The State of Texas -  
 County of Dallas -

I, G. W. Hatter, Guardian of the estates of Cole Moffett and Willie Moffett, minors, do solemnly swear that the foregoing is a true and correct exhibit of the present condition of said minors estates, so far as the same has come to his knowledge.

*G. W. Hatter*  
 .....

Sworn to and subscribed before me this.....day of March, 1890.

Said Guardian represents that the personal property on hand consists of the household furniture belonging to the parents of his wards and that he has not been able to get an offer for the same, and has consequently kept them. That of the claims which came to his hands and set out in the list of claims attached to this inventory; that this guardian collected on the note of Horace Beckley the sum of Fifty Dollars, and the 3rd note mentioned in the list of claims and called the Church note Also on the note on W. R. Moffett & Sons, the note on R. E. Traylor, the note on J. H. Bacon. That this guardian has been unable to collect the residue of said claims; that the several notes on E. Beckley, this guardian was not able to collect; that all the property owned by said E. Beckley was covered with

mortgages, so that this guardian has no reasonable prospect of collecting the same by suit; that said Beckley renewed the following notes, to wit: Note dated May, 1st, 1889 for \$176.26, due at six months with interest thereon at 12 per cent per annum. Note dated, Aug., 3rd, 1889, for \$1014 payable at six months with interest at 12 per cent. Note dated Aug., 10th, 1889, in the sum of \$1452 payable at six months; said notes being in renewal of the principal and interest on the notes, which came into this guardian's hands. That your petitioner holds the note on Sam Uhl, and the said Uhl is solvent. That there came into this Guardian's hands the notes on J.H. Peacock and L.B. Howell and A. Dean, both of which were the property of W.R. Moffett, at the time of his death, and that your petitioner is informed that his wards own one half and 2-8th of the other half of said notes, and that the other six heirs of W. R. Moffett own the residue; that the makers of said notes have respectively endorsed on said notes their acknowledgement of the justice of said notes, and their promises respectively to pay the same. That this guardian was not authorized to sue; that the makers are solvent. That the residue of the notes set out in said list of claims are and were wholly worthless at the time they came into this guardian's hands; that this guardian is ready to turn over all funds and property in his hands. Wherefore he prays that his final account be approved, and that he be discharged from all further liability and he will ever pray etc.

*S. W. Howell*

Estate of Colo Moffitt } Except to find  
G. W. Hatten } account of  
Guardian

Now comes Colo R. Moffitt and files exceptions to the final settlement of his guardian Geo. W. Hatten filed herein on the 22<sup>nd</sup> day of October 1893.

First - He excepts to said settlement, because his said guardian fails to charge himself with one pair mules - charged in inventory as of the value of \$115. which should have been sold by the guardian - but which were kept and used by the guardian for his own benefit for about three years, when said mules could and should have been sold and would have brought their appraised value - to one half of their value \$225<sup>00</sup>, which was offered them this year Colo Moffitt is entitled to or \$112.50

2<sup>nd</sup>. He excepts to the allowance of \$70<sup>00</sup> for one dead horse, he says that said horse is mentioned in inventory - and could and should have been sold, and would have brought the price at which he was appraised but the said guardian - used said horse for his own benefit for a period of about seven years - and has charged himself with nothing for the use thereof - to one half of the value of said horse. This exception says he is entitled to & the guardian should be charged therewith 35.00

He excepts to said report because he fails to charge himself with the following

items of personal property mentioned in said  
inventory - One small Penny which was the property  
of Edw. Moffat - which has been sold of  
the value of \$30. One Brass + 2 Brass Stubs  
\$2.00 - appropriated by said Guardian - 1 Packed  
Lamp - \$8.00 appropriated by said Guardian -  
6 Iron Chairs 5 Common Chairs 1 Marble top Chair  
1 Parlor Looking Glass - 1 Coal box Shovel & Tongs  
& Pick 4 Wall pictures - 2 Corn Oil Lamps  
1 Parlor Carpet - 4 Window Curtains - 1 Hat  
Rack - Marble top Bureau - 1 Walnut bedstead  
5 feather beds - two or three appropriated by  
said Guardian - 3 Thick Mattresses 9 Pillows  
two bolsters - 1 Club Rocking Chair - 2 Parlor

3 Corn Lamps - 3 Bedsteads - 11 Bed Suits  
2 iron wroten Bedsteads - 1 1/2 Hair Mattress  
Blankets - 2 Heating Stoves - 1 Coal Stove 2  
Wash Stands - 2 Wall Iron Potatoes - 1 Corn  
Cupboard 1 Corn Bureau - 1 Walnut Bedstead - 2  
Bed Springs - 11 Window Shades - 1 Hat Rack 1  
Corn Rock Chair 26 Old Chairs - 8 Canvas  
Chairs - 1 Ex. Dining Table 2 Dining Room  
Safes - 2 sets Imitation China Ware - 4 Glass  
Lettles - 5 Glass preserved Glasses - 7 Glass Pic  
Niques 4 1/2 Pickles 4 Butter Dishes - 1 Wooden  
Wrench - 1 Cooking Stove + vessels valued at \$25.00  
1 Carter - Set of Silver Plates was mentioned  
in inventory - & valued thereat at \$32.50  
4 head Stock Cattle - 1 Wagon - 2 Buffs +  
Down - all of which property should have

