LEGISLATIVE APPROPRIATION REQUESTS FOR FY 2014 – 2015
Administrator's Statement: Texas State Technical College Waco

OVERVIEW OF TSTC WACO

Texas State Technical College Waco (TSTC Waco) was established by the Texas Legislature in 1965 as the first of four member colleges in the Texas State Technical College System, with the mission to provide advanced technical training to students in support of economic development for the State of Texas. Located in Central Texas, during the Fall 2011 semester TSTC Waco provided technical training to 4,746 students from 145 Texas counties and 38 states in the College's 46 certificate and associate's degree programs.

TSTC Waco continues our 47 year history of successfully providing a skilled workforce for business and industry in Texas through program offerings in high demand, STEM-related areas. In 2011 Texas State Technical College Waco was ranked by Community College Week as:

- Number 1 producer of Associate's Degrees in Engineering and Engineering-Related fields both in the Nation and in Texas.
- Number 1 producer of Associate's Degrees in Computer and Information Science fields in Texas and Number 11 nationally.
- Number 1 producer of Associate's Degrees in Precision Production fields in Texas and Number 16 nationally.

SIGNIFICANT CHANGES, CHALLENGES AND OPPORTUNITIES

- TSTC Waco is shifting our method of operation to better fit the "Returned Value Funding Model," as outlined in Rider 42 under the THECB section of the General Appropriations Act.
- TSTC Waco is improving assessment activities for students prior to enrollment, helping to match each student's educational goals with program offerings that correlate with each student's educational preparedness.
- TSTC Waco is seeking to improve student success in mathematics through our Quality Enhancement Plan initiative as part of our 10 year reaccreditation through the Southern Association of Colleges and Schools.
- TSTC Waco, along with the System Operations and the other TSTC colleges, has sought opportunities to increase efficiency in operations. Information Technology planning and operations have been centralized, yielding cost reductions on existing contracts and personnel.
- TSTC Waco is expanding our available programs to include the East Williamson County Higher Education Center at Hutto.
- TSTC Waco hopes to secure funding to replace the college's antiquated 70 year old water distribution system.

(4)

ADMINISTRATOR'S STATEMENT
83rd Regular Session, Agency Submission, Version 1
Automated Budget and Evaluation System of Texas (ABEST)

DATE: 7/31/2012
TIME: 11:04:44AM
PAGE: 2 of 3

Agency code: 71D

Agency name: Texas State Technical College - Waco

- TSTC Waco seeks to remain a significant producer of high-demand technical graduates.
- TSTC Waco believes that the value of our graduates and technical education is critical to the future of Texas.

REDUCTION STRATEGIES

In responding to both the reduction of federal funding sources and the 8.75 percent General Revenue reduction experienced in the 2012/2013 biennium, TSTC Waco has employed a host of strategies including reorganization and the resulting reductions/repurposing of staff, seeking efficiencies everywhere possible, and focusing operating resources on mission-critical services. The College is seeking grant funding opportunities where possible, is entrepreneurially using College assets to create new revenue streams for the College which can help support our core mission, and is developing corporate and private relationships which benefit the College and our community partners alike.

TSTC Waco expects that a further GR reduction of 5 percent will require the college to consider eliminating student services such as the student recreation center, defer maintenance projects such as roof replacements, and cap enrollment in certain instructional programs (leading to faculty and staff reductions). An additional 5 percent General Revenue reduction will result in additional program reductions and limitations, including possible elimination of certain strategic partnerships with other colleges that have limited growth potential. The "hands on" technical programs offered by TSTC Waco require appropriate faculty to student ratios and oversight in lab courses for safety reasons.

EXCEPTIONAL FUNDING REQUESTS

TSTC Waco seeks new funding requests to address the following critical needs and services:

East Williamson County Higher Education Center:

As authorized by the Texas Education Code Chapter 130.092, TSTC Waco, in partnership with Temple College, joined with the Hutto community to fund the first building for the East Williamson County Higher Education Center at Hutto. The community is providing funding for over half the cost of this facility (TSTC Waco is funding 27% of the total cost of the building and owns 100%). The college requests \$2,420,000 for the FY 2014/2015 biennium to help fund startup personnel and equipment costs for the initial two years of operation.

