

Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1958. Field checked 1961

Polygonic projection: 1927 North American Datum
10,000-foot based on Texas coordinate system,
central zone

1000-meter Universal Transverse Mercator grid ticks,
zone 15, shown in blue

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

Revisions shown in purple compiled from aerial photographs taken 1972. This information not field checked

Areas covered by dashed light purple pattern are subject to controlled inundation

To place on the predicted North American Datum 1983 move the projection lines 17 meters south and 22 meters east as shown by dashed corner ticks
There may be private inholdings within the boundaries of the National or State reservations shown on this map
