In Probate Court Dallas ,Co.

To the Hon. K.Poree, Judge:

Now comes said guardian and represents to the Court that when said estate was turned over to him the store house on Main street occupied by Glover the jeweler was badly in need of certain repairs which were and are necessary to keep same occupied in this: the sidewalk in front thereof was out of repair and there was no water in the house and no water closet or privy; all of which are necessary, and the tenant has threatened to move out unless made. The total cost thereof will be about \$150 , and said guardian prays for authority to make said repairs out of the income of the estate, which is amply sufficient.

Revised

In Re Estate of Clarence Cockrell et al) In the County Court,
-----Minors-----) Dallas County, Texas.
Mrs G. Kanady, Guardian.)

To the Hon. Ed. S. Lauderdale, Judge of said Court:--

Now comes Mrs. G. ~~Kanady~~ ^{Kennedy}, Guardian of said Estate and respectfully reports to the Court that Clarence Cockrell, the minor of whose estate she is the Guardian, became 21 years old on the 18th day of October, 1901.

She heretofore reported to your Honor the death of the other minor, Sarah Louise Cockrell.

She says that the property which came into her hands as Guardian is all still in her possession except such real Estate as has been sold under orders of this Honorable Court.

She herewith presents her account showing the receipts and disbursements from January 1, 1901 to the 1st day of November 1901; she says said account shows that she has received from all sources during said time \$4064.41; that she has paid out \$3770.00, for all of which she herewith files vouchers; that upon said receipts and disbursements amounting in all to \$7843.41, she is entitled to 5% commission, amounting to \$392.17, this making the total disbursements \$4171.17 being \$106.76 more than the receipts from all sources, leaving the Estate indebted to the Guardian in the sum of \$106.76; that upon the last account rendered to the Court by the Guardian the said Estate was indebted to the Guardian in the sum of \$568.68, making the total indebtedness of the Estate to the Guardian on November 1st, 1901 to be \$675.44.

She says that the Estate is indebted on November 1st, 1901 to Mitch Gray on the Dorsey Building contract in the sum of \$1750.82 and for State and County Taxes in the sum of \$454.36, making

a total indebtedness, including the amount owing the Guardian of the Estate, in the sum of \$2880.62.

She further states to the Court that soon after her qualification as Guardian of that portion of the Estate derived through the Will of Mrs. S.H. Cockrell, Mitch Gray filed suit for a portion of the said Estate so derived through the Will of Mrs. S.H. Cockrell; that she employed Jno. W. George as Attorney to represent said Estate in defense of said suit; she says that he has never been paid for his services rendered in said matter; that said suit has long since been settled; she says that for the last three years said Jno. W. George has advised her in all matters connected with said Estate and has presented her reports to the Court, including this report; she asks the Court to make him an allowance of a reasonable fee for all of such services; she says that there are several small accounts owing said Estate by several persons, which she has so far been unable to collect, amounting in all to \$195.03; she asks that upon examination of said account by the Court and upon filing the receipt of said Clarence Cockrell for the Estate in her hands as Guardian she be finally discharged from said Guardianship and that she and her bondsmen be discharged from further liability on her bond as such Guardian.

All of above statements she solemnly swears to be true to the best of knowledge and belief.

In re F.M.Cockrell, Guardian of the estate of
Clarence and Sarah Louise Cockrell, miners: In Probate Court, Dallas Co.

March 1898.

To the Hon. K. P. Pree, Co. Judge of Dallas County:

Now comes Frank M. Cockrell, heretofore appointed as Guardian of that portion of the Estate of the miners Clarence Cockrell and Sarah Louise Cockrell ~~the~~ was derived by them through the will of their grandmother Mrs. Sarah H. Cockrell, and says that being unable to give the interests of his said wards his personal attention he desires to be relieved from his said trust and asks that he be permitted to turn over said estate to the regular guardian of said miners' person and estate, Mrs. G. Kanaday, and to that end he presents the following as an exhibit of what he has done with the property of said miners and as to the present condition of their said estate, to-wit:

1st: The inventory and appraisement of the property of said miners heretofore filed in this Court shows all the property that came into the hands of said guardian, and reference is here had to said inventory.

2nd: Under an order of this Court the Watt account for land sold was compromised and adjusted by said Guardian taking a deed for the land represented by said account in accordance with the order of the Court heretofore made herein authorizing such settlement, and said deed in the names of his said wards duly recorded in the deed records of Dallas County.

