

Mapped, edited, and published by the Geological Survey  
 Control by USGS and NOS/NOAA  
 Planimetry by photogrammetric methods from aerial photographs taken 1962. Topography by planetable surveys 1964  
 Polyconic projection. 1927 North American datum  
 10,000 foot grid based on Texas coordinate system, south central zone  
 1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue  
 Fine red dashed lines indicate selected fence lines  
 To place on the predicted North American Datum 1983  
 move the projection lines 22 meters south and  
 25 meters east as shown by dashed corner ticks  
 Revisions shown in purple and woodland compiled by the Geological Survey from aerial photographs taken 1979 and other source data  
 This information not field checked. Map edited 1981
