Water Quality Coloring & Activity Book

This book belongs to:

Hi
again,
remember
us?
I'm Tex.

And
I'm
Dot!

And I'm
Freeway
the
Frog!

We
want to
talk to you
a bout keeping
Texas'
waters
clean...

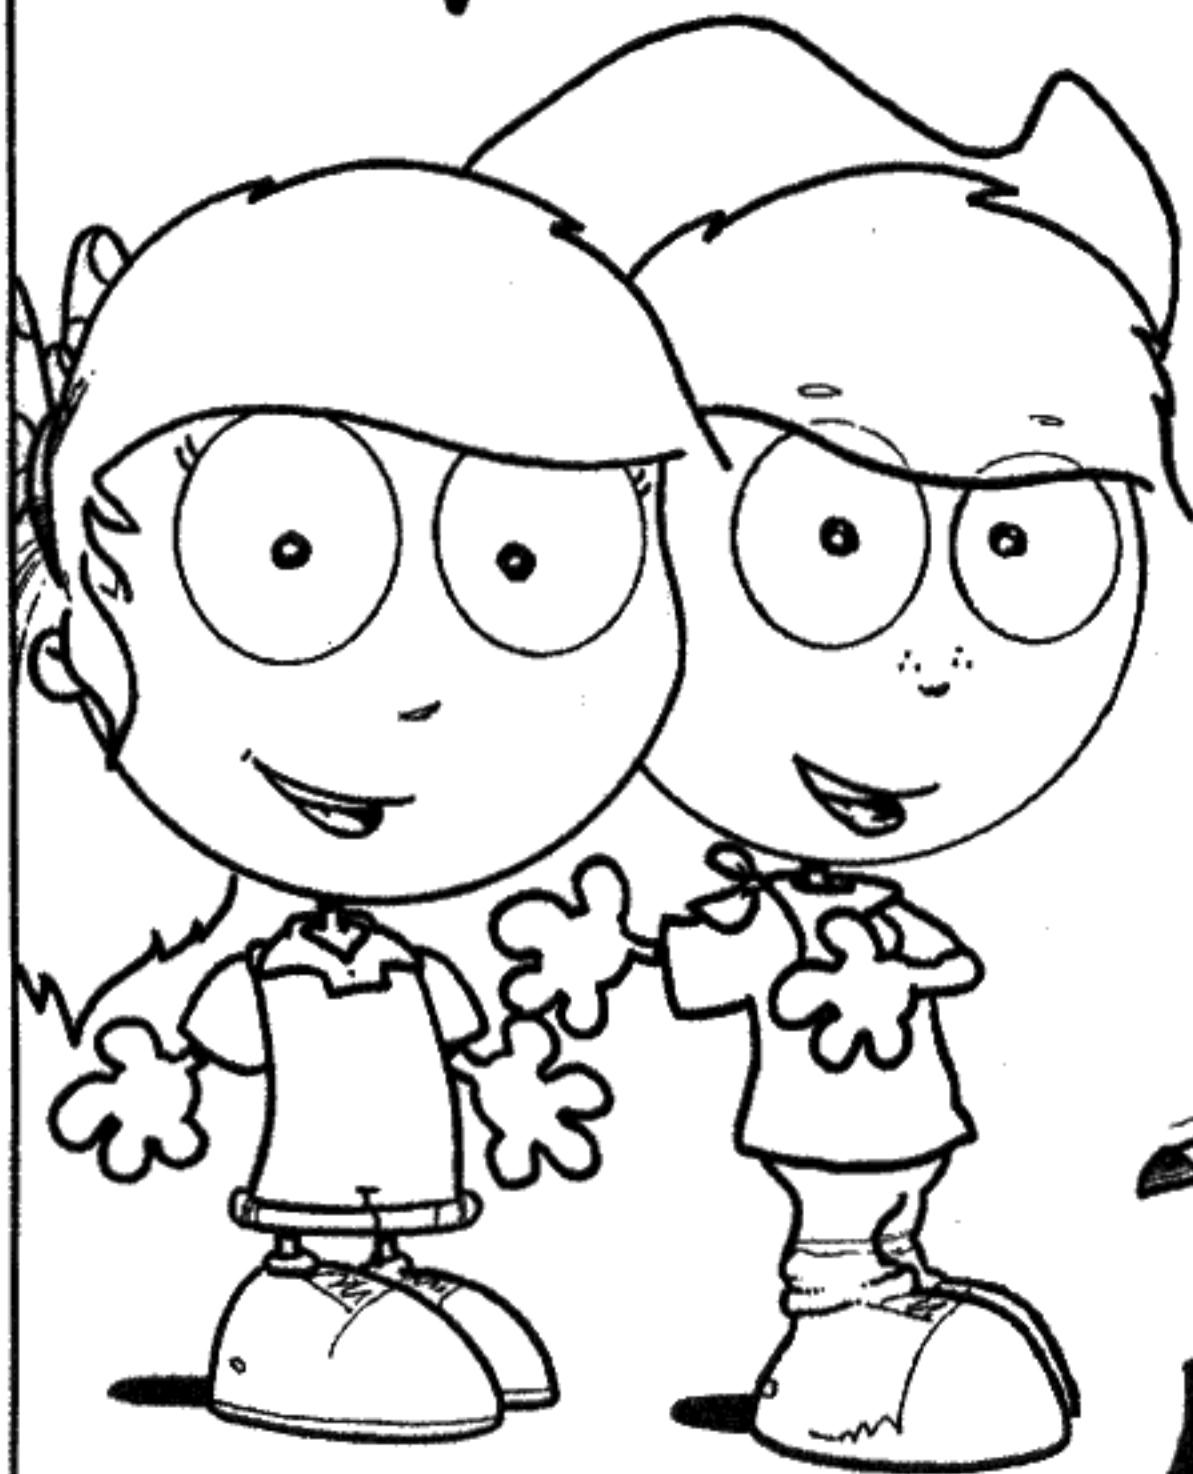

... Because
trash and
litter on our
roadways
becomes trash
in our
waterways!

It's
easy to
help keep
Texas'
waters
clean.

