Hon Wm A. Ford Judge of the County
Court of Said County

Your petitioners have herewith
filed a complete showing of the effects
and liabilities of the Estate of John Smith
decd by which you will see that the net
assets in their hand is about \$750.00 and
that the amt of liability already pro-
ved is about \$2057.00, and your petitioners
have good reasons to believe that a consider-
able amt of the liabilities of said Estate
have not been presented, and to this the
costs of the administration, and the proba-
ble amt of deficit in the sale of property
on the appraisement, and you will see
that the whole amt of effects in the hands
of your petitioners will not more than meet
the liabilities of said Estate,

Therefore considering the premises your
petitioners pray for an order to sell the
Mortgage of said Estate to meet said liabilities
and they will ever pray &c

 1st In examining the private papers ~~found~~
 of the deceased we find many accounts not
 credited, yet we have reason to believe they
 are settling and even if they are not they
 are out of date by the statute of limitation
 and could not be collected by law. Still
 they are exhibited against us in the ap-
 -praisal list - how we hope no censure
 may be passed upon us (should we use
 proper diligence to do the same) if they
 are not collected.

2nd The two Mules shown upon the

Upon petitioners Rowland H. Witt and J. Newton Administrators of the estate of John Witt deceased made with respect fully respondent that they are charged in the return of inventory of said estate, with two certain notes of hand found amongst the papers of the deceased. Now Monroe Burnham makes oath & affirms that said notes are his property, and demands of ~~the~~ petitioners that they be given up to him, said notes are described in the affidavits which are herewith presented.

Now your petitioners pray your Honor to make an order directing us in your court for said notes and authorize us to give them to the said Monroe Burnham. Your petitioners would further represent that they are made parties to several suits in District court against the deceased and they further represent that it would be necessary to bring suits on behalf of the estate in Court. Therefore they pray your Honor to make an order authorizing us to employ sufficient Counsel for the estate, in order that justice may be done. And your petitioners will ever pray &c.

The State of Texas County Court
 County of Dallas 3 Sep Term 1851

Hon J W Catron Chief Justice of
 Your petitioners John W Hobbs and J M Crockett
 Admins of the Estate of John Hunt dec'd would most
 respectfully represent that they have ascertained as near
 as it is within their power so to do, by all legal means
 the situation of said estate, and they would
 represent that their predecessors in said succession
 failed and neglected to keep any account as the law
 directs of the liability of said estate or if they kept
 any such acct wholly failed to make any exhibit
 thereof to Your Hon^{ble} Court or to Your petitioners, hence
 they are wholly uninformd of the amt of liability
 of said estate save by what they have been
 able casually to discover, but Your Petitioners would
 further represent that they have made publica-
 tion in the Dallas Herald a news paper published
 in the town of Dallas Texas notifying all persons
 to present their claims, whether accepted and ap-
 proved or not, so that your petitioners might be
 notified of and ascertain the liability of said estate
 twelve months have elapsed since said notice was
 given and your petitioners must presume that all
 the just claims against said estate have been pre-
 sented

If said should be the case Your petitioners are great-
 ly to inform the Court that said estate will be
 solvent and able to discharge all its liabilities
 but if there are still outstanding liabilities accep-
 ted and approved by the former administrators &
 of which your petitioners are uninformd, they know
 of no rule of law that would exclude them from
 payment or a pro-rata payment of their claims

out of the assets of said estate, and if an order
of your Honors Court was made upon your
petitioners to pay the liabilities of said estate
out of the assets now on hand, the Court will
readily perceive the delicate situation in which
your petitioners would be placed in the event of
a and considerable amount of out standing
claims that have not been presented to your Honors
Court. Your petitioners would further represent that
nearly all the creditors of said estate are holding
claims against the estate to quite or nearly the
amount of their several liabilities, which if said
estate is solvent they are entitled to set off
and by making and allowing which much
trouble expense and litigation will be saved
by both the estate and creditors.

The premises duly considered your petitioners
pray your Honors to extend to them such advice
in relation to the probable out standing claims
against said estate as your Honors are well
acquainted with and make such orders about
claiming on said estate as will be legal and
answer the end of justice and secure your petition-
ers against improper and unjust liabilities &
as to your Honors shall seem proper right
and that your petitioners be permitted to allow
the creditors of said estate their just off set
credits &c, and as is their bound they will
comply &c,

represent that Newton Thiele and J. M. Thiele late Adms

she believes there is about Twenty seven hundred dollars
effects of said ^{estate} left uncollected by the late Adms, and that as
yet no Adm has been appointed to fill their vacancy

She further represents that she was the lawful wife
of said John Thiele decd, and prays that she be app-
ointed administratrix of the estate, and that her
Ancient Husband Antony Bledsoe, the ~~husband~~ ^{associated} with her
in the Administration

She further prays that ^{with her husband} she be appointed
Adm of the estate until such time as
she can legally take the oaths respectively, as she
believes it will very much facilitate the settlement
of said estate

The State of Texas } In County Court for Probate
 County of Dallas } Business Set Term AD 1849

To the Honorable William H. Keiser)
 Chief Justice Presiding)
 The undersigned one of the administrators
 of the Estate of John Hunter deceased being
 appointed by the Honorable Probate Court for
 this County, at its March term AD 1848
 to divide with Jefferson Tilly the improve-
 ments and land, to which the said Jef-
 ferson Tilly and John Hunter deceased, were
 jointly and equally interested and owning
 begs leave to make this report of his pro-
 ceedings in that duty.

That immediately after the order they
 proceeded amicably to parcel out the land
 and it was done that a great part of
 the improvements fell upon the part
 left apart to the estate, and feeling that
 it was not equitable, that the said Tilly
 was entitled to a just and reasonable com-
 pensation for his lot in the improvement
 it was agreed that the appraisers appoin-
 ted for the estate, should value half the
 said improvements and that the said
 Tilly should receive their valuation for
 his lot. To which duty the said appraisers
 C. Newton, C. H. Wolf and John Scriver
 proceeded on the 24th day of February AD 1849
 and appraised and decided that the
 said Tilly was entitled to receive from
 the estate one hundred and thirty
 dollars for his part of the improvements.

and it was further agreed, that Tilly should take the same improvement at its appraised value of fifty dollars (which is returned to this court in the inventory) leaving a balance to be paid by the estate of eighty six dollars

All of which is respectfully submitted, and it is asked that orders be made thereon.
