In the matter of the Estate of James H. Stafford, Deceased. :  
B. O. Weller, Temporary Administrator. :

To the Judge of the County Court of Dallas County, Texas:

Your petitioners, McLaurin & Wozencraft, respectfully show to the court that they have acted as attorneys at law in advising B. O. Weller, temporary administrator, in his management of this estate; that from time to time questions have arisen as to his management of the property of the estate, and that they have advised him as often as consulted in reference to these matters. That the period of these services covers the time since the 8th day of October, 1900, up to the present time. That for these services petitioners think a reasonable fee would be the sum of \$100.00

In addition to the above, petitioners represent to the court that they have been retained by said B. O. Weller, for the said estate, to represent it in a certain suit wherein it is defendant, said suit being the case of Anderson vs. Field et al., pending in the Fourteenth District Court of Dallas County, Texas. This is a suit involving the right to a certain lot in the city of Dallas, Texas, fronting on Commerce street, and the claim of the plaintiff in the suit, if allowed, would cut off about fourteen feet of the front of this lot. Petitioners believe ~~me~~ that \$50.00 would be a reasonable retainer in this suit.

Premises considered, petitioners pray the court to allow them the sum of One Hundred and Fifty (150) Dollars, as above suggested, for their services to the said estate, to be paid out of the funds of the estate and that the temporary administrator be instructed to pay the same.

IN THE MATTER OF THE ESTATE §  
OF J. H. STAFFORD, Deceased. §

In the County Court of Dallas  
County, Texas, in probate.

TO THE HON. KENNETH FOREE, Judge of said Court:--

Now comes B.O. Weller, Temporary Administrator, heretofore appointed as such, of the estate of J.H. Stafford, deceased, and represents and shows to the Court that heretofore, to-wit: on the 1st day of February, 1899, the Phenix Insurance Company of New York issued their certain policy of insurance, being policy number 3498, wherein and whereby they insured J.H. Stafford, your Administrator's decedent, against loss by fire, on the two-story brick, metal roof building, including foundations, gas and water fixtures and piping, closets, plate glass doors and windows and awnings, known as number 175 Main Street, in the City of Dallas, Dallas County, Texas;

That heretofore, to-wit: during the life time of said decedent, and on the 12th day of March, 1899, a fire loss occurred on the premises so insured, wherein and whereby the said premises were damaged; and

That heretofore to-wit: on May 8th, 1899, your Administrator, acting as agent of the said Stafford, since deceased, entered into an agreement with the agent of the said fire insurance company, whereby the said fire insurance company agreed to make good the loss occasioned by such fire, estimated at \$371, and to pay to Alex Watson the said sum of \$371 to make the necessary repairs on the said building, to repair the loss occasioned by such fire. That said repairs have been made and said loss made good, and that it is necessary that said insurance company's liability to this estate may be discharged, and that a proof of loss, an instrument, the purport of which is understood by persons familiar with the fire insurance business, said term being a term of art, and meaning a declaration by the insured of all the facts essential to

showing the loss and validity of policies, and any and all circumstances affecting the liability of the insurance company; and that it is necessary for your Administrator, as such of the said decedent, to execute said proof of loss, and to receipt for said sum of \$371 as having been received by the said estate.

Premises considered, your administrator prays that he may be authorized to execute said Proof of Loss and make such receipts, or such endorsements, and setting over of checks, drafts or other bills of exchange whereby the said Alex Watson may be paid as may be necessary for the consummation and closing of the business concerning the said fire loss on said property by your Administrator's decedent; and for such other and further instructions as may be necessary for your Administrator's guidance in the premises.

To the honorable Judge of said Court.

Your petitioner Mrs. Nellie Stafford would respectfully state to the court that on the 12<sup>th</sup> day of May, 1899, the husband of your petitioner Gas H. Stafford died in the city of Dallas, County of Dallas and state of Texas possessed of an estate of the value of about \$70,000 (seventy thousand dollars) consisting of lots and houses thereon in the city of Dallas, that said Gas H. Stafford left surviving him no children or other decendants. That you petitioner is the wife of the deceased, that said Gas H. Stafford left a pretended will, which your petitioner says, upon information and belief is not the act or deed or will of the said Gas H. Stafford, because she charges that the said Gas H. Stafford was not mentally competent at the time of the making of said will to make the same. Petitioner says that there is a necessity for a temporary administration of the affairs of the estate of the said Gas H. Stafford, for that the rental of said property should be collected and preserved, and the houses situated on the said property should be kept insured and said property should be generally managed and protected. Petitioner says that she is of age and is <sup>a</sup> competent person to manage said estate and is entitled to the appointment of temporary administrator thereof, being the person most greatly interested in the same.

Wherefore your petitioner prays that she be appointed temporary administrator of the said estate with power to manage said estate, take charge of all the personal affairs belonging thereto, collect all of the rents due or to become due thereon and to rent
