Your petitioner respectfully shows that it will be for the best interest of the estate to have said property disposed of in bulk, because to retail it out it would be necessary to replenish the stock from time to time, and great expense would be incurred in clerk hire, rent, etc., and the choicest articles would be disposed of first, leaving the most undesirable goods to be sold for practically nothing.

Premises considered, petitioner prays your Honor for an order to sell said goods in bulk at private sale for cash.