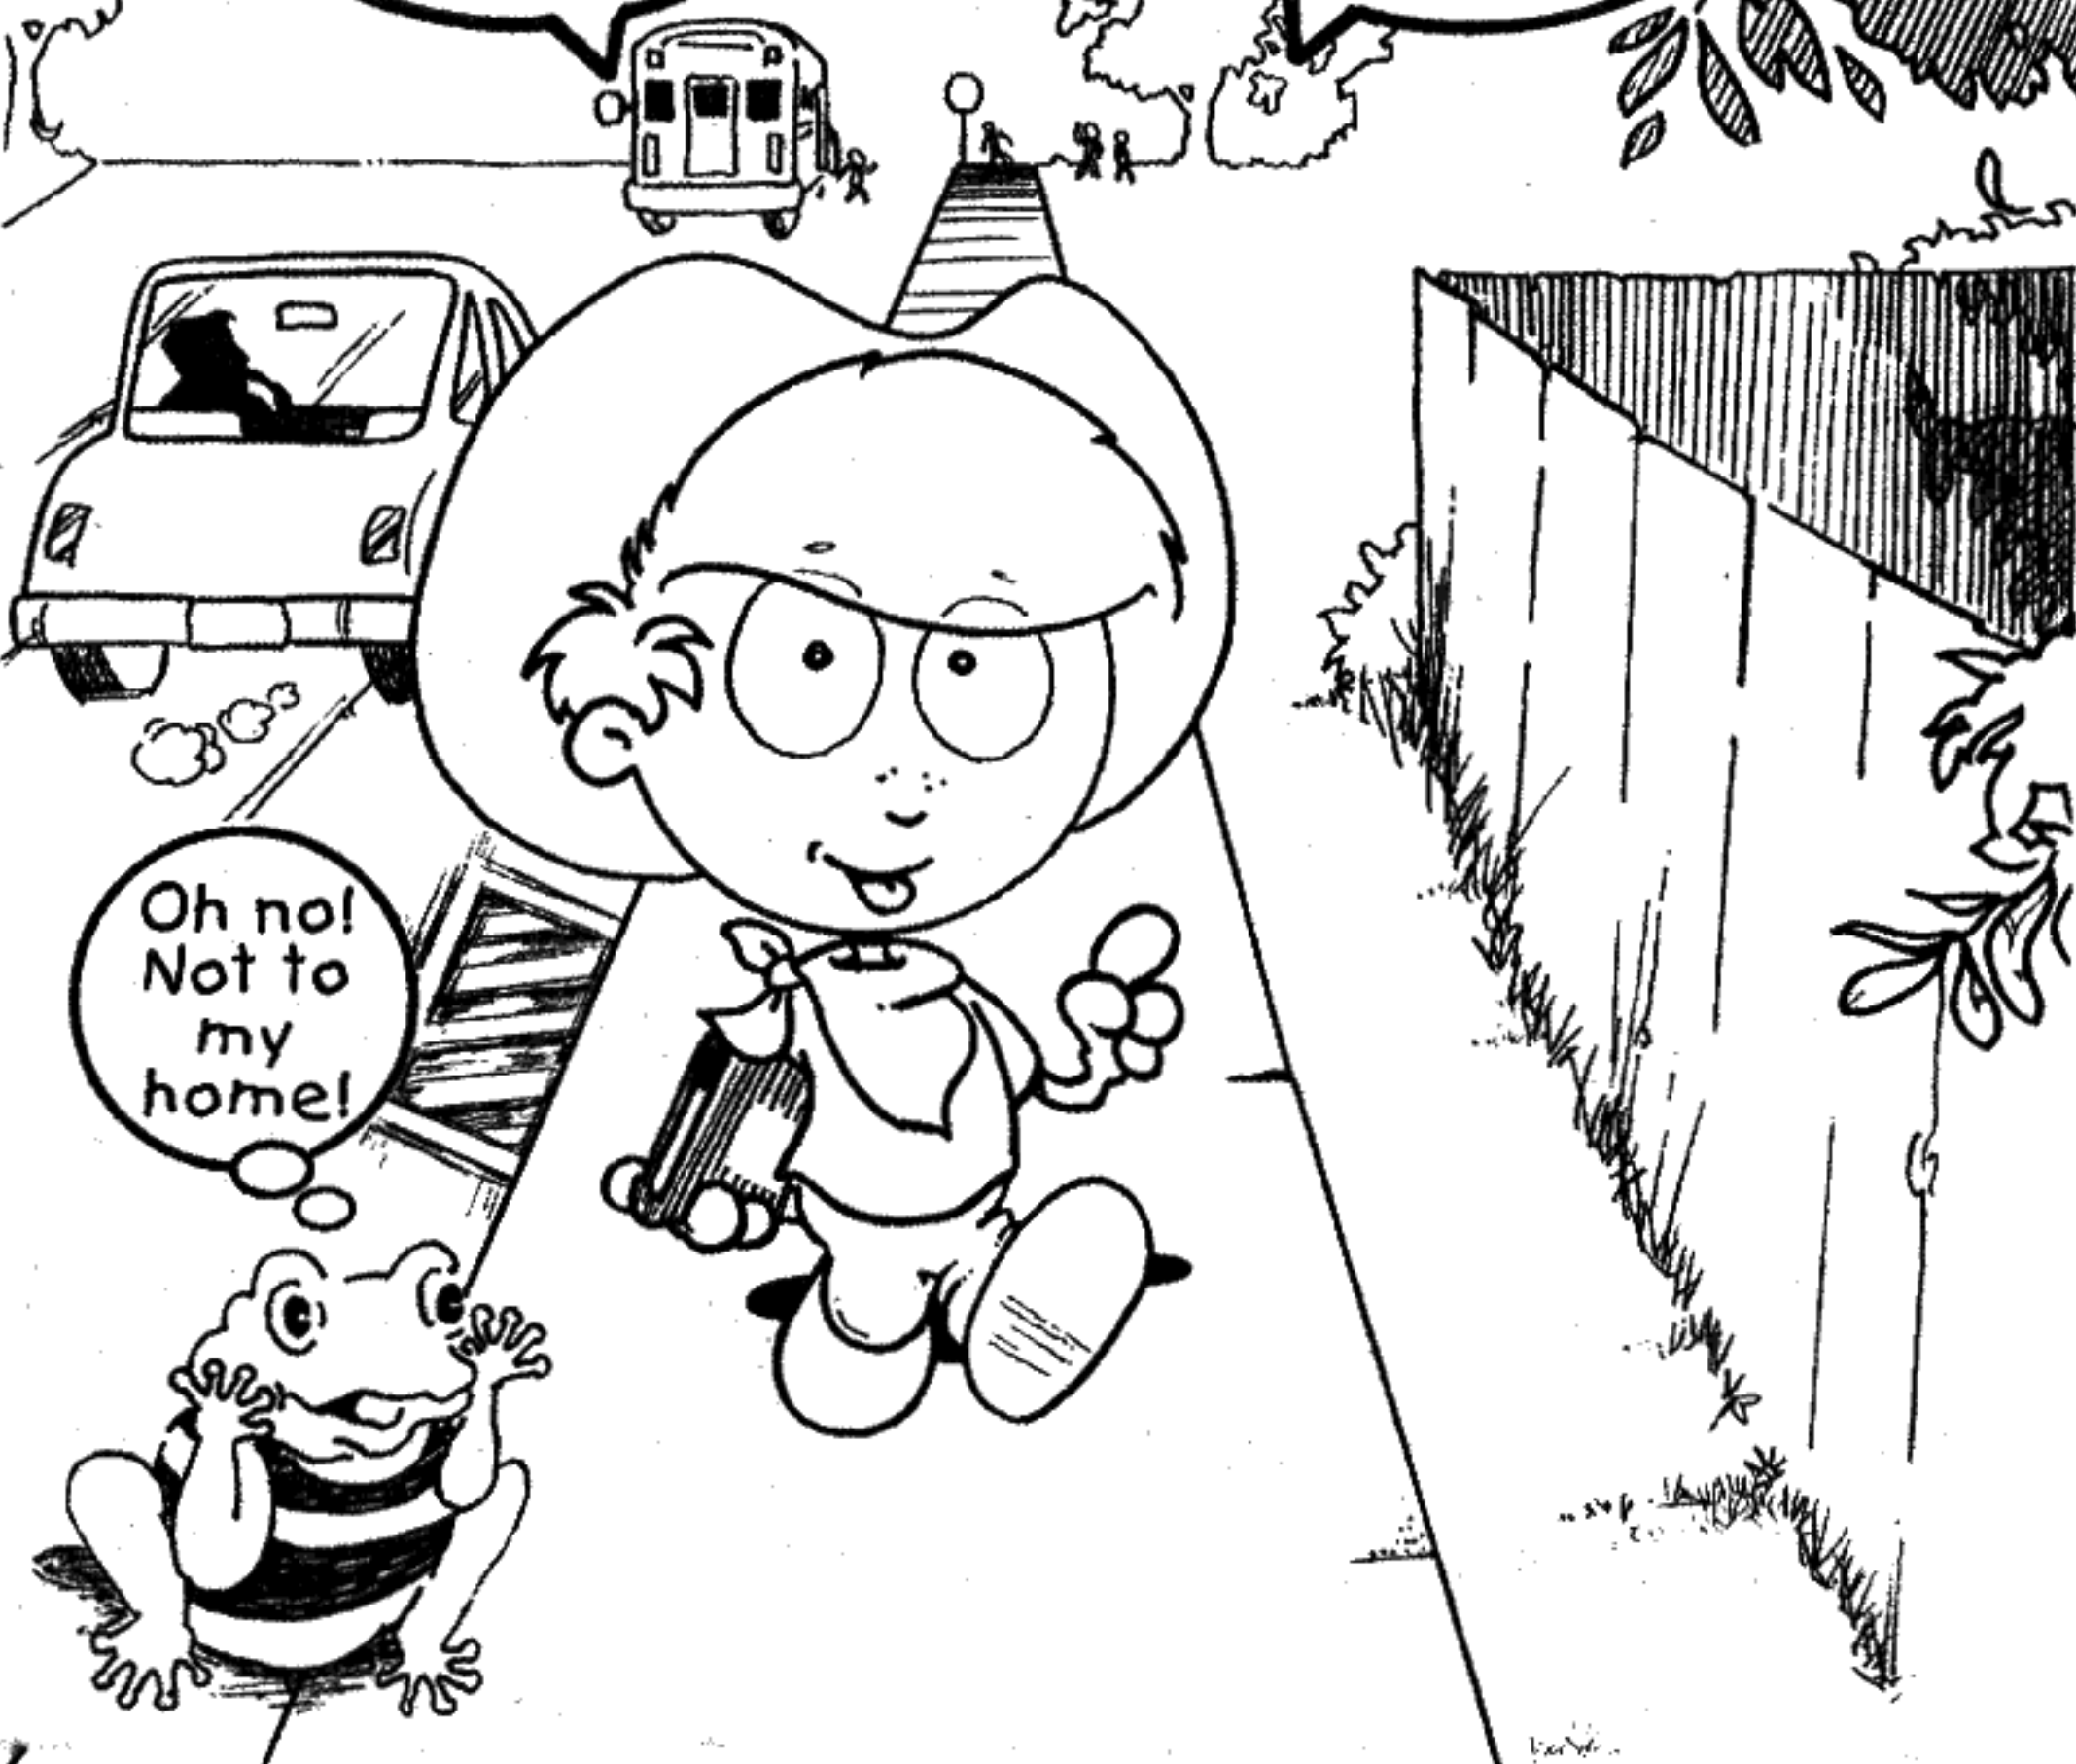

... And
fun too!
C'mon and
we'll
show you
how!

