managers associated with the series.

(b) The company agreement may provide for the taking of an
action, including the amendment of the company agreement, without
the vote or approval of any member or manager or class or group of
members or managers, to create under the provisions of the company
agreement a class or group of the series of membership interests

limited liability company, the governing authority of a series
consists of the managers or members associated with the series as
provided in the company agreement.

(b) If the company agreement does not provide for the
governing authority of the series, the governing authority of the
series consists of:

(1) the managers associated with the series, if the
company's certificate of formation states that the company will

manager of the limited liability company or with respect to any
other series of the company.
(b) An event that under this chapter or the company agreement causes a member to cease to be associated with a series does not, in and of itself, cause the member to cease to be associated with any other series or terminate the continued membership of a member in the limited liability company or require the winding up of the series, regardless of whether the member was the last remaining member associated with the series.

Sec. 101.611. MEMBER STATUS WITH RESPECT TO DISTRIBUTION.

(d) For purposes of Subsection (b), the assets associated with a series include the fair value of property of the series subject to a liability for which recourse of creditors is limited to specified property of the series only if the fair value of that property exceeds the liability.

(e) A member who receives a distribution from a series in violation of this section is not required to return the distribution to the series unless the member had knowledge of the violation.

(f) This section may not be construed to affect the obligation of a member to return a distribution to the series under the company agreement or other state or federal law.

(g) Section 101.206 does not apply to a distribution with respect to a series.

(h) For purposes of this section, "distribution" does not include an amount constituting reasonable compensation for present or past services or a reasonable payment made in the ordinary course of business under a bona fide retirement plan or other benefits program.
