Mr Wm H. Thomas

Sir I received yours of the 30th of April: but not until this date owing to a little neglect of the postmaster. I am at this place - my niece Elizabeth C. is of mature age and is compe to take charge of her own property Benoni is in his thirteenth year and will have to have a Guardian I have caused him to assign the request written out by you and inclose the same in my letter (myself not being at my house at this time) I give it as my opinion that the personal property belonging to the Estate of my deceased Brother better be sold as I think the interest on the money will be worth more to the heirs than the stock can be. If I am appointed Benoni's Guardian I will petition the Court to order the sale of the horse stock as a portion of the stock has become branched and is liable to be injured at any time: my niece willing to have the stock sold and you will please consider this matter and let it be by and have it done with as little expense to the heirs as may be -

The arrangement made by you with Mr Williams to breed the mares is as good an arrangement as can be made under the circumstances and I will not attempt to make any other and I so told Mr Williams. I will be at the next term of the court if nothing occurs to prevent me also my niece will be there as she is of age. If there is any thing more necessary for the heirs or myself to do drop me a line & I will attend to it. Yours Truly
