinion, DM- opinion of the Attorney General Dan Morales; ORD-open records decision.

The Open Meetings and Regional Meetings Section is a compilation of all open meeting notifications by state and regional agencies published in the *Texas Register* this year. The arrangement of agency names is structured like the Agency Guide section in alphabetical order. This list identifies the page number in the *Texas Register* which contains the agenda of the open meeting and the date which the meeting took place.

Index to Statute is a listing of the information required by Government Code, Chapter 2001 (Texas Civil Statutes, 6252-13a). When an agency submits a proposed rule for publication, the preamble must include the section or article of the code affected giving the governmental body the authority to promulgate the rule.

Page Numbers is a directory listing the page numbers and corresponding issues of the *Texas Register* published in 1993.

The *Texas Register* invites comments and suggestions for improvement in future indexes. Comments may be directed to this office at P.O. Box 13824, Austin, Texas 78711-3824, (512) 463-5561.