Clean
water
makes me
happy!

What we
throw out
on our streets,
sidewalks
and
yards . . .

. . . washes
into the
stormwater
drains
and winds
up in our
waterways.

Every-
thing
else has
a place.

No Dumping  Drains to Waterway

Only rain should
go down a drain.

Always put litter in its
place-- a trash can!

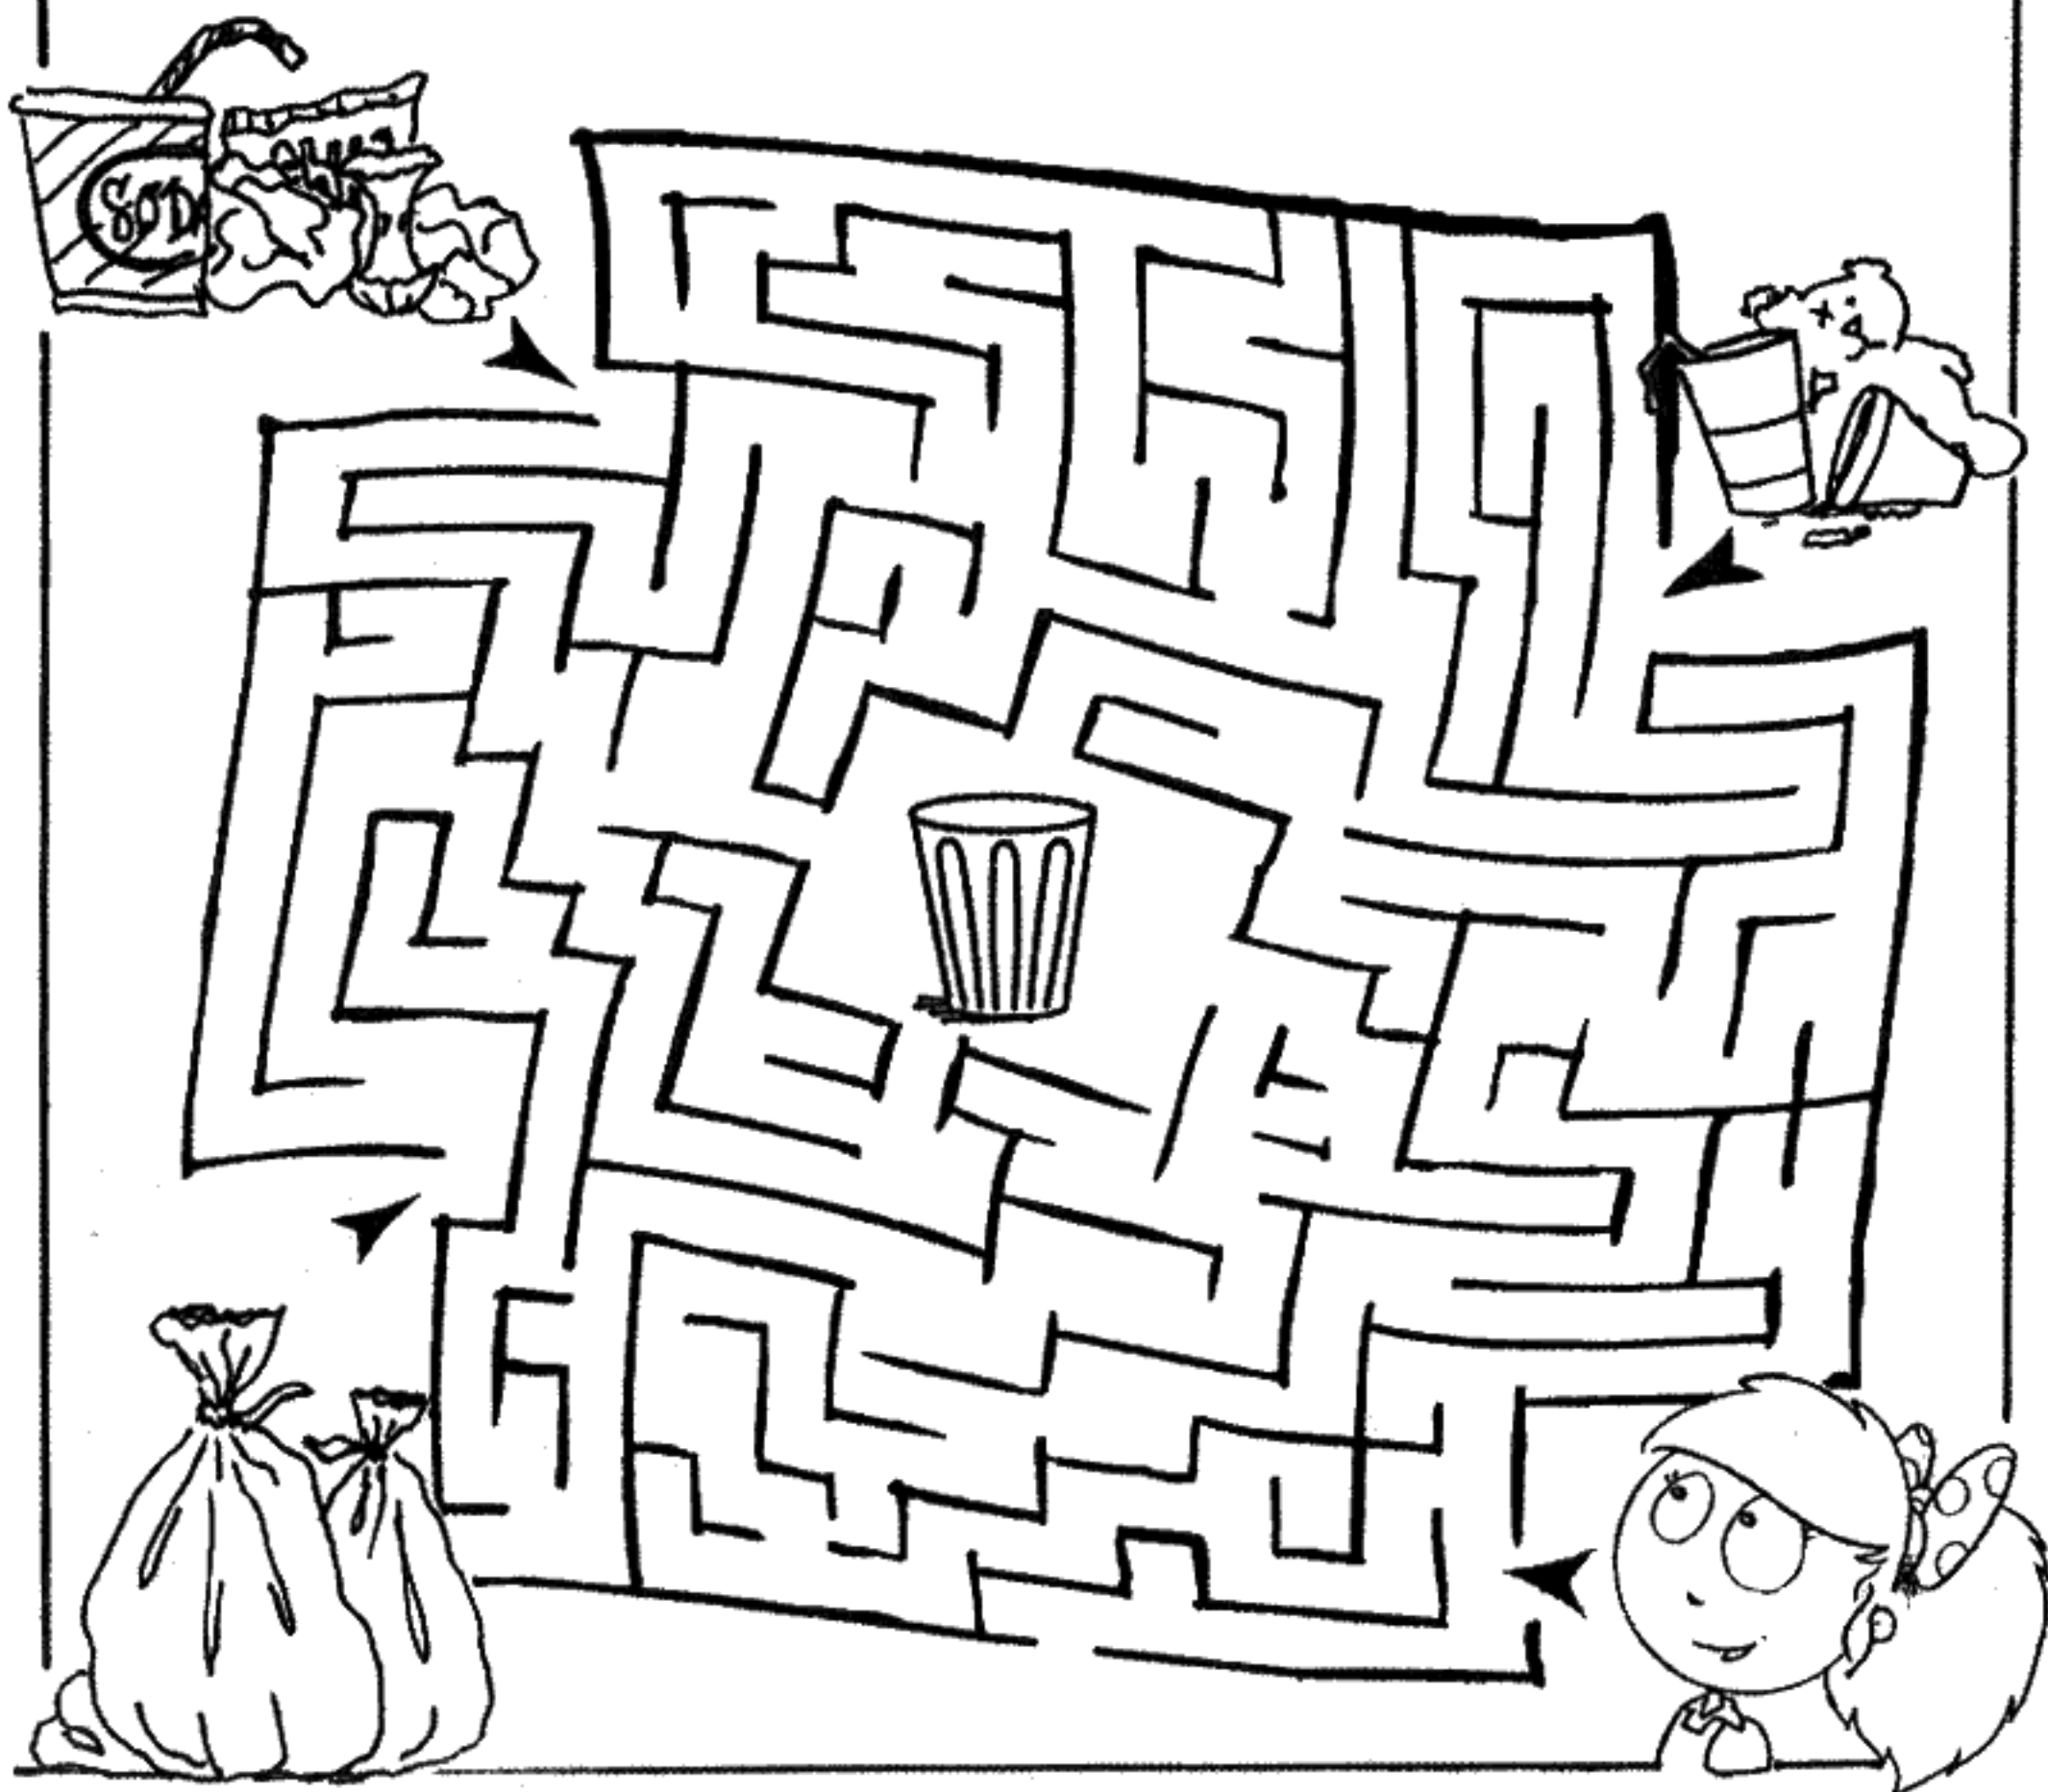

Please
put
your trash
in here!

We need to tell our friends
and family not to throw litter
on the ground.

What should Dot
do with all the
trash?

