

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1962. Field checked 1964.

Polyconic projection. 1927 North American Datum. 10,000-foot grid based on Texas coordinate system, south central zone. 1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue.

Fine red dashed lines indicate selected fence lines.

To place on the predicted North American Datum 1983, move the projection lines 25 meters south and 28 meters east as shown by dashed corner ticks.

Revisions shown in purple and woodland compiled from aerial photographs taken 1983 and other source data. This information not field checked. Map edited 1984.
