OVER 32 MILLION WINNERS

IN OCTOBER/NOVEMBER 2011

# WINNER SPOTLIGHT!

When he saw the *Powerball*® jackpot surpass \$100 million for the October 15, 2011 drawing, long-time Texas Lottery player **Graden Bass** of **Spur** decided to buy a ticket.

“I bought one of the first tickets available in Dickens County,” said Bass. “I’ve been playing the Texas Lottery since it started, not every day but pretty regular. Then I got to playing *Powerball* some. I saw the jackpot was over \$100 million, and I thought I’d better buy a ticket.”

Bass purchased a Quick Pick ticket at the Allsup’s #82 located at 322 W. Hill St. in Spur.

“I went to church on Sunday. Then after church I went and got the printout of all the games. I took it home and sat looking at the *Powerball* ticket,” explained Bass.

The ticket ended up matching all five numbers (5-10-24-38-43) but not the Powerball (1), making it worth \$200,000.

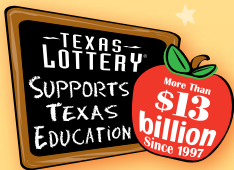

According to Bass, the key to winning is playing, or as he put it, “If you are going to dance, you have to get on the floor.”