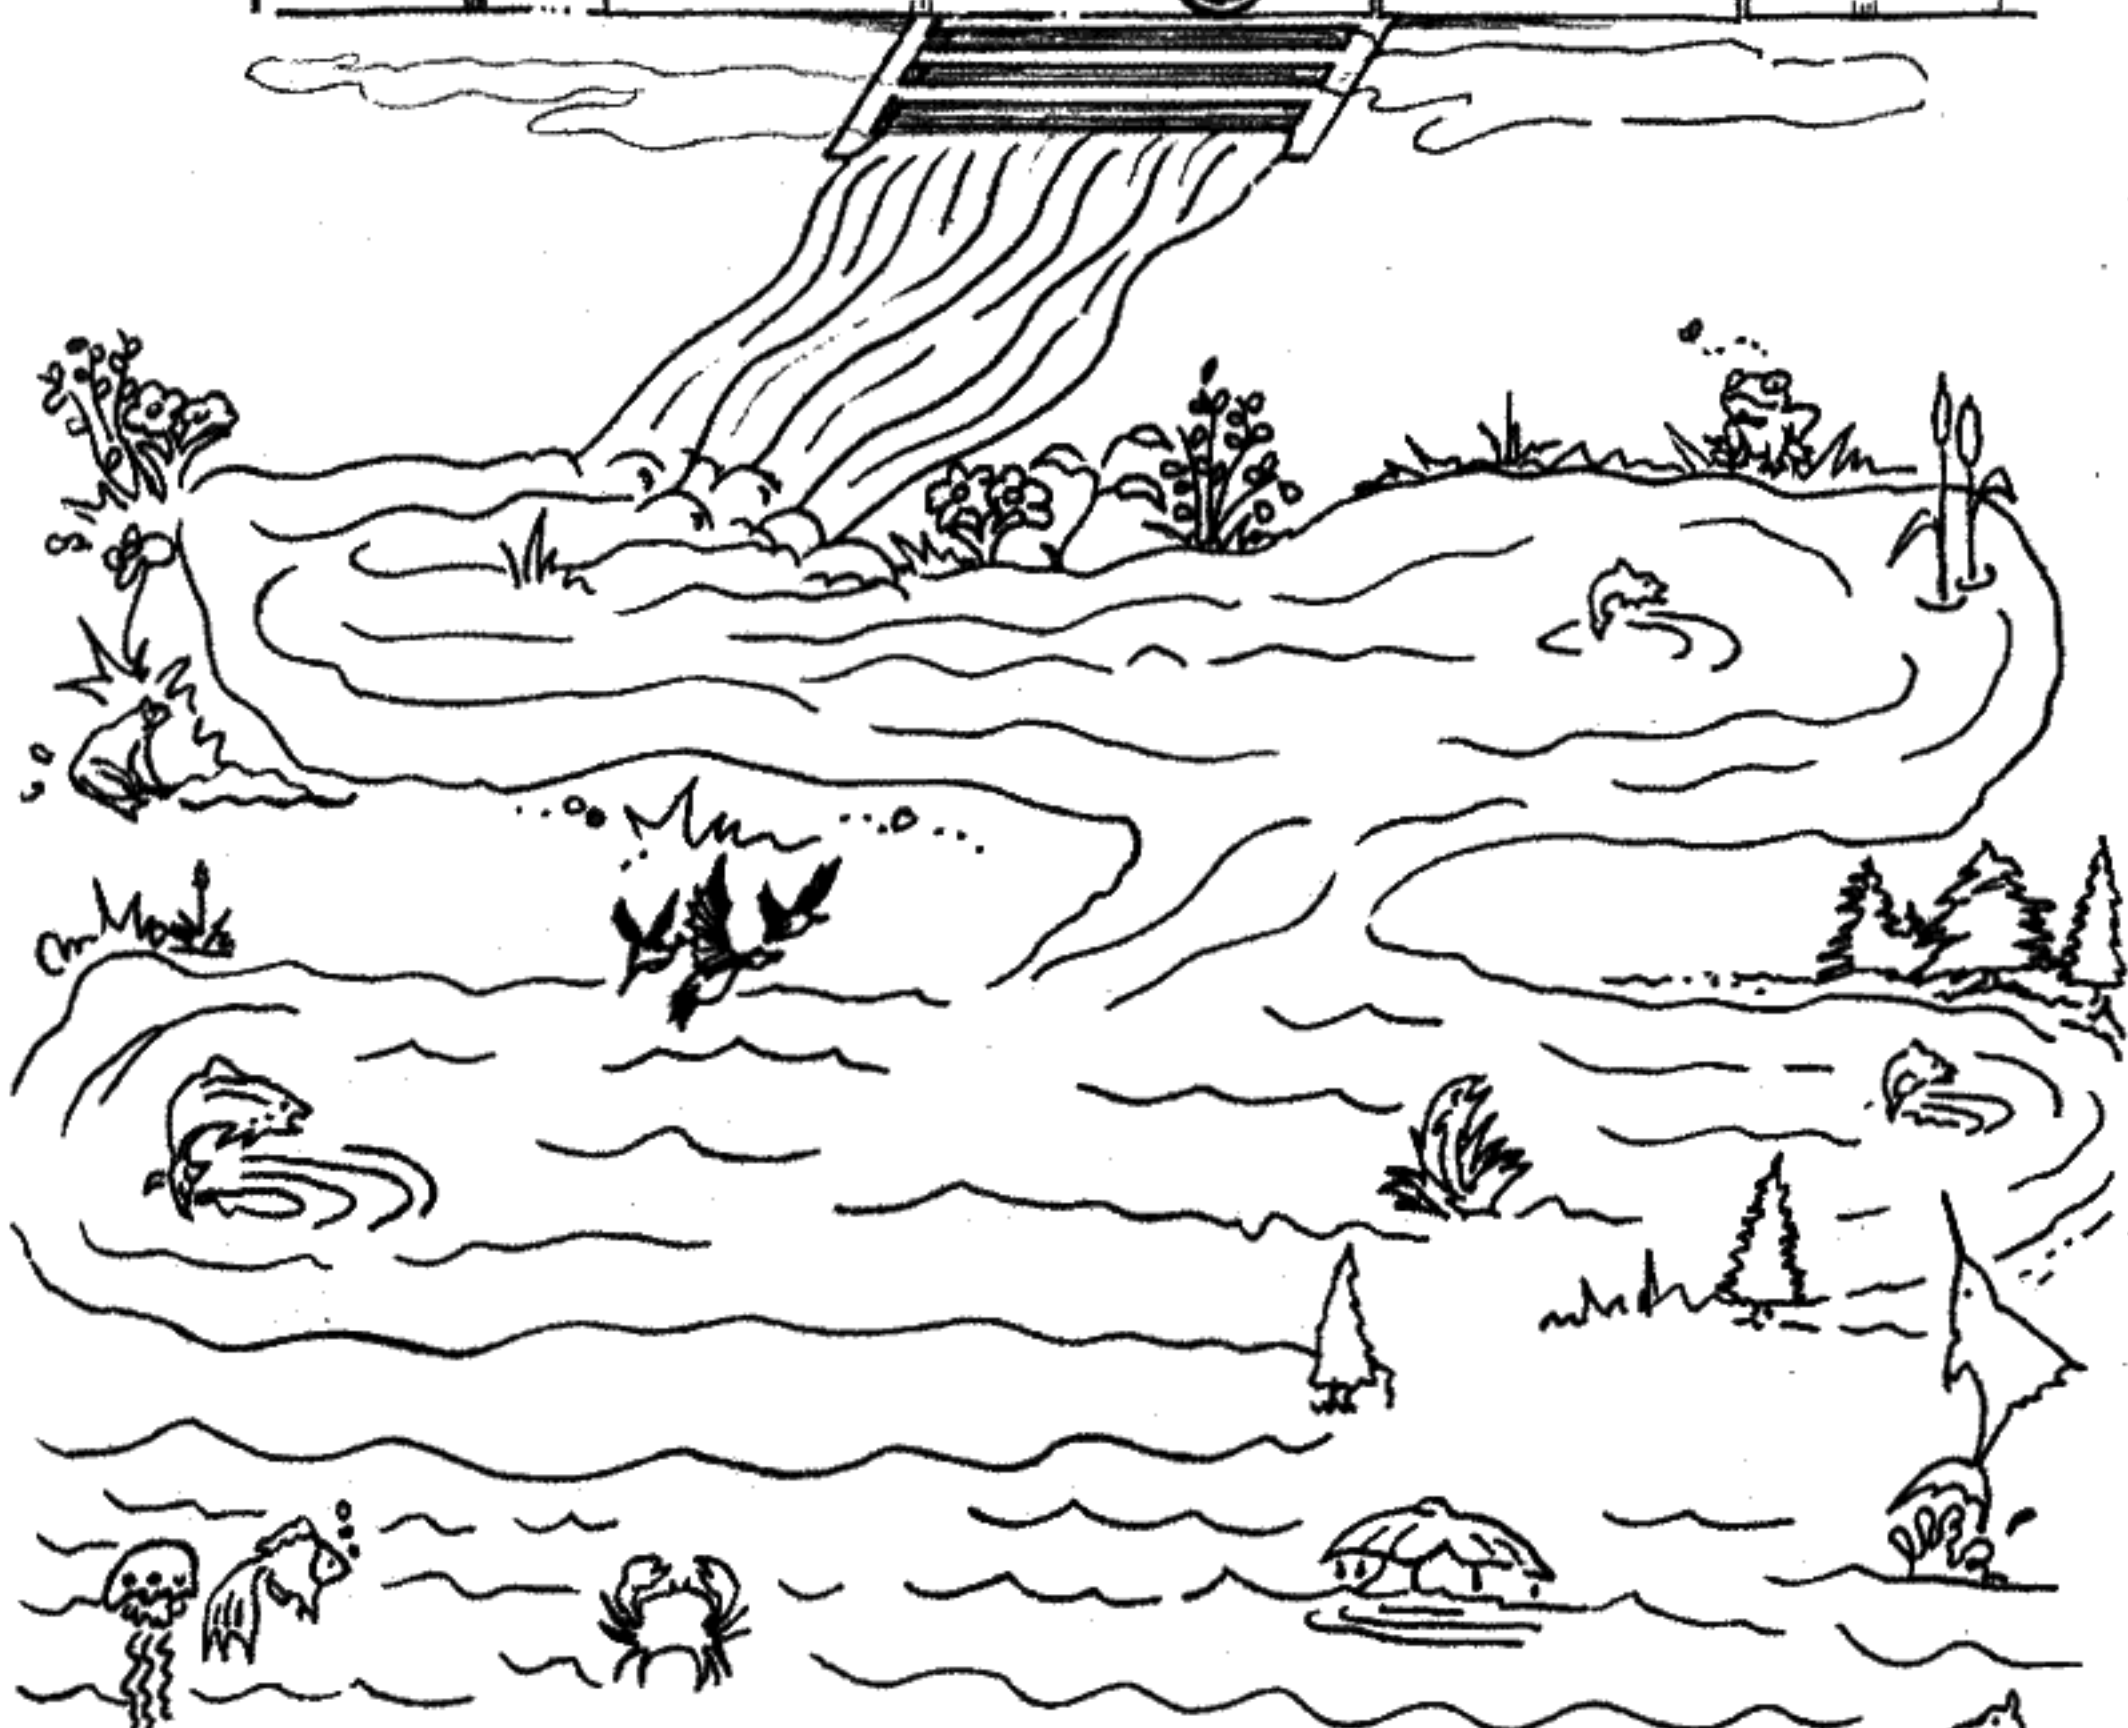

Help her find the way
to the trash can!

