The State of Texas } Personally appeared in open Court James M. Patterson Executor of the East Hill and Estaiment of America Elkins deed, and made oath
County of Dallas } that the above and foregoing, is a correct exhibit of the true condition of said Decedent's estate, so far as the same has come to his
sight or knowledge. That he has fully paid off and discharged, all the liabilities of said estate, so far as known to him, that there remains, in his
hands, and by the terms & provisions of said Will, subject to division between H. H. Bowles, and Mrs. Hannah F. Davis (the only two heirs) the following property:
To-wit: - 440 acs of Land, - 50 acs of Land - Negro man Jordan - Negro woman Angeline - Negro girl Emily do - Negro boy Pete - 15.00 Blacksmith tools - and
Notes due Estate for Negro hire, farm rent &c. for past & present year, to the probable amount of 200.00 - All of which property is here tendered to the Court, subject
to its order and direction. The above op shows the advancements made to each of the heirs - He further represents that "Jordan" was not hired out all of the years 1856 &
1857, and in also in 1860, which accounts for the amounts being less than other years - That the rent for the farm for 1856, had been sold for 25.00 - prior to his taking charge
of it - Having fully administered said Estate he prays the above be taken as his final exhibit - for notices &c. and he be discharged from further responsibility
as such Executor of said - and said estate finally closed up - All the property was sold except as above shown, & some cattle stayed away, and never recovered
