Dear Cousin John,

For a month or more past, I have intended to write you and give an account of the money received from you in September last on Cora's account, but one thing and another has prevented my writing until this time. I received from you the sum of \$215.00. I enclose herewith an itemized account of its expenditure. I do not know whether it is necessary to enclose this account or not, but I

(2)

so return it and I will have the necessary affidavit attached. The present session is drawing to a close, and the money for the next session will have to be paid some time in Jan. Mrs. Key was kind enough to give me a deduction of \$30.00 for last term, but hardly can expect that favor again, so the bill for next session will be I presume, \$190.00. This does not include a few 4tras for music, books etc. I will get the bill from Mrs. Key, and any ~~4tras~~ money needed (as you only have \$180.00 now) we will send you.

(3)

along with this bill, and ask you to permit the whole amount direct to Mrs. Key. Of course we have bought the greater portion of Cora's clothing ourselves. She is hoping for Christmas, and looking fine. The reports we receive of her progress are very flattering, and we expect to see a great improvement by summer. She sings very sweetly, and recites well. Bob joins me in kindest regards. Wishing you a very Merry Christmas.

I am sincere
Yours, Clemmie P. Lode.

Dear Cousin John,

Enclosed please find account for balance of money you sent for Cora. I would be glad if you would send me another remittance for her use. I have succeeded in getting a ticket for her, and she will spend the holidays with me. She is doing well at school, and I am real proud of her. I am worked almost to death now, but hope after the new year's rush of work is over, to have time for all the extra work that I can get, and be able to send you money every month on payments for my machine. I hardly ever hear from either Mittie or any of Bobs family. It seems to be out of sight, out of mind, with them. However I am gettin along very nicely as far as my work is concerned, and hope to be able to look out for myself. And you can rest assured they won't know any thing about it from me, if I don't. We are anticipating a great time here next week, can't you come down for the Carnival, I am sure you would enjoy it.

With lots of love, and wishing you a Merry Christmas,

I am Yours, aff. Clemmie P. Toodle.

Dear Cousin Jno.

Please send me \$95.00 for Cora. She will have to pay her board and incidentals until she gets some pupils. Her advertising and books will cost quite a little sum. But you have to spend money to make money. She has one pupil, and the promise

of them I do hope she will get a nice class. It is positively necessary that she should be self supporting as I can barely pay my own expenses out of my present salary. I got so in debt while I was sick. She and I are both quite well at present. With much love from both Cora and myself, and hoping you are quite well. Believe me. Yours Affly. Clemmie D. Dade

My Dear Sir:

For many reasons my wife and I do not care to assume the guardianship of the estate of little Cora. We know of no one to whom we would rather turn under such circumstances than yourself. The estate, a small one, is still in the hands of the executor, Capt McBay, who is anxious to settle matters. We would return it a personal favor if you would qualify as guardian of the estate thereof of Cora McBay Toole. I write both for myself and wife. With kindest regards I remain,

Dear Cousin Joe
 Your letter with check, recd. If it will not
 be too much trouble, I will be glad for you to pay the bills
 for me. We only pay by the term. The tuition is paid in
 advance, and the bill for such incidentals as sheet music,
 books ect is sent in at the close of the term. I will
 write Mrs Key to send all bills to you. Cora won the
 medal in Elocution last June, and hopes to get her
 certificate, to teach, next June. We are all well. I like
 my position very well, so far. Cora joins me in
 love to you.
 yours aff,
 Clemmie I. Lovle

Dallas Texas, Aug 18th 1901.

Dear Cousin Glendie:-

Your letter just received. I was indeed very much shocked to hear of Robert's death. I am very sorry indeed that I was not in Dallas when you were here. You and dear Cora have my deep sympathy.. We are often startled at the acts of Providence, and cannot understand. Sometimes we "all understand". You ask me to send you \$500.00, so as to save trouble of frequent writing. But I thought before I did, I would ask you, would it not be better so far as the amount of her tuition and board is concerned at Sherman, had I not best send what is or may be due there, direct to Mrs Kid Key, as you would have to send it from Houston, and I can save you that trouble. I would like to have her itemized account. And I would like to send that direct to her as the same falls due. I make this suggestion to you, to save you the trouble. If you will have her to send me her bills as they accrue, I will promptly remit to her. I believe you pay this in advance, by the session? If by the year, and Cora should happen to be sick or die before the year ended, would they refund to you? I merely ask the question for information. Sometimes such things happen, and unless positively required in advance for the year, would it not be best to pay only by the term, as it accrues, and she has received the benefits she is paying for. In the mean time I send you \$100.00 to meet any expenses you have contracted, and until I hear from you again. And if you need more I will promptly send, on receipt of your answer to my suggestions herein, and if you think you can better than I settle the school bills from Houston, I will send the \$500.00 as you request. Please let me hear from you at once on receipt of this. Remember me most kindly and affectionately to Cora. I am glad you have the position you speak of, and think you acted wisely to accept it. I had begun to make enquiry for you here, at the suggestion of Mrs Cook, nee Maggie Tomison. very kindly

I enclose you bill for Cora's tuition. I all from the amount, \$160⁰⁰, instead of \$190⁰⁰ that Mrs. Key has been kind enough to give us a reduction again of \$30⁰⁰. In addition to the regular bill, there is a few dollars for extras. I O.K. the bill, please send her a check for the money. This will leave a small balance, I believe, which I will be glad if you will send to me, as Cora

IN THE MATTER OF THE
ESTATE OF CORA M. TOOLE

December 22nd, 1899.