Waterways

Stormwater drain

No Dumping  Drains to Waterway

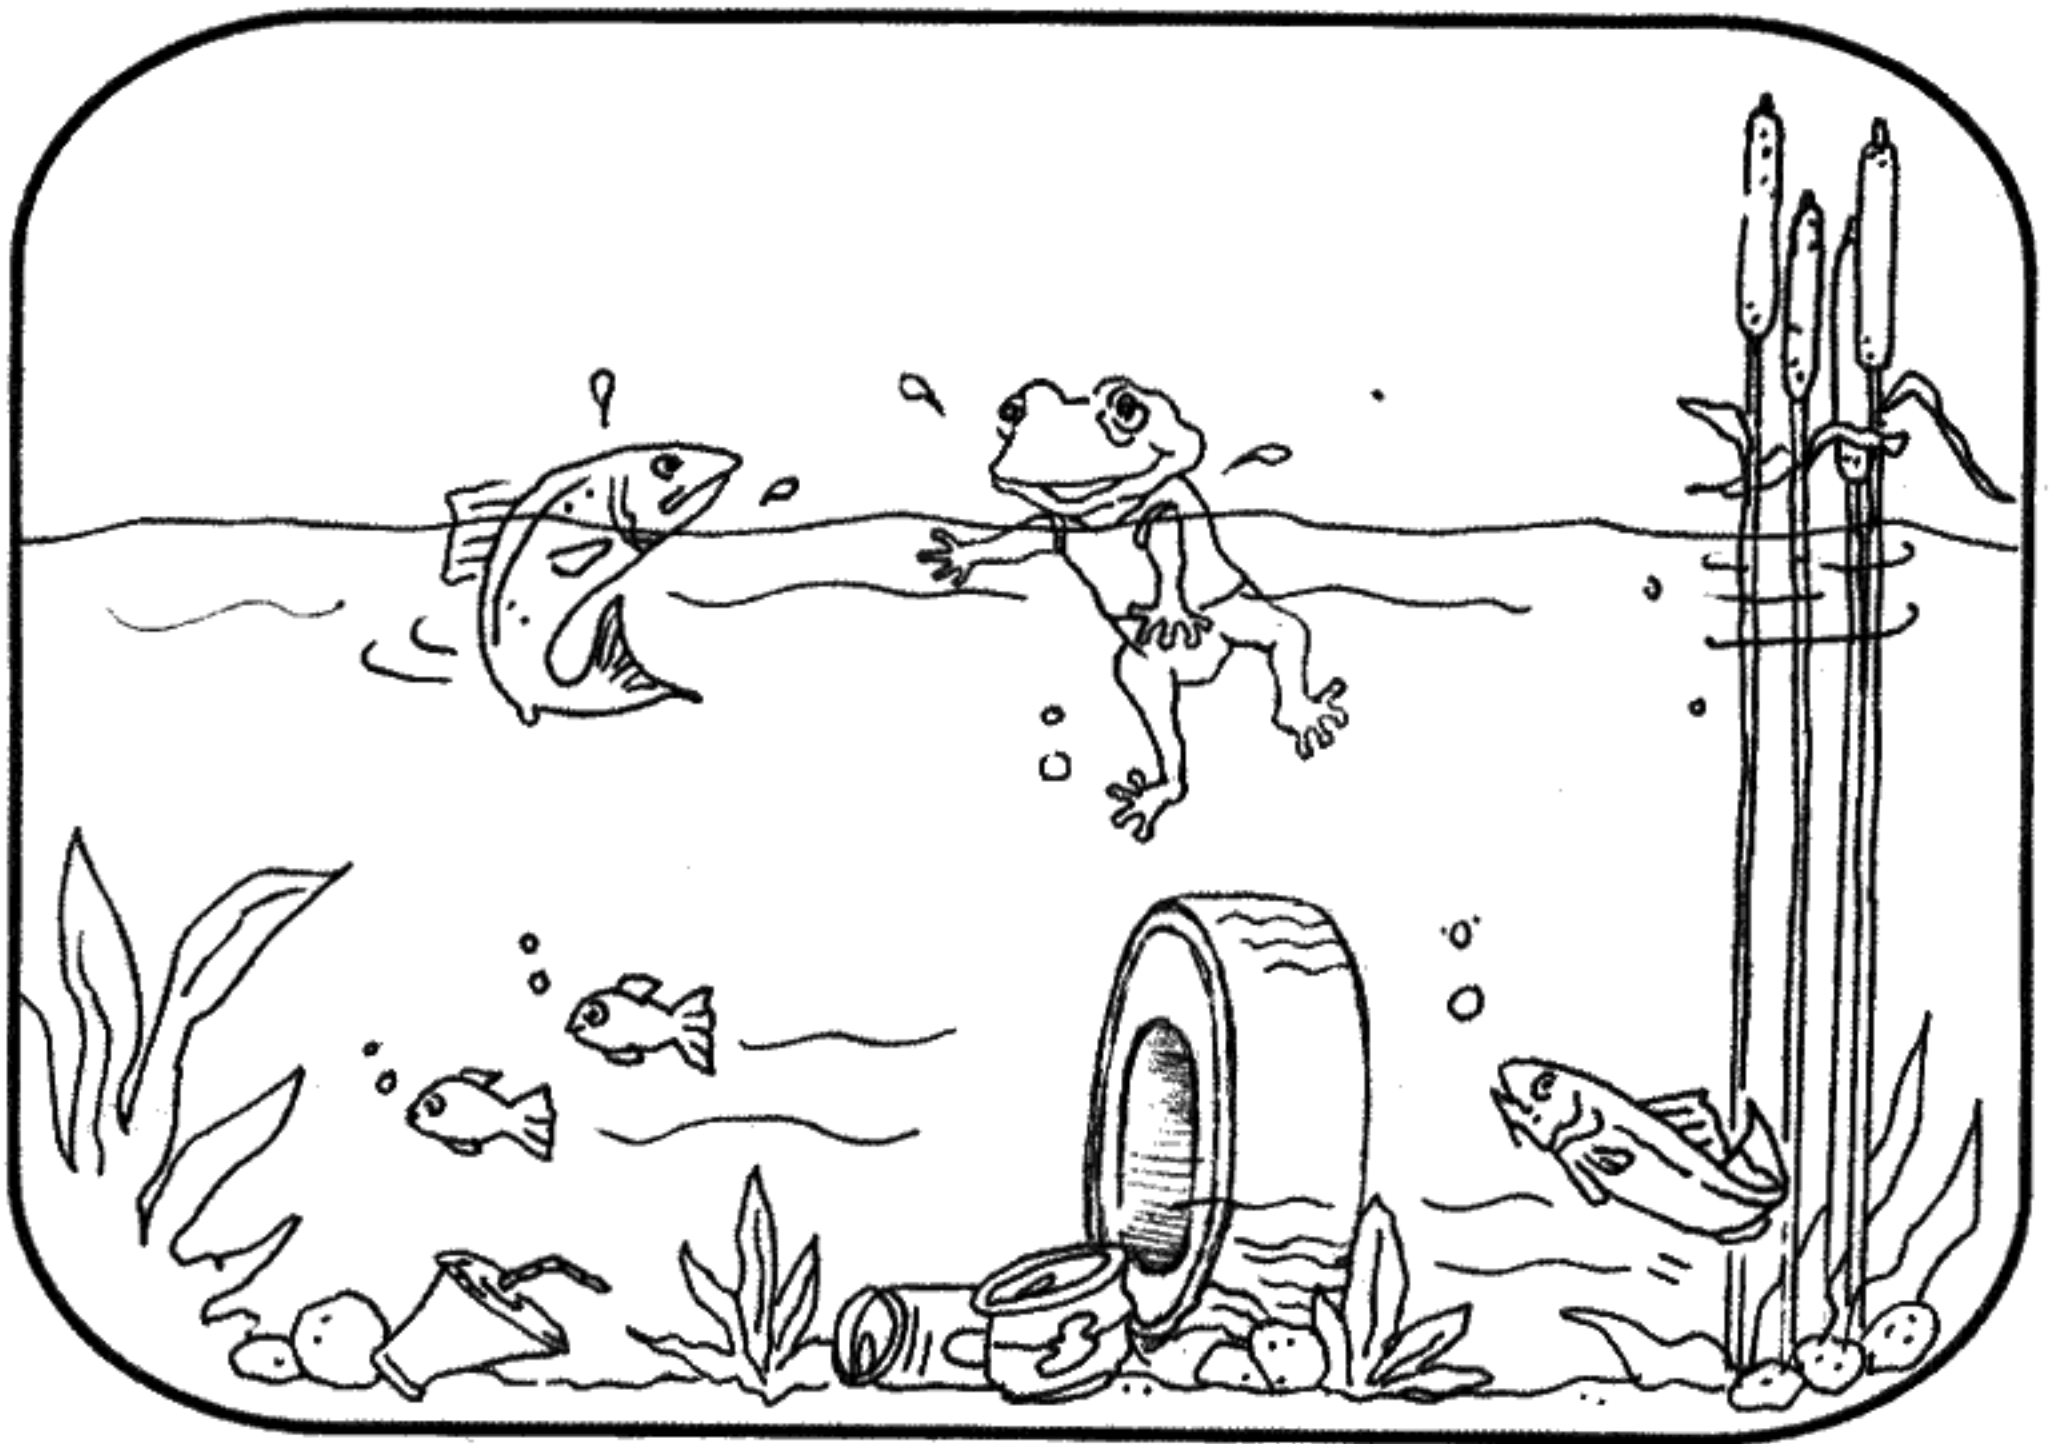

Waterways are home to a lot of living things including fish, birds, plants and frogs.

Fish, frogs
and plants
live in creeks,
lakes and rivers.
They don't want
trash in their
home!

What
a
mess!

Circle the items that belong in a river.
Put an "X" over the items
that don't belong.

Can you match the items that are recyclable, trash and compost?

Draw a line from the items on the right to the proper container.