3rd: The Hillpet account for land sold as shown by the said inventory was also settled under order and authority of this Court heretofore given in the same manner by taking and recording a deed to his said wards for the land securing said debt, as shown by said order to which reference is here had.

4th: Under direction and authority of this Court said Guardian made a contract for certain improvements on the Elm Street building belonging to his said miners to cost ~~approximately~~ \$3250 to be paid for out of the rents of said building, under a lease contract made to the Jersey Printing Co. by authority of this Court, and reference is here had to the order of the Court authorizing the making of said improvements, and to the contract made with said Jersey Printing Co., as heretofore filed and approved by the Court.

5th: There have been no debts proved up against the estate of said miners and none due by said estate except 1-3 of the attorneys fees in the case of A. Millard vs. Mitch Gray admr of the estate of Mrs. S.H. Cockrell incurred on appeal to the District Court after the distribution of the property of said estate, \$16.66, said miners being responsible for said 1-3- and the other heirs for the remaining amount two-thirds; also said guardian prays for an allowance of \$50 for attorneys fees in the matter of his final discharge and report.

6th: Since he qualified as guardian said F.M. Cockrell has collected as rents and revenues of said estate up to March 1st 1898 the sum of \$1783.40; that for revenues since said date up to the date of the order finally discharging him as guardian he will account to said G. Kanaday as soon as she shall have assumed the control of said property under order of this Court.

7th: Said guardian has paid out an aggregate sum of \$1882.10 for the benefit of said wards during his guardianship, including \$250 due to John W. George allowed him as guardian ad litem of said wards in the matter of the distribution of the estate of Mrs. S.H. Cockrell, and the sum of ~~\$129.79~~ ^{\$129.34} due to said guardian personally in the distribution of said estate as shown by the decree of partition and distribution to which reference is here had.

8th: The commissions to said guardian on amounts received and paid out for the benefit of said wards, at 5 per cent (exclusive of amount due to himself as aforesaid), amount to \$161.79, for which amount he asks credit, leaving a balance of cash on hand of \$39.51 to March 1st 1898.

9th: Said guardian attaches hereto as Exhibit A an itemized statement and exhibit of the items collected and paid out and asks that said Exhibit be taken and considered as a part of this report. He also files herewith vouchers Nos. 1 to 47 inclusive for the items of expenditure set opposite said vouchers in said exhibit A, which vouchers he asks to be taken as part of this report. That there are a few items for which he has either not yet taken vouchers or for which the vouchers have been mislaid, but for such items said guardian will either hereafter file vouchers or make proof of the expenditures.

10th: There are some Court costs yet remaining unpaid the amount of which said guardian cannot now state, but the revenues which he has received or will receive after March 1st will be sufficient as he believes to more than cover all such items.

11th: ~~The~~ the property of said estate inventoried is still on hand and in as good condition as when he received same except such changes as he has above specified.

12th: All the facts necessary to show the present condition of said estate are hereinabove set forth, and said guardian asks that this report be received and approved and that the Court accept his resignation as guardian and that he be ordered to turn all said property over to the regular guardian of the person and estate of said minors, Mrs. G. Kenaday, and that he the said Frank M. Cockrell and the sureties on his bond be fully discharged by order of this Court from all liability by him or them incurred by reason of his assumption of said

In the Matter of the Estate of
Clarence and Sarah Louise Cockrell,
Minors;

In the County Court of Dal-
las County, Texas; in Pro-
bate.

Mrs. G. Kennedy,
Guardian.

To the Honorable Ed. S. Lauderdale, Judge of said Court:

Now comes Mrs. G.

Kennedy, and presents to the Court her account showing the condition of said estate from the time of the filing of the last report up to January the 1st, 1901. She says that on the 9th day of December, 1900, Sarah Louise Cockrell, one of the above named minors, departed this life, and she presents this account for the purpose of showing as nearly as she can the condition of said estate at the time of the death of the said Sarah Louise. She says that in addition to the account of receipts and disbursements hereto attached, that she gives the following data relative to the condition of said estate: All of the real estate which was inventoried when she was qualified as guardian of said estate is still in her hands except such as has been sold under orders of this Court. She says that there is yet due from said estate on January 1st, 1901, to Mitch Gray \$2,747.56 for the balance of rents of the Dorsey building in the city of Dallas which went to pay off the monies advanced by the Dorsey Printing Company to construct said building, the whole of the rents, including the part going to Mitch Gray having been applied to the payment of the amount advanced by said Dorsey Printing Company. There is owing to the First National Bank of Denton \$750.00 borrowed to pay taxes on property belonging to said estate for 1897, the estate not having the money on hand to pay said taxes. There is also owing to the said First National Bank of Denton \$445.00 borrowed from said bank to pay the taxes owing by said estate for the year 1900. There are in the hands of the said guardian two notes for \$349.90 each given by F. E. Way in part payment for land sold to him by the guardian under orders of this Court in April, 1900. The guardian further states that since the 1st day of January, 1901, although the Court had heretofore allowed her \$100.00 per month for the support and maintenance of the said wards, she has only appropriated for said purpose the sum of \$60.⁰⁰/₁₀₀ per month and, with