No. 1351.

This day came on the application of E. J. Gannon, one of the bondsmen of W. M. C. Hill the guardian of the estate of said Cora M. Toole, to have said guardian pay the money in his hands, as said guardian, into the court, and to remove said guardian from his said office, and to release said Gannon from the bond of said guardian.

And, thereupon, it appearing to the court that the annual account and report of the said W. M. C. Hill, as such guardian, does not comply with the law in this: That said report does not show to whom the money belonging to said ward has been loaned, or how the same has been invested, and does not show that the same has been invested in the manner required by law nor that it has been invested at all, and that in this said guardian has failed to comply with the orders of this court heretofore made upon him to make a full and correct report of the estate of said ward in his hands.

And it further appearing to the court that said guardian has been, heretofore, duly served with citation to answer the petition of said bondsmen, it is further ordered, adjudged and decreed by the court that said guardian be and he is hereby required, within thirty days from this date, to file his ~~annual~~ *showing the balance in his hands as such guardian* report herein, and to pay into the hands of the clerk of this court any and all amounts of money now in his hands belonging to the estate of said ward, subject to the further action of this court in this matter.

It is further ordered, adjudged and decreed by the court that in the event of the failure of said guardian to pay said money into court within the time above mentioned that he be and is hereby removed from the office of such guardian.

It is further ordered by the court that the clerk of this court notify said guardian of this order by mailing to him a copy of this order, and that a copy of this order be also sent by mail to the parents of said ward who reside in Houston, Texas; and the clerk of the court is further directed to make a report herein to the court showing whether or not said Hill has complied with this order of the court or the manner in which he

has complied with it, whereupon such further action will be taken herein
as may be deemed necessary and proper to the end that said bondeman may
be released as prayed for in his said petition

In the Matter of the " In the Probate Court
estate of Cora M. Toole. " of
No. 1351. " Dallas County, Texas.
.....

To the Honorable Judge of the County Court of Dallas County, Texas:

E. J. Gannon, a resident citizen of Dallas County, Texas, would respectfully represent to the court as follows:

That W. M. C. Hill was, on or about the 22nd day of November, 1889, appointed by this court as guardian of the estate of one Cora M. Toole, and that on the date last mentioned he executed a bond in the sum of \$ ^{2400.00} under the orders of the court as guardian of said ward, upon which bond petitioner, E. J. Gannon, and one Charles E. Gillespie, both of the City of Dallas, are sureties.

That, on or about the 27th day of January, 1890, a list of the assets of said wards estate was filed herein and the same was appraised at the sum of \$1180.00, the same appearing to have consisted of promissory notes secured by vendors lien on land.

Your petitioner further shows that after said list and appraisement was filed no other report or statement of the assets of said wards estate or the condition of same has been filed herein by said guardian until the 9th day of May, 1898; on that date your petitioner shows that said guardian filed herein a statement showing that he had on hand and due said ward \$1537.33.

Your petitioner further states that Article 2684 of the Revised Statute of the State of Texas requires a guardian to make an annual report to the court among other things showing the money and property still on hands, and the ^{Condition} ~~condition~~ of said property, and the use that has been made of same and such other facts as may be necessary to show the true and exact condition of the estate.

That the account returned to the said guardian on May 9th, 1898, does not comply with the requirements of said statute in that it does not show the condition of the property nor the use that

has been made of it, nor state the true and exact condition of said estate but said account only shows the amount of money on hand.

Petitioner further shows that Articles 2639-40 of the said Revised Statute requires that a guardian shall invest funds of his ward and prescribes the manner in which it shall be done, and that the guardians report, if made in compliance with the law, ought to show that the money had been invested in some of the ways prescribed by law, but that said report does in fact consist only of a statement of the money on hand.

Your petitioner further shows that Article 2697 of said Revised Statute provides that if a guardian fails to return any account, which he is required to return by law, or to obey the orders of the court or the judge, consistent with the requirements of the statute, that he may be removed as such guardian.

Your petitioner avers that, as above shown, the said W.M.C. Hill, as such guardian, has failed to return accounts as required by the statute, and that in making his last account he failed to obey the orders of the court in making the same consistent with the law, and that he has failed to file his annual reports as required by law and that he has not filed his annual report for the last year; that your petitioner is interested in the estate of said ward and is one of the bondsmen of said W.M.C. Hill.

Wherefore petitioner prays that citation issue herein as required by law to the said W.M.C. Hill, who now resides in ~~Rusk~~ Walker County, Texas, and that he be required to file herein his account of the affairs of said guardianship showing the exact condition of said estate, and that on account of his said failures to comply with the law in this respect that he be removed as such guardian and that petitioner be relieved from the liability on the bond of said guardian, as petitioner will ever pray.

Your petitioner further shows that as one of the bondsmen of said guardian he is liable for the release from liability on said
