

Maped, edited, and published by the Geological Survey
Control by USGS and USC&GS

Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1958. Field check 1960

Polyconic projection. 1927 North American Datum
10,000-foot grid based on Texas coordinate system,
central zone
1000-meter Universal Transverse Mercator grid ticks,
zone 14, shown in blue

To place on the predicted North American Datum 1983,
move the projection lines 12 meters south and
33 meters east as shown by dashed corner ticks

Areas covered by dashed light-blue pattern are subject
to controlled inundation

Revisions shown in purple compiled from aerial photographs
taken 1983 and other sources.
This information not field checked. Map edited 1987