(2)

the permission of this honorable Court, she will continue to appropriate the last named amount monthly for the support and maintenance of said Clarence Cockrell, the surviving one of said minors. Wherefore, she prays that this account be received by the Court and approved. This guardian further says upon her oath that the said account showing receipts and disbursements as above stated and the other matters and things above mentioned are a full, true and correct account of the condition of the said estate on January 1st, 1901.

Mrs G. Kanady,
Guardian.

Sworn to and subscribed before me, this 19th day of April, 1901.

To the Honorable Judge of said Court.

The petition and application of F.M. Cockrell, a citizen of Dallas county, Texas, and would respectfully represent that the minors, Clarence and Sarah Louise Cockrell, *citizens of Dallas County Texas* own an estate consisting of real property located in Dallas county, Texas, of the probable value of seventy five thousand dollars; that said parties are under the age of twenty one years and have no guardian to represent them, and that there is a necessity for guardianship to issue upon their estate.

This applicant further shows that the estate of said minors is chargeable with debts of the probable amount of about *Two Thousand* dollars, the same being for liens upon their property and for taxes and other matters chargeable against said property.

This applicant further shows that said minors have no guardian and that there is a necessity for guardianship upon their estate, and that their mother, Mrs. Gullellimina Kanady, formerly Cockrell, has signed a waiver of her right to the guardianship of said estate and has requested that guardianship issue to petitioner.

This applicant shows that the father of said minor children, Robt. B. Cockrell, long since departed this life, and that petitioner is the brother of said Robt. B. Cockrell, deceased, and the uncle of said minors.

Wherefore, petitioner prays that citation issue in accordance with law, and that after service of the same that he may be appointed guardian of the estate of said minors, and for all other necessary and proper orders in the premises.

Bockhout & Culberson,
 Attorneys for applicant.

F. M. Coakley, Guardian of the County Court sales
Estate of Lizzie Coakley / County Judge 1898

To the Hon. C. F. Tom, Co. Judge:

Used come from Mr. Guardian & represent to
the Court that in the distribution of the Estate of Mrs.
O. N. Coakley his said words had set aside to them a
note for \$140 signed by W. P. Watt & secured by a deed of
trust on land, for which said note was a vendor's lien,
that said note after the purchase of said land sold
same to H. S. Simpson subject to said deed of trust
& note & also another note also a lien & on an equal footing,
for \$200, which was in said division set aside to said
F. M. Coakley; that said \$140 note was due Nov. 12/97 &
said \$200 note Feb. 20/97 & neither has been paid; that
said Watt is wholly insolvent and said Simpson did
not assume the payment of either of said notes, & as
that outside of the land there is no security whatever
for the payment of said notes. Said Simpson has
declared himself unable to pay said land out &
is willing to deed said words the proportionate part
thereof represented by the said note, which would
be $\frac{114}{129}$ thereof, & the other $\frac{27}{129}$ thereof to the holder
of said \$200 note, without any cost of foreclosure.
Said Guardian believes it would be to the best interests
of his said words to take a conveyance of said land in
cancellation of said notes & he prays that he be authorized
& directed to do so.

Coakley & Muse
Attys for F. M. Coakley,
Guardian.

The said Guardian is authorized to take
conveyance in cancellation of said \$140 note as

ATTORNEY AT LAW

Estate of Clarence and Sarah Louise Cockrell, Minors,
Mrs. G. Kanady, Guardian.

In Probate
Court, Dallas
County, Texas.

Now comes Mrs. G. Kanady, Guardian as aforesaid, and respectfully represents to the court that the two above named minors, her wards, have arrived at an age when it is necessary to expend for their support and maintenance and education a greater amount of money than the allowance of \$75 per month, which the court has heretofore made to her for said purposes. She says that the income of their estate in her hands as guardian is not sufficient to warrant a greater allowance from the said estate.