been sold by said Guardian

4<sup>th</sup> He excepts to said final settlement because his said guardian fails to charge himself with the amount of a note on E. Beckley for \$1000 - dated 10<sup>th</sup> Nov. 1885 & due one day after date & one note on E. Beckley for \$500 - dated 10<sup>th</sup> Nov. 1885 and due 12 mo. after date, because said Beckley was entirely good & solvent when said notes came to the hands of his said guardian & remained so for some four years thereafter and if said guardian fails to collect said notes, it was the result of his said negligence and he is liable to his wards therefor  
5<sup>th</sup>

He excepts to said report because the guardian fails to charge himself with interest on the several amounts in his hands as shown by his annual exhibits - herein - he was required by law to loan said funds & could have done so. and found faulted to do so he is chargeable with interest thereon  
6<sup>th</sup>

He excepts to said final settlement because there are vouchers therein chargeable to Willis Moffett and in the said guardian's annual exhibits and the same should be corrected so that each of said wards should be charged separately with what he is chargeable and he asks that the same be corrected in this particular.

Walter H. Moffitt } In the County Court  
vs } of Dallas County  
W. H. Moffitt }  
Guardian of the Estate

And now comes Walter H. Moffitt guardian of the estate  
of both R. Moffitt and Willie Moffitt minor  
and presents the following answer to the  
petition to his final exhibit here made by  
E. R. Moffitt to wit  
1st said W. H. Moffitt guardian as aforesaid  
says that said both R. Moffitt and Willie  
to have and maintain his approved accounting  
to said final account because he says that  
on the 3<sup>rd</sup> day of June 1889 this honorable court  
only cited this guardian to appear and file  
a new bond herein that this guardian after  
an effort to make said bond was unable to do so  
and therefore in terms of the law made his  
final account of the condition of said estate  
and filed the same in this court on the 6<sup>th</sup> day  
of March 1890. which said account after due  
notice thereof was only examined by this court and  
on the 24<sup>th</sup> day of March only approved and  
entered its order and judgment approving  
said account and discharging this guardian  
from all further liability upon his holding  
over the property then in his hands to his  
receipts and paying all costs of court  
that in said final account he showed an  
account of all the property that came into his  
hands and his disposition thereof and that  
shown in his hands as per inventory of personal  
property of the approved value of six hundred  
and fifty seven dollars and cash proceeds  
of property that came to his hands amounting  
to the sum of \$3518<sup>35</sup> Two dollars and ten  
cents and included the personal property  
and ought to be charged to this guardian

to wit on two under-form. Call the book by  
note and the money which said Cole R Moffitt  
sued to charge the guardian with interest.  
that the judgment of the court approving said  
account has not been appealed from let  
said account and if of full force and  
effect all of which this guardian is ready  
to comply therefore he prays judgment  
as to whether this court can or will enquire  
into any matter cited and referred in  
said final account etc

2<sup>d</sup>

Said Matthew guardian says that the  
two under the value of which said Cole R Moffitt  
sued to charge this guardian with were  
very old probably more than twenty or more  
of age at the time they came to his hands. one  
unsalable and worthless. that they were  
brought in his hands at the time of his  
closing his special account, that he used every  
reasonable effort to sell them and never got  
an offer for them. from any responsible  
person. and an offer from any one under an  
party who was unable to pay for them or  
give security for them - that he got other persons  
to assist him in the sale of them - that said  
notes were kept without any reference to his said  
ward and were not used by this guardian  
for his own benefit

3<sup>d</sup> Says guardian says that said horse which  
said Cole R Moffitt sued to charge this guardian  
with was old unsalable and of very little  
if of any value. that this guardian used  
all reasonable efforts to sell said horse and  
was unable to do so, that said Cole R Moffitt  
borrowed said horse <sup>at a price</sup> to dwell upon  
Lancaster since he said Cole R Moffitt has  
his disabilities removed, and that said Cole

R Moffitt is negligent and carelessly <sup>drive</sup>  
said horse <sup>at a price</sup> <sup>to dwell upon</sup> since  
the use of said Cole R Moffitt. and if he  
was of any value then said Cole R Moffitt  
should pay for him

R. Moffitt negligently and carelessly <sup>drove</sup> ~~drove~~  
said horse back over horse side from  
the use of said Cole R. Moffitt. and if he  
was of any value then said Cole R. Moffitt  
should pay for him

4<sup>th</sup> Said guardian says that the party  
afore said Cole R. Moffitt claims that this  
guardian should be charged with the  
horse and his value and that to his said  
wards. to whom this guardian was he  
belonged

5<sup>th</sup> This guardian says that the household  
goods mentioned in said objections are  
all in his hands that he has taken the best  
care that he could of them. that he has  
and was unable to sell them. that in  
addition to the method of said guardian  
in his death bed. requested this guardian  
to take care of the same for Jeff wards and  
then turn over to the wards. that he  
is ready and willing to turn them over to  
his own wards or his executor. that he has  
not appropriated any of them to his own use  
and any use that may have been made  
of any of them was for the benefit of his  
said wards