Trash

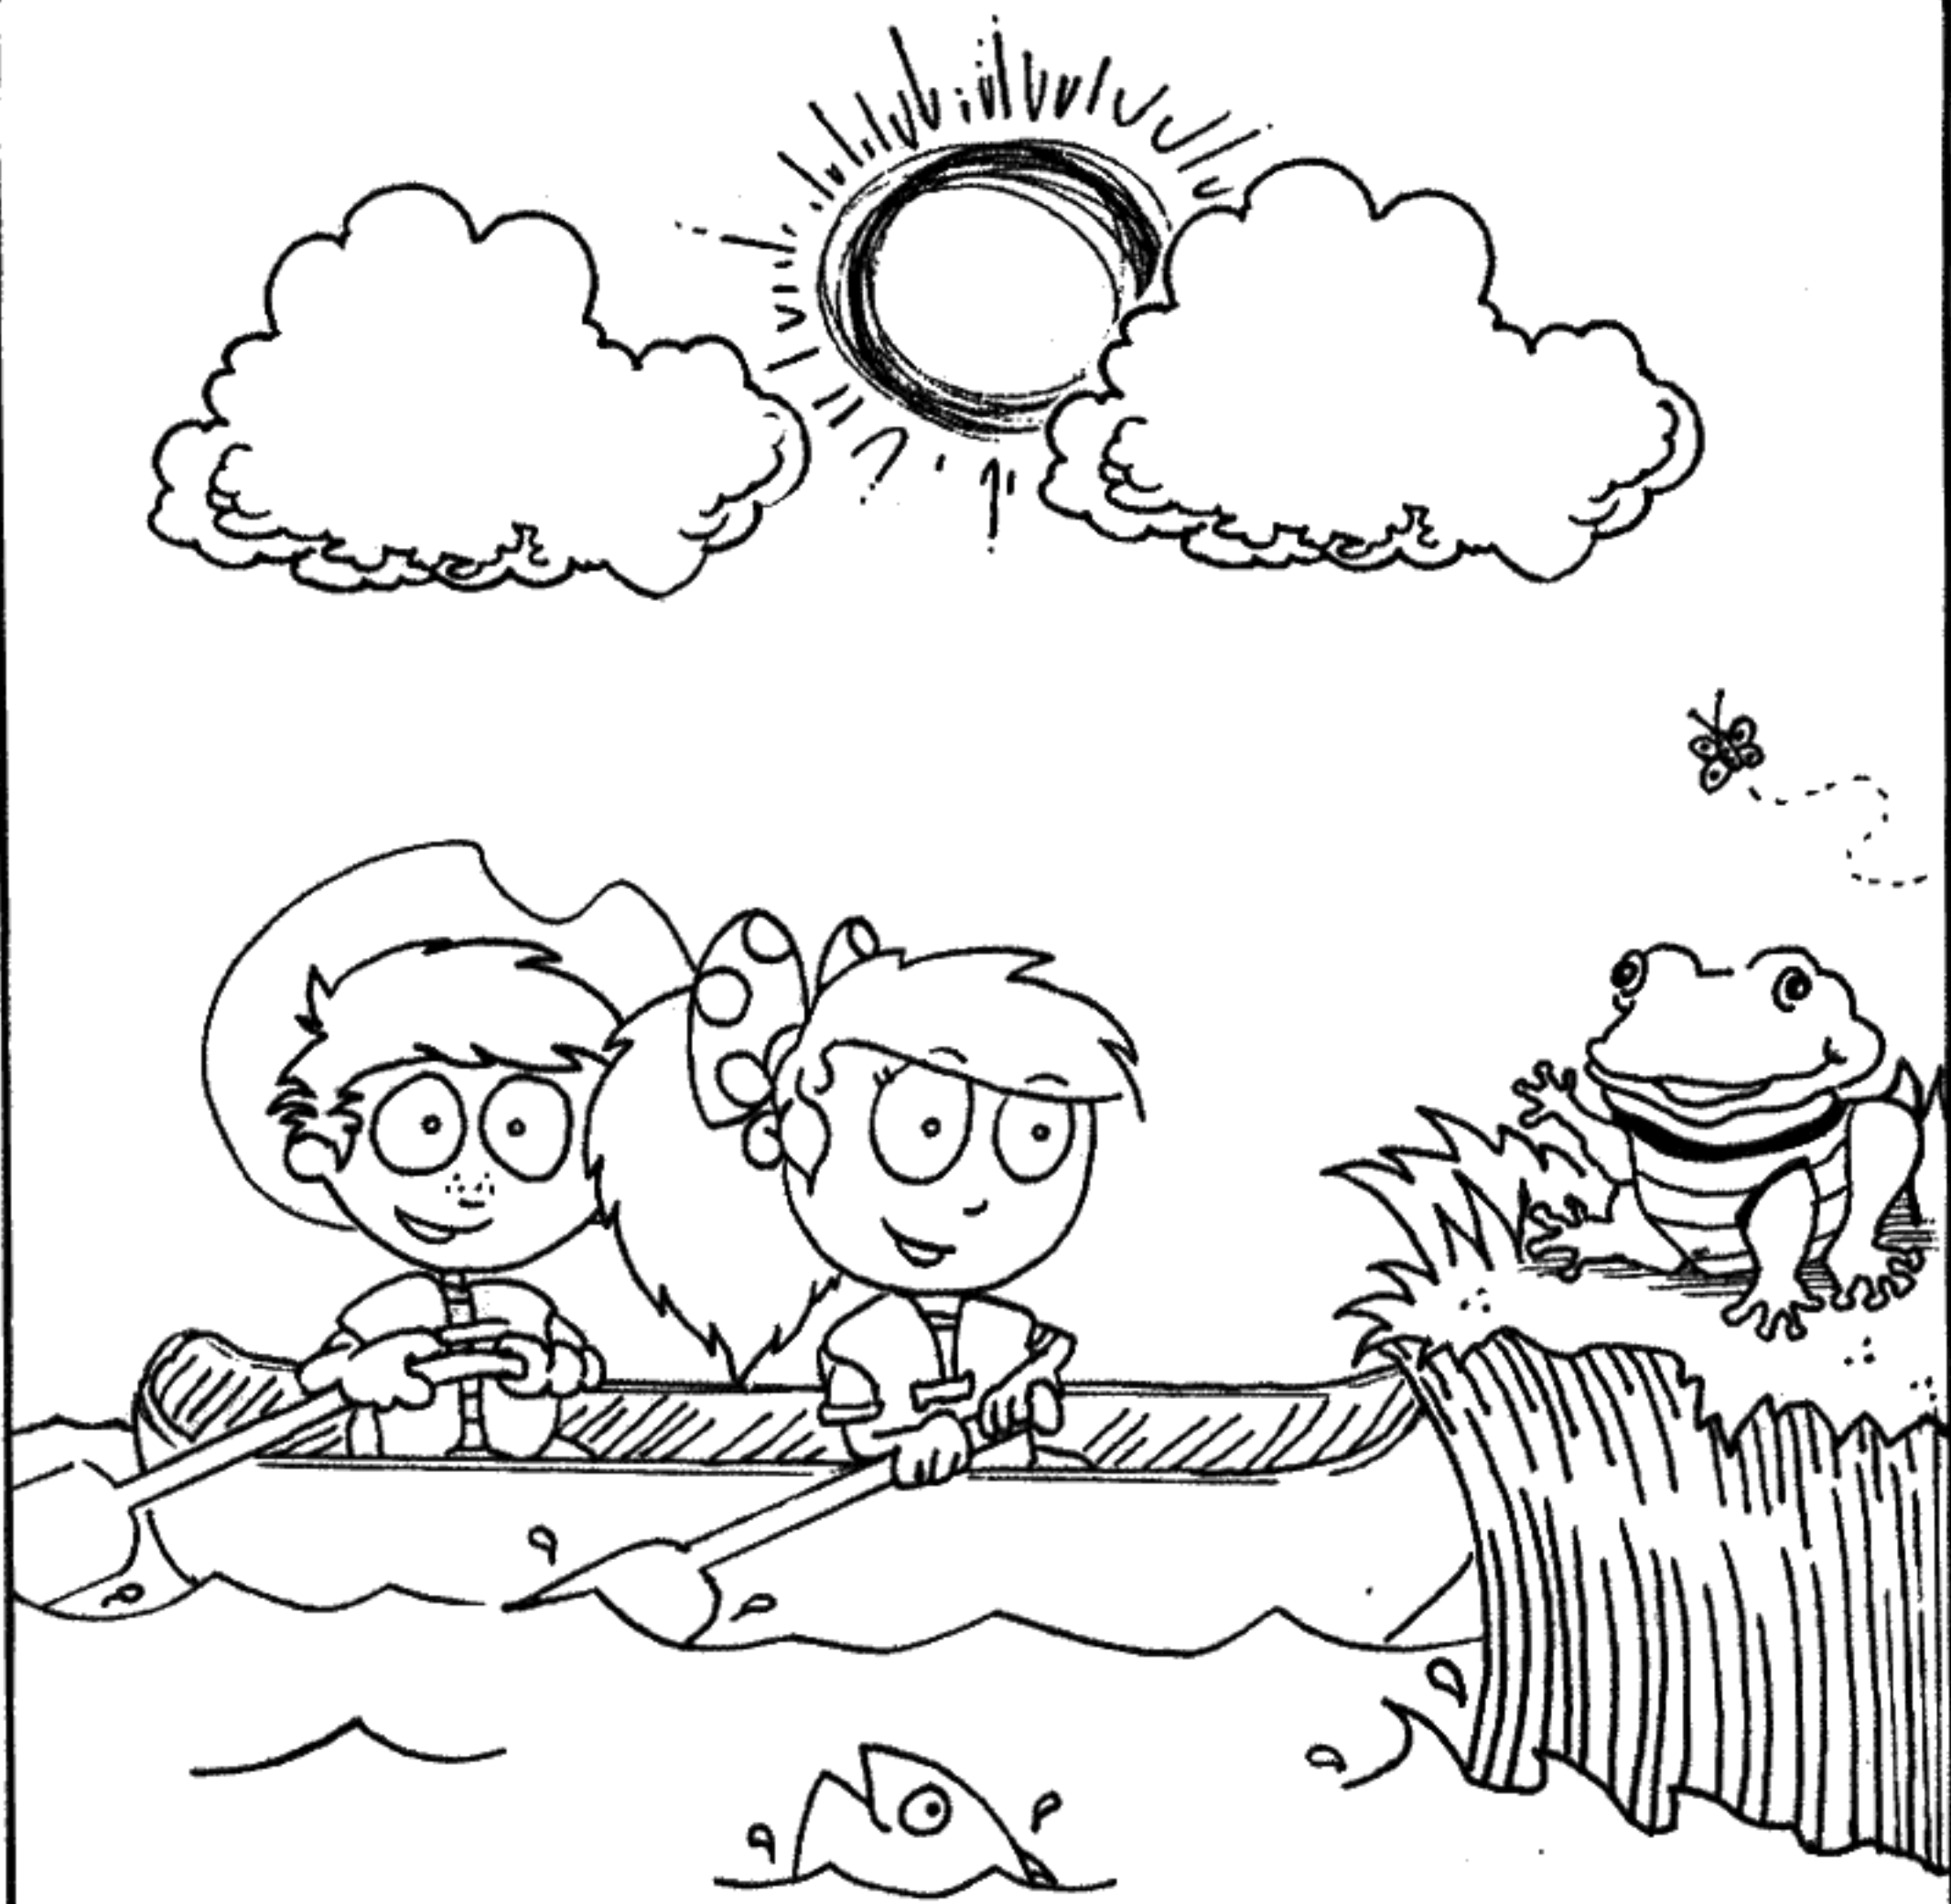

Recycle