She says that F. M. Cockrell is guardian of a large estate belonging to said minors from which there is a considerable income.

She prays that the Court direct said F. M. Cockrell, guardian of said estate to pay over to her the sum of \$25.00 per month to be used by her for the support, maintenance and education of said minors.

Respectfully submitted.

To the Hon. Judge of said Court:

Now comes Frank M. Cockrell
 Guardian for Clarence & Sarah Louise Cockrell and
 reports to the Court that during the administration of
 the Estate of Mrs. J. N. Cockrell a tract of land belonging
 to said Estate of Mrs. Cockrell was sold to E. H. Hillpot

 sum was actually paid and the due dividend said
 Estate of Mrs. J. N. Cockrell was duly distributed & per-
 tinent ^{convention} under order of this Court and the account
 given to said Clarence & Sarah Louise Cockrell
 in his ward, it being contemplated that same would
 be forthwith paid, but said Hillpot has thus
 failed to pay said sum, but is willing
 to quitclaim said land to said Clarence &
 Sarah Louise Cockrell as settlement for
 said account; that said E. Hillpot has
 no property & a judgment against him would
 be of no value, & said guardian thinks it
 will be to the best interests of said minors
 to procure from said Hillpot a quitclaim
 and to said land, & he prays that the
 Court enter an order directing him so
 to do.

Special Prices on Large Lots Given on Application.

The Buds and Grafts used by us are taken from bearing trees in our orchard. We have sold, during the past summer, two hundred bushels of plums of over fifty varieties, nearly as many varieties of peaches, and over twenty varieties of apples.

In ordering, if left to us to select varieties, be sure and state whether trees for Family or for Market orchard are wanted.

A few simple directions for handling and planting, may not be out of place.

Don't handle trees while a cold norther is blowing. Don't plant when the ground is saturated with water. Don't use water in planting, except to dip the roots in just before setting in the ground.

Have the ground well ploughed in the fall, or if in a small lot, fork up the soil for a space of three feet across and ten to twelve inches deep, and let lie until ready for planting.

Give a distance of from sixteen to twenty feet. Cut away over half the tops as soon as planted. Sixteen feet will require one hundred and sixty trees, while twenty feet will require one hundred and eight trees to the acre. Never let grass grow over the roots to draw the moisture.

If the trees are received when the ground is not in condition for planting, open the package and heal them out, nearly flat, cover the roots and half the trunks with earth and keep well watered until the soil is in the proper condition for working. In setting shake tree slightly to work the earth well among the roots and when the hole is nearly full tramp the soil thoroughly, then fill up and tramp lightly, leaning the tree to the south. Finish with mounding loose earth four or five inches high about the trunk.

If you follow these directions in planting trees obtained from us, we will cheerfully give you trees to replace all that fail to grow.

Address all orders to

facilities for cultivating large crops in the latest and most approved manner, and what is more, enjoy to the fullest extent the benefits thereof.

We make a specialty of carrying a large and well selected stock at all seasons of the year, hence if you need a Sulky, Gang or Disc Plow, we have it. Do you need a first-class Grain Drill to properly plant your crop of wheat and fall oats? *Yes* We have it. Yes! You will want a FIRST-CLASS WAGON, with metal covered hubs and the outer-bearing axle feature, as will enable you to convey your harvested crop to the market. We have it in the WINONA, RUSHFORD or MILBURN. Last, but not least, after a week of hard labor, what is most desired? Rest! the enjoyment of which is so materially increased and made a sweet interlude by the possession of one of our latest styles of Anchor or Lion Buggies, Surreys or Driving Wagons. We have them for the young, the middle-aged and the old. We can suit you in styles, prices and terms. Come and see us.

Enclosed we hand you illustrative circulars of just a few of the many goods and styles we have to offer. To call on us before supplying your wants on any goods of our line means that you will be conserving your own best interests.

Yours very truly,

DALLAS, TEXAS, 4/12 1900

Mr John W George
 Dear Sir

Your letter recd and in
 reply will say. I never had any
 agreement with you or Mr Hambady,
 as stated in your letter. But will say this
 that after the sale was made Mr Parks
 told me he was having a great deal of
 trouble with closing it, and that he
 would be compelled to put up about
 \$40.00 more than agreed on, and I
 told him I would stand part or all
 of it whether I have a contract
 I was connected with be isolated,
 and I supposed I was to pay to
 Mr Parks the \$20.00 and not to any
 one else. It is all the same to me
 and do not care who gets the raise
 off.

Yours truly
 H J Martyn
