 does most respectfully Represent that there
 was an Order to sell the Real estate belonging
 to said Decedent's estate, lying in Gonzales County in
 the State of Texas, on the first Sunday in June

Attention: Presiding Clerk.

Dear Sir:

We find on record in this county a deed from Pleasant Taylor, administrator of the Estate of George Walworth, deceased, to G. H. G. May conveying by its terms tracts of 2000 and 303 acres of land out of the A. M. Grenage Surveys in this county.

The deed recites the death of George H. Walworth on September 2, 1853, an application for administration filed September 8th, 1853, an order appointing the administrator on September 26th, 1853, an application for order of sale filed by Alvin M. Grenage for sale of such land on December 14th, 1854, but unfortunately we are unable to furnish you with a file number in such case.

In connection with a title examination on the above tracts, we have been required to furnish certified copies of the proceedings supporting the administrator's deed and in order to do so we will need the following certified copies from such estate.

1. The order appointing the administrator of the Walworth estate.
2. The oath and bond of the administrator.
3. The order approving oath and bond.
4. The order of sale of the above mentioned property.
5. The report of sale filed by the administrator.
6. The order approving the sale to May.

If you have the above records we would appreciate it if you would promptly furnish us with the above certified copies. We will, of course, promptly remit to cover your bill for such copies.

Yours truly,

July 24th 53 - and debts & liabilities at 60 days and
by this transfer to petitioner which were ac-
cepted by the Court as claims against said es-
tate. Jan 9th 54

That at the time of said decedent's death he had
in cash \$239⁰⁰ personal property - which was sold
on the 8th of May of 53 for \$2558⁰⁰ - on a Cr of

That letters of administration were granted to Taylor on
said estate in Sept 53 and petitioner is infor-
med and believes all the demands of every kind