6<sup>th</sup> The guardian says as to the said notes  
on E. Buckley. that when said notes came  
to his hands ~~and~~ property owned by said  
E. Buckley was covered by mortgages and  
he had no reasonable prospect of collecting  
them. that he had said notes removed  
as stated in his final exhibit filed here  
on the 6<sup>th</sup> day of March 1890. and his  
action was approved with reference  
thereto by the payment of their cost on  
said final account that said Buckley  
is still indebted

7<sup>th</sup> said guardian says that he ought not to be charged with interest on the said money that came to his hands because he says that he tried to loan out said money on such security as is required by law and was unable to do so prior to the 7<sup>th</sup> day of June 1889. when he was cited to appear and give surety bond and since said time he has not had authority to loan the same but has kept and held it ready to turn over to his successor as soon as duly qualified to receive it -

Said guardian says that he ought not to be charged with the said items which said Cole R. Meffert asks to charge him with because he says that he had accounted for ~~and~~ had on hand all the property belonging to the said deceased estate on June 7<sup>th</sup> 1889 when he was required to give surety bond by the honorable court and was thereby prevented by law from doing anything with said estate except to preserve and hold it until his successor should qualify and receive it. which said guardian was ~~not~~ careful for said property. that said trustee died since the executor was required to give surety bond and the guardian by order of this court filed an account of the execution of said estate on the 7<sup>th</sup> day of Sept 1893 and turned account for said trustee - which said account was only approved by the president of the court on the 11<sup>th</sup> day of November 1893. which president has not been appealed from ad iudicium or removed and of full force and effect

All of which the guardian is ready to verify &c. Therefore he prays judgment

... which prepared this not been  
applied from set aside or would  
amount of full force and effect

All of which this guidance is necessary to  
comply with. Therefore we have prepared  
approving his accounts Leominster Leominster  
at this for W. H. Hatter

The State of Texas }  
County of Dallas } In the County Court  
of Dallas County  
In matters of Estates  
To the County Court of Dallas County.

Your petitioner, W. Hatter, Guardian of the Estates of Cole Moffett and Willie Moffett minors respectfully represents that when your petitioner took the Guardianship of said minors estates. there came into his hands as such Guardian a note on Abe Freeman for \$500 dated Dec 9<sup>th</sup> 1881 bearing interest at 12 percent per annum from date and secured by a mortgage on eighty acres of Land situate on Bear Creek in Ellis County part of the A M Lavender 640 acre Survey beginning at a Stake in plain the N E corner of said A M Lavender 640 acre Survey thence South 475<sup>1</sup>/<sub>10</sub> varas to a Stake in plain the N E corner of W A Lavenders 80 acre tract thence West 950 varas to the N W corner of W A Lavenders tract thence North 475 varas to a Stake in the North line of said 640 acre Survey thence East 950 varas the beginning and containing 80 acres of land. That that said note was payable to W B Moffett and by him was found to come F. Moffett and a suit was pending in the District Court of Ellis County wherein said W B Moffett wife won Jeffs and Abe Freeman and others were left. when this petitioner took their Guardianship. That this Guardian made himself a party Jeffs judgment, made the year 1886 at the March Term 1886 and procured

an order of Sale and had the said lands  
sold under said judgment and purchased  
the same for his said wards at a much  
less sum than the amount of said judgment  
that after the execution of said mortgage by  
said Abe Freeman Jr to said W R Moffitt.  
said Freeman executed a deed of trust on  
said land to one J B Simpson of Dallas  
to secure the Edinburg American Land Mortg-  
-age Company. in the payment of Six thousand  
Five hundred Dollars. that since the sale  
and purchase by this guardian said  
J B Simpson has sold said land under  
said trust deed to one L H Huffman  
of Dallas County. and executed a deed  
of conveyance to said Huffman and  
said Huffman has gone into the possession  
of said tract of land and claims to be the  
legal owner thereof and equitably entitled  
to pay this guardian the principal money  
and said W R Moffitt with the interest  
thereon at 12 per cent per annum from the  
date and retain the said land and  
claims that neither the said Edinburg American  
Land Mortgage company nor since nor any  
authorized agent of the said company had any  
notice of the pendency of said suit to  
include - That the said L H Huffman  
has signified a willingness to pay your  
petitioner the principal debt and said  
Moffitt with interest thereon at 12 per cent  
per annum from said 9<sup>th</sup> day of December  
1874 and all costs for the said lands  
which he claims he has a right to redeem  
that your petitioner believes that it is to

the interest of his said wards to account

the interest of his said wards to accept  
the said offer of said Huffman and  
Convey said Lamas to said Huffman  
upon his paying the said 500<sup>00</sup> with  
said interest and costs. That this  
will save his said wards the expense of  
litigation - and will be as much as his  
guardian believes the said Lamas are  
worth. ~~That~~

Therefore your petitioner prays that your  
honor grant him an order to Compensate  
and adjust said matter with  
said Huffman and he will  
ever pray so.