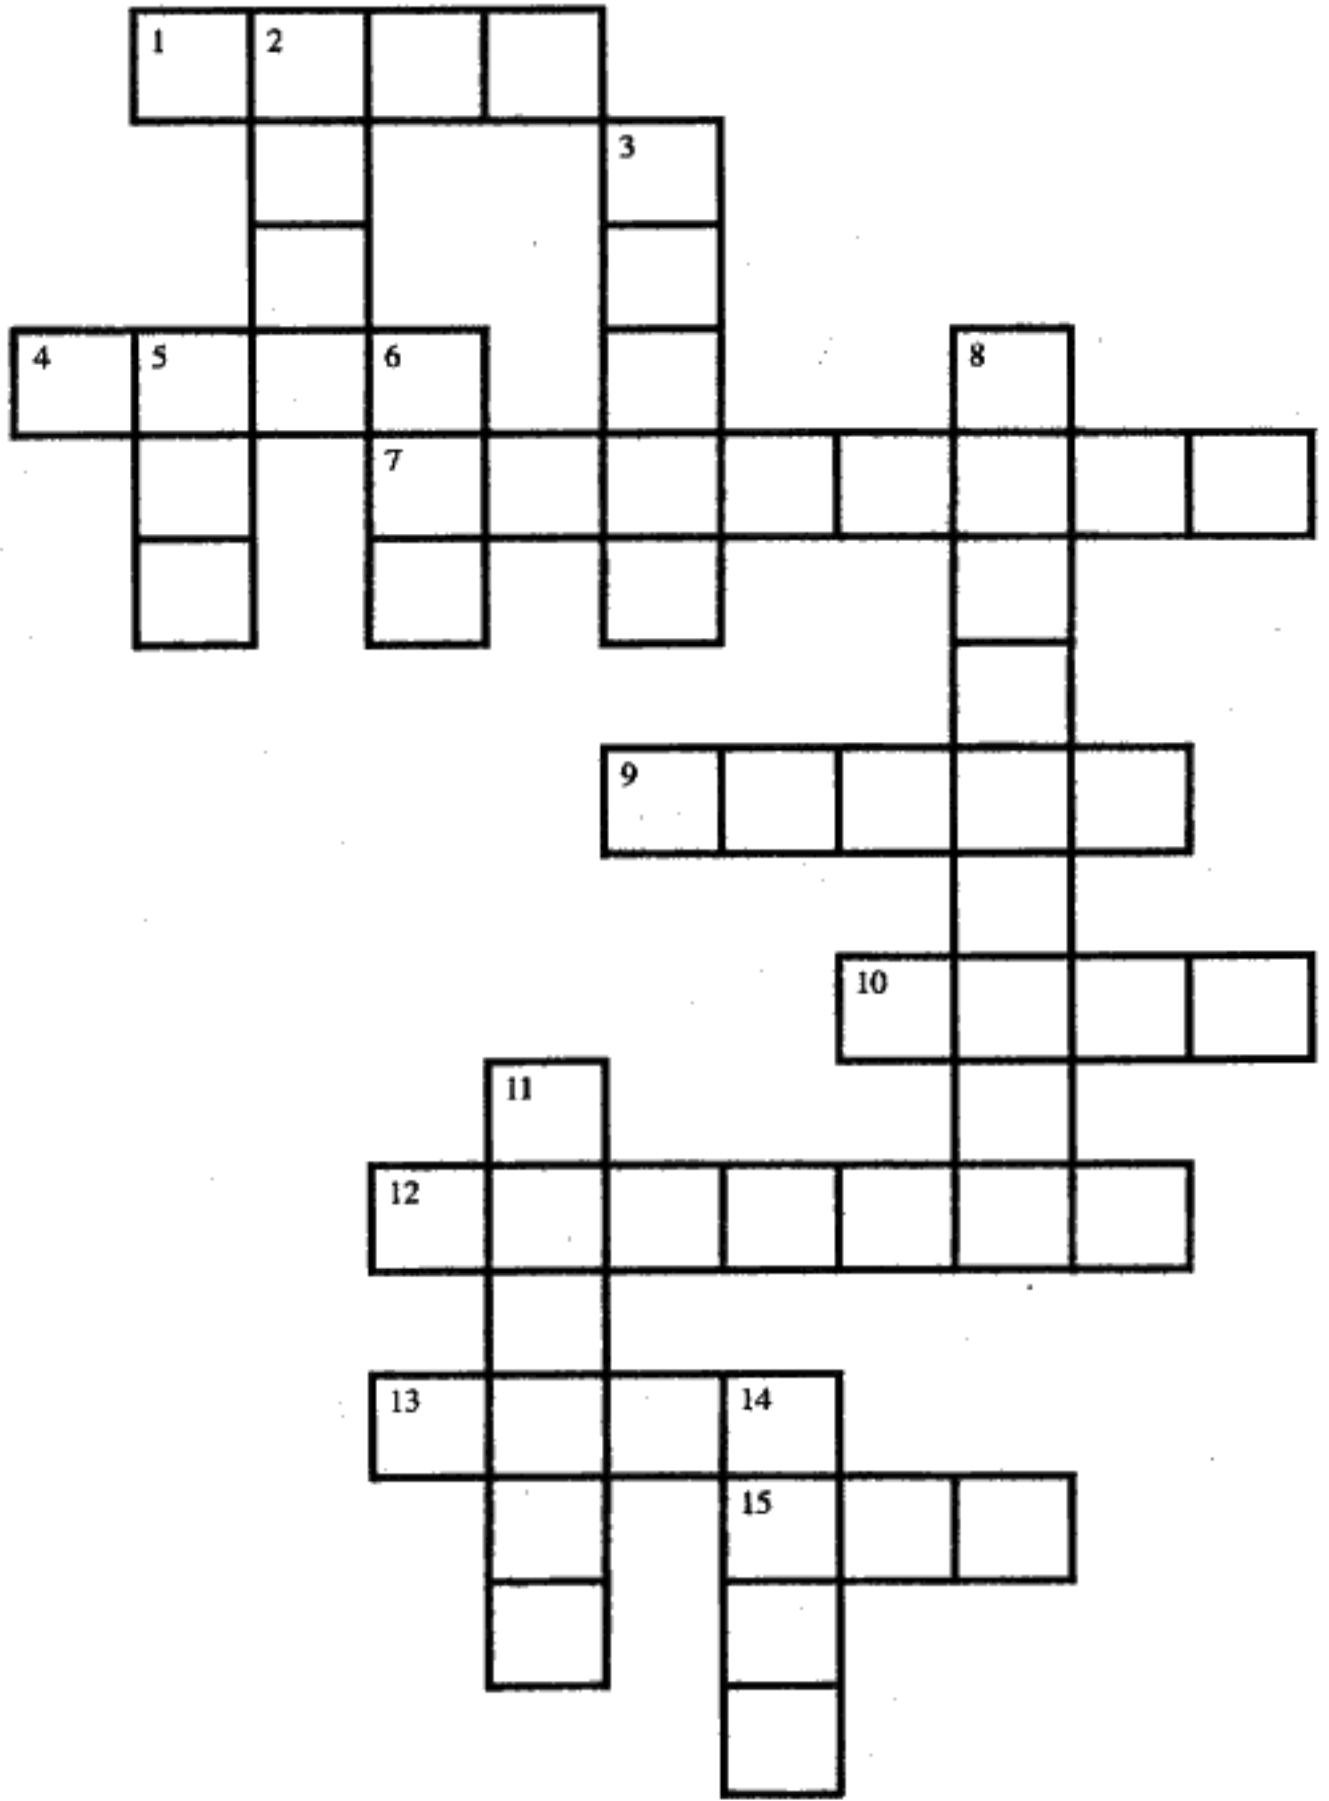

Compost