Tuition Revenue Bond Payments for Waco Water System:

Tuition Revenue Bond Issuance Authority of \$5,000,000 is requested by TSTC Waco for the replacement of the College's water system. The existing system is now 70 years old and is at the end of its useful life. This authority would fund the E&G-related portion of this essential facility project, and requires an Exceptional Item Request for projected debt service payments.

BACKGROUND CHECKS

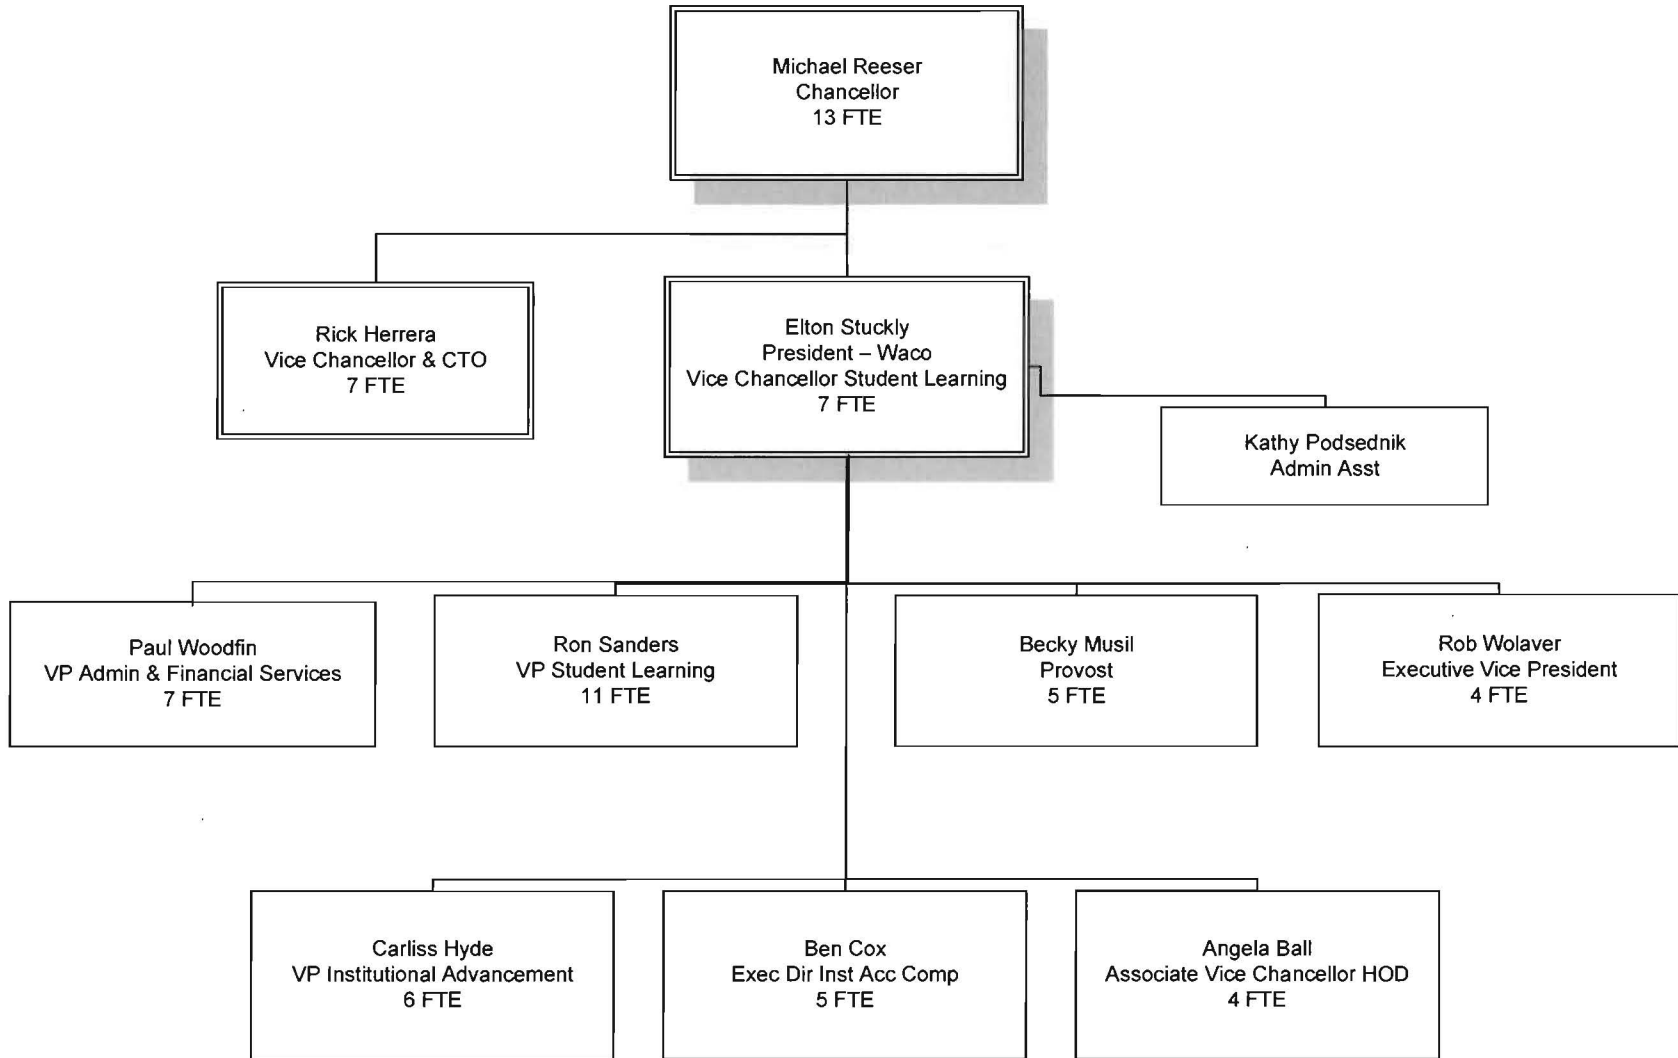

Criminal history record information is checked for employment applicants under final consideration, following normal screening and selection processes, for security sensitive positions. Security sensitive positions are restricted to those positions described in Texas Education Code § 51.215(c) and Texas Government Code § 411.094(a) (2). Security sensitive positions include those in which employees handle currency, have access to financial records, legal records, medical records, personnel records and student academic records, have access to a master key, or work in an area of the College which has been designated as a security sensitive area.

All advertisements and notices released for security sensitive positions include the statement: "Security Sensitive Position." Upon selection of the best qualified candidate for the position, the candidate may be offered continued employment by the College contingent upon the evaluation of the criminal history record check. If the check produces a criminal record on the candidate, the Human and Organization Development Executive or his/her designee evaluate the record and work with the department head to determine if the employee should be recommended or not recommended for employment. All criminal history information on applicants are privileged and confidential and are not released or otherwise disclosed to any person or agency other than those persons involved in the hiring process with a legitimate need to know this information, except on court order.

ADDITIONAL FTE REQUEST

Additional FTE positions are requested for faculty and support staff to provide instruction and services at the East Williamson County Higher Education Center at Hutto. The fifteen FTE positions include faculty and lab assistants for eight associate's degree instructional programs to be offered beginning in Fall of 2013. The request is included in the special item funding request for the East Williamson County Higher Education Center at Hutto.

EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:

This strategy is impacted by factors affecting the College's ability to:

- 1) Provide hands on training using state of the art equipment in first-rate labs
- 2) Recruit and retain qualified faculty at competitive salaries
- 3) Forecast workforce demands for the present and future
- 4) Continue its history of successful placement of its students
- 5) Develop diverse learning tools and teaching strategies to achieve learning successes for more students

FULL TIME EQUIVALENT POSITIONS:

STRATEGY DESCRIPTION AND JUSTIFICATION:

This strategy is to provide proportional share of staff group insurance premiums paid from Other Educational and General funds.

EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:

Number of full-time personnel. Strategy is based upon percentage of other E&G income to total appropriation. Tuition increases and reduced general revenue appropriations affect the expenditure requirements of this strategy.

The ERS 1% Health Insurance Contribution is \$219,110 for FY 2012 and \$228,500 for FY 2013. There is a general revenue shortfall for group insurance; therefore, other strategies must supplement group insurance expenditures.

STRATEGY DESCRIPTION AND JUSTIFICATION:

Provides facility maintenance and utilities services which are critical to TSTC Waco.

EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:

Strategy based on formula.

The College resides on a former Air Force Base whose aged facilities require significant costs to keep up with current and deferred maintenance and utility rate increases. Significant enrollment growth over the past several years has further strained existing facilities.

(1) - Formula funded strategies are not requested in 2014-15 because amounts are not determined by institutions.

FULL TIME EQUIVALENT POSITIONS:		22.1	11.8	17.0	17.0	17.0

STRATEGY DESCRIPTION AND JUSTIFICATION:

Funds are used to support E & G instructional support components including Deaf Student Services, Student Support Services, and Instructional Support Services. Education through diverse mediums (including distance learning), retention through innovative and early risk assessment, and marketing designed to reach under-represented populations (specifically hispanic) are supported by this funding. New program development is also funded by this strategy.

EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:

Funds are used for services and staffing necessary to support deaf/disabled student services, retention programs (focused on meeting "Closing the Gaps" targets) and development of new instructional programs to meet the changing needs of Texas business and industry.

Student needs for assistance in challenging economic times has increased the need for services provided by this strategy, in spite of funding cuts to this strategy.

TOTAL, METHOD OF FINANCING			\$401,213	\$401,213

DESCRIPTION / JUSTIFICATION:

Tuition Revenue Bond Issuance Authority in the amount of \$5 million is requested by TSTC Waco for the replacement of the college's water system. The existing system is now 70 years old and is at the end of its useful life. This authority would fund the E&G-related portion of this essential facility project, and requires an Exception Item Request for projected debt service payments. The debt service payments are based upon 5% interest for a period of 20 years.

EXTERNAL/INTERNAL FACTORS:

The funding of this project will reduce maintenance and operations costs by approximately \$60,000 and will provide safe drinking water to our campus for the next 50 years. In the near future we anticipate further action by TCEQ due to water quality issues resulting from the age and condition of the existing water system.

FULL-TIME EQUIVALENT POSITIONS (FTE):

15.00 15.00

DESCRIPTION / JUSTIFICATION:

As authorized by Texas Education Code Chapter 130.092, TSTC Waco, in partnership with Temple College, joined with the Hutto community to fund construction of the first building for the East Williamson County Higher Education Center at Hutto. The community is providing funding for over half of the building cost, plus funds for the Operation and Maintenance of the facility through a branch maintenance tax approved by voters in May 2011 which is collected for Temple College. TSTC Waco is funding 27 percent of the project cost of the building and will own 100 percent.

Additional information:

- As a new strategy for the 2014/2015 biennium, this strategy provides assistance with startup personnel, operating, and equipment costs for the initial two years of operation. We expect 300-400 annual headcount students to be enrolled in high demand technical programs offered by TSTC, quickly providing trained workers for business and industry in the Austin metropolitan region.
- This special item did not exist previously.
- Students who have completed their course of study and have entered the workforce will begin to provide formula funding for the 2016/2017 biennium and should fully provide funding for instructional operations for the 2018/2019 biennium. While the degree plans for Hutto are being planned with an accelerated and condensed schedule (an Associate Degree in 4 semesters rather than 5-6 semesters), TSTC does not expect to have completed and placed a full cohort of graduates during the formula base period for the 2016/2017 biennium.

4.A. EXCEPTIONAL ITEM REQUEST SCHEDULE
83rd Regular Session, Agency Submission, Version 1
Automated Budget and Evaluation System of Texas (ABEST)

DATE: 10/10/2012
TIME: 10:17:55AM

(49 a)

Agency code: 71D

Agency name:

Texas State Technical College - Waco

CODE	DESCRIPTION	Excp 2014	Excp 2015
-------------	--------------------	------------------	------------------

EXTERNAL/INTERNAL FACTORS:

4. During the 2012/2013 biennium TSTC Waco has budgeted approximately \$600,000 per year from General Revenue and State/Designated Tuition generated at the Waco campus for startup operations which includes some certificate-level instructional programs at a temporary location provided by Hutto ISD. This funding level will continue during the 2014/2015 biennium.

5. The funding provided by this exceptional item request will allow TSTC's high demand programs at Hutto to quickly begin providing trained workers for the Austin metropolitan region, which Texas business and industry need. If this strategy is not funded, TSTC Waco will need to either limit planned program offerings for Hutto and/or make reductions to program offerings at the Waco campus.

	Total Expenditures		6.1%		\$2,129,290	\$34,956,813		4.2%		\$2,742,909	\$65,129,095

B. Assessment of Fiscal Year 2010 - 2011 Efforts to Meet HUB Procurement Goals

Attainment:

The agency attained zero of six, or 0%, but was within 2% of obtaining two of the applicable statewide HUB procurement goals in FY 2010. The agency attained or exceeded one of six, or 16.67%, of the applicable statewide HUB procurement goals in FY 2011 and was within 5% of obtaining an additional goal in 2011.

Applicability:

The agency had expenditures in five of six HUB categories for FY 2010 and had expenditures in all HUB categories for FY 2011.

Factors Affecting Attainment:

The agency continues to have difficulty in awarding Building Construction contracts to HUB vendors based on the size and location of projects versus availability of HUB vendors; however the percentage of Building Construction contracts awarded to HUB vendors in FY 2011 increased over FY 2010.

"Good-Faith" Efforts:

The agency made the following good faith efforts to comply with statewide HUB procurement goals per 34 TAC Section 20.13(c):

- Provided access to procurement policies and procedures to the HUBs
- Developed and participated in educational outreach activities, including:
 - *Staged periodic trade fairs to HUBS to demonstrate their products and services to potential buyers,
 - *Participated in programs that consolidated information about upcoming contracting opportunities and allowed potential bidders to discover upcoming opportunities
- Provided training annually to internal departments concerning the HUB requirements, goals, and procurement policies and procedures,
- Attended HUB forums within our region
- Advertised major construction projects widely

SCHEDULE 9: SPECIAL ITEM INFORMATION

83rd Regular Session, Agency submission, Version 1
Automated Budget and Evaluation System of Texas (ABEST)

(75)

Agency Code: **71D** Agency: Texas State Technical College – **Waco**

Special Item: 1 Institutional Enhancement

(1) Year Special Item: 2000

(2) Mission of Special Item:

To provide support services for E & G operations to facilitate instructional support services, deaf disabled student services, retention efforts, scholarships, institutional research, and new program development.

(3) (a) Major Accomplishments to Date:

New programs in alternative energy technology, air traffic control/flight dispatch, high performance computing, and program revisions focusing on green building technologies have been accomplished in the past two years.

Required services for deaf and disabled students have expanded well beyond the funding provided by this item.

(3) (b) Major Accomplishments Expected During the Next 2 Years:

Maintain current services, including those for deaf students, expanding retention efforts in order to improve graduation rates, scholarships for needy students, and new program development to allow TSTC to maintain our focus on industry needs.

(4) Funding Source Prior to Receiving Special Item Funding:

Prior to FY 2000, the College received separate special items for Deaf Students Services, Scholarships, Educational Support, and New Plant Expansion.

(5) Non-general Revenue Sources of Funding:

None.

(6) Consequences of Not Funding:

Critical instructional support services, retention efforts, scholarships, institutional research, and new program development would not be maintained. The ADA requires that deaf and disabled student services be provided, so funding for instruction and support services would be significantly reduced in order to cover these costs.
